Brabrety Murphy Bed

Brabrety Queen Size Murphy Bed with Desk & Storage
Instruction Manual

Model: Murphy Bed | Brand: Brabrety

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Brabrety Queen Size Murphy Bed with Desk and Storage. This innovative furniture piece is designed to maximize space efficiency, offering a comfortable sleeping area, a functional workspace, and ample storage solutions. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SETUP AND ASSEMBLY

Assembly of your Brabrey Murphy Bed requires careful attention to detail. It is recommended that two adults perform the assembly. Ensure all parts are present before beginning. A detailed assembly instruction guide and all necessary tools are included with your purchase.

Required Tools (Included)

- Hex Key
- Screwdriver
- Wrench

Assembly Steps Overview

1. **Unpack and Identify Components:** Carefully unpack all boxes and lay out components on a clean, soft surface to prevent scratches. Refer to the included parts list to identify each piece.
2. **Assemble Side Storage Units:** Begin by assembling the two side shelving units and cabinets. These units provide the structural support for the main bed mechanism.
3. **Install Main Bed Frame Mechanism:** Attach the main bed frame mechanism to the assembled side units. Ensure all connections are secure and aligned according to the detailed guide.
4. **Attach Bed Slats and Support:** Secure the wooden bed slats to the bed frame. The reinforced bed frame is designed for heavy-duty support.
5. **Integrate Desk and Drawers:** Install the built-in desk and any associated drawers or pull-out components.
6. **Connect Electrical Components:** If your model includes a built-in USB charging station or lighting, connect these components as per the electrical diagram in your detailed guide.
7. **Final Adjustments and Safety Check:** Once assembled, perform a thorough check of all screws, bolts, and connections to ensure they are tight and secure. Test the folding mechanism to ensure smooth operation.

OPERATING INSTRUCTIONS

The Brabrety Murphy Bed is designed for easy conversion between bed and desk modes. Always ensure the area around the bed is clear before operating the mechanism.

Converting to Bed Mode

1. **Clear the Desk:** Remove all items from the desk surface. The desk will fold away as the bed is lowered.
2. **Unlock Bed Mechanism:** Locate and disengage any safety latches or locks that secure the bed in the upright position.
3. **Lower the Bed:** Gently pull the bed frame downwards from the top. The hydraulic or spring mechanism will assist in a smooth, controlled descent until the bed is fully extended and resting on its support legs.
4. **Ensure Stability:** Confirm that the bed's support legs are fully extended and stable on the floor before use.

Converting to Desk Mode

1. **Remove Bedding:** Remove pillows and bedding from the bed surface.
2. **Lift the Bed:** Grasp the bed frame and gently lift it upwards. The mechanism will assist in raising the bed back into its vertical position.
3. **Engage Safety Latches:** Once the bed is fully upright, engage all safety latches or locks to secure it in the folded position.
4. **Extend Desk:** The desk surface will automatically extend or can be manually pulled down into its working position.

Using Storage and USB Charging Station

- **Side Cabinets and Shelving:** Utilize the open shelving units and side cabinets for organizing books, decor, and personal items.
- **USB Charging Station:** Plug electronic devices into the built-in USB charging station located on the desk or within a side unit (depending on model) to power up while working or resting.

MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your Brabrety Murphy Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the finish.
- **Mechanism Check:** Periodically inspect the folding mechanism, hinges, and support legs for any signs of wear or loosening. Tighten any loose screws or bolts as needed.
- **Lubrication:** If the folding mechanism becomes stiff, apply a small amount of silicone-based lubricant to the moving parts. Do not use oil-based lubricants as they can attract dust.
- **Weight Limit:** Adhere strictly to the maximum weight recommendation of 600 pounds for the bed. Overloading can damage the frame and mechanism.

- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, as this can cause wood to warp or fade. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

If you encounter issues with your Brabrety Murphy Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed difficult to fold/unfold	Mechanism stiff or obstructed; loose connections.	Check for obstructions. Apply silicone lubricant to moving parts. Ensure all assembly screws are tight.
Bed feels unstable	Support legs not fully extended; loose frame connections.	Ensure support legs are locked into place. Re-tighten all frame assembly bolts. Ensure bed is on a level surface.
Desk does not extend/retract smoothly	Hinges stiff or obstructed.	Clear any debris. Lubricate hinges with silicone spray.
USB charging station not working	Not plugged into power outlet; faulty connection.	Ensure the bed's power cord is securely plugged into a functional wall outlet. Check all internal connections if accessible.

SPECIFICATIONS

Feature	Detail
Size	Queen
Special Feature	Desk & Storage, Drawers
Color	White#b
Product Dimensions	101.1"L x 87.6"W x 88.6"H
Brand	Brabrety
Included Components	Murphy Bed
