Homary 72" Walnut TV Stand with LED Lighting and Arched Glass Doors

Model: JJ5B07879F

INTRODUCTION

Thank you for choosing the Homary 72" Walnut TV Stand. This entertainment center is designed to accommodate TVs up to 75 inches and features modern aesthetics with functional storage. It includes arched glass doors, three drawers, two cabinets, and integrated LED lighting. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

SAFETY INFORMATION

- **Read all instructions carefully before assembly and use.** Failure to follow these instructions may result in injury or product damage.
- **Keep children and pets away** during assembly. Small parts can be a choking hazard.
- **Assemble on a soft, clean surface** to prevent scratches.
- **Ensure all connections are secure** before placing any items on the TV stand.
- **Do not overload the unit.** Refer to the 'Specifications' section for weight capacities.
- **Use the included anti-tip kit** to secure the TV stand to the wall, preventing accidental tipping.
- **Handle glass components with care** to avoid breakage and injury.

PACKAGE CONTENTS

Please verify that all parts and hardware are present before beginning assembly. If any items are missing or damaged, contact customer support.

SETUP AND ASSEMBLY

Follow these steps for proper assembly. It is recommended to have two people for assembly.

Assembly Video Guide

Video 1: Detailed assembly instructions for the TV stand. This video demonstrates each step of the construction process.

Step-by-Step Assembly

1. **Prepare the Base:** Attach the side panels to the bottom frame using the provided screws and dowels. Ensure all connections are tight.
2. **Install Back Panels:** Secure the back panels into the designated grooves. These panels feature cable management holes.
3. **Attach Top Panel:** Place the top panel onto the assembled frame, aligning the pre-drilled holes. Fasten with screws.
4. **Assemble Drawers:** Construct the three drawers according to the diagram. Install the soft-close guide rails on the drawer sides and within the TV stand frame.
5. **Install Cabinet Doors:** Attach the hinges to the arched glass doors and then mount the doors to the cabinet sections. Adjust hinges for proper alignment.
6. **Mount Handles:** Secure the gold-finished handles to the drawers and cabinet doors.
7. **Install Adjustable Shelves:** Insert the shelf pins into the desired height positions within the cabinets and place the adjustable shelves.
8. **Connect LED Lighting:** Follow the separate instructions provided with the LED lighting kit for installation and connection.
9. **Secure Anti-Tip Kit:** Attach the anti-tip hardware to the back of the TV stand and to a wall stud to prevent tipping.

OPERATING INSTRUCTIONS

Storage Compartments

- **Drawers:** The three central drawers feature soft-close guide rails for smooth and quiet operation. Pull gently to open and push to close.
- **Cabinets:** The two side cabinets with arched glass doors provide enclosed storage. The internal shelves are adjustable to accommodate items of various heights.

LED Lighting

The integrated LED lighting system can be controlled to create different ambient moods. Refer to the specific LED remote control or switch instructions for changing colors, brightness, and modes.

Colors may appear differently on various device displays and in different lighting.

Warm Light

Daylight

Cool Light

Figure 2: The LED lighting can be adjusted to various color temperatures, including warm, daylight, and cool light, to suit your preference.

Integrated Power Outlets

The TV stand may include integrated power outlets and USB ports on the top surface or within a compartment for convenient charging and powering of electronic devices. Connect the main power cord of the TV stand to a wall outlet.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For glass doors, use a glass cleaner.
- **Dusting:** Regularly dust the unit to prevent buildup.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish.
- **Protect Surfaces:** Use coasters or mats under hot or wet items to prevent damage to the top surface.

TROUBLESHOOTING

- **Wobbly Stand:** Ensure all screws are tightened. Check that the unit is on a level surface. Adjust feet if applicable.
- **Drawers Not Closing Smoothly:** Check the alignment of the soft-close guide rails. Ensure no obstructions are in the drawer path.
- **LED Lights Not Working:** Verify the power connection to the LED strip and the wall outlet. Check the remote control battery.
- **Cabinet Doors Misaligned:** Adjust the hinges on the cabinet doors as needed. Refer to hinge adjustment instructions if provided with the hardware.
