MAINTENANCE

Cleaning

Clean the device thoroughly before and after each use with warm water and a toy cleaner or mild soap. Rinse well and pat dry with a lint-free cloth. Do not use cleaners containing alcohol, petroleum, or acetone, as these may damage the silicone.

Storage

Store the device in a cool, dry place away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent damage or discoloration.

TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. Press and hold the power button for 3 seconds to activate.
- **App connection issues:** Ensure Bluetooth is enabled on your smartphone and the device is within range. Restart both the app and the device if connection fails.
- **Vibrations are weak:** Recharge the device. Battery life may affect vibration intensity.
