PZDO PZ003-BLACKWHITE-1-SA

PZDO Gaming Chair Instruction Manual

Model: PZ003-BLACKWHITE-1-SA

IMPORTANT SAFETY INFORMATION

If there are any defects in the product, malfunctions, or missing parts, please stop using the product immediately and contact customer service for assistance. Always ensure the chair is assembled correctly and all fasteners are tightened before use to prevent injury.

PRODUCT OVERVIEW

The PZDO Gaming Chair is designed for adults, offering comfort and ergonomic support for extended periods of use, whether for gaming, working, or relaxing. It features an adjustable height, a technical fabric finish, and an integrated footrest.

This image shows the PZDO Gaming Chair in a black and white color scheme, positioned in a modern gaming setup. The

chair features a high backrest, adjustable armrests, and a retractable footrest.

KEY FEATURES

- **Comfortable Seating:** Features a memory foam seat with a U-shaped cushion for lasting comfort and support. All components undergo strict safety tests.
- **Advanced Ventilation:** Constructed with a newly developed technical fabric, offering superior wear resistance and skin-friendliness compared to artificial leather. The diamond mesh design promotes airflow, reducing sweat.
- **Ergonomic Support:** The backrest features a unique curve that conforms to the spine, complemented by a high-quality velvet lumbar cushion and a flexible headrest for optimal neck and spine support.
- **Adjustable Functionality:** The backrest reclines from 90 degrees (upright) to 165 degrees (nearly flat). Linked armrests adjust simultaneously with the backrest. Lumbar and headrest cushions reduce pressure during long sitting periods.
- **Robust Construction:** Built with a one-piece steel frame and an anti-explosion tray, tested for durability and safety to support a weight of up to 158.76 kg. Includes a Class 4 gas lift for smooth height adjustment up to 57.9 cm and silent, durable universal wheels.

DIMENSIONS AND WEIGHT CAPACITY

DIMENSION

 HEIGHT	
Recommended	130-185cm
Degree Swivel	360°

 WEIGHT	
Weight Capacity	140kg
Degree Swivel	90°-135°

This diagram illustrates the key dimensions of the PZDO Gaming Chair, including overall height (129-138 cm), backrest height (80 cm), seat width (54 cm), seat depth (56 cm), and base width (60 cm). It also indicates a recommended user height of 130-185 cm and a weight capacity of 140 kg. The chair offers 360-degree swivel and a recline range of 90-135 degrees.

CHAIR COMPONENTS

This image displays the main components and features of the PZDO Gaming Chair, including the comfortable headrest, flexible angle adjustment, linked armrests, fitted lumbar support, strong base, and extended legrest.

SETUP INSTRUCTIONS

For detailed assembly instructions, please refer to the separate assembly guide included in the product packaging. Ensure all components are present and undamaged before beginning assembly. A general overview of the assembly process is provided below:

1. Attach the wheels to the chair base.
2. Insert the gas lift into the center of the base.
3. Mount the seat mechanism onto the gas lift.
4. Attach the backrest to the seat.
5. Install the armrests.
6. Attach the headrest and lumbar cushions.
7. Verify all connections are secure before use.

OPERATING YOUR CHAIR

Seat Height Adjustment

To adjust the seat height, locate the lever on the right side beneath the seat. Pull the lever upwards while seated to lower the chair, or pull the lever upwards while standing to raise the chair. Release the lever at the desired height.

Backrest Recline

The backrest can be reclined from 90 degrees (upright) to 165 degrees (nearly flat). Use the recline lever, typically located on the left side of the seat, to adjust the angle. The linked armrests will adjust simultaneously with the backrest.

This diagram illustrates the adjustable recline angles of the chair: 90 degrees for study/work, 105 degrees for reading or playing, and 135 degrees for sleeping/relaxing. It also shows the seat height adjustment and the footrest mechanism.

Footrest Operation

To extend the footrest, pull it out from beneath the seat. To retract it, simply lift your feet and push it back into its stored position.

Swivel Function

The chair features a 360-degree swivel for easy movement and access.

CARE AND MAINTENANCE

Cleaning

For general cleaning, wipe the chair with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the technical fabric. Ensure the chair is dry before continued use.

Inspection

Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability and safety. Inspect the wheels for any debris and clean as needed.

TROUBLESHOOTING COMMON ISSUES

Chair Sinks or Does Not Hold Height

This may indicate an issue with the gas lift. Ensure the height adjustment lever is fully disengaged. If the problem persists, contact customer support.

Squeaking Noises

Squeaking can often be resolved by tightening loose bolts or applying a small amount of lubricant to moving parts, such as the wheel axles or recline mechanism.

Difficulty Rolling

Check the wheels for any debris (e.g., hair, lint) that might be obstructing their movement. Clean as needed to ensure smooth operation.

PRODUCT SPECIFICATIONS

Brand	PZDO
Model Number	PZ003-BLACKWHITE-1-SA
