Maintenance

To ensure the longevity and optimal performance of your abxylute OnePro, follow these maintenance guidelines:

- **Battery Life:** The device offers 8+ hours of battery life. For best battery health, avoid completely draining the battery frequently.
- **Charging:** Use the provided USB-C cable for charging. The device supports QC3.0 and PD fast charging.
- **Cleaning:** Use a soft, dry cloth to clean the screen and exterior. Avoid abrasive materials or harsh chemicals.

The abxylute OnePro features a 5000mAh battery providing over 8 hours of gameplay, with support for fast charging.

Troubleshooting

If you encounter issues with your abxylute OnePro, consider the following:

- **Connectivity Issues:** Remote play and cloud gaming require a stable broadband internet Wi-Fi connection of at least 5Mbps. Ensure your Wi-Fi signal is strong and stable.
- **Performance Lags:** For streaming, higher resolutions and bitrates require a stable and fast network connection. Adjust settings in the streaming application if experiencing lag.
- **General Malfunctions:** Try restarting the device. If the issue persists, refer to the official support channels.
