roomfitters RF-N719S002300A

roomfitters Modular U-Shaped Sectional Sofa

Model: RF-N719S002300A

Brand: roomfitters

INTRODUCTION

Thank you for choosing the roomfitters Modular U-Shaped Sectional Sofa. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

To ensure safe use of your sectional sofa, please observe the following guidelines:

- **Assembly:** Ensure all components are correctly assembled and securely fastened according to the instructions. Do not use power tools for assembly unless explicitly stated, as overtightening may damage components.
- **Weight Capacity:** Do not exceed the recommended weight capacity for each seating module. Avoid standing or jumping on the sofa.
- **Stability:** Place the sofa on a level surface to prevent tipping. Regularly check and tighten all fasteners to maintain stability.
- **Children:** Keep small parts and packaging materials away from children. Do not allow children to climb on or play unsupervised around the sofa.
- **Placement:** Avoid placing the sofa near heat sources, open flames, or in direct sunlight for prolonged periods, which can cause material degradation.

- **Moving:** When moving the sofa, lift it rather than dragging it to prevent damage to the legs and frame.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present. If any parts are missing or damaged, please contact customer support.

- Modular Seating Units (various configurations)
- Movable Ottoman
- Back Cushions
- Seat Cushions
- Armrest Units with Storage and USB Ports
- Connection Hardware (brackets, bolts, washers, Allen wrench)
- Legs

SETUP AND ASSEMBLY

Assembly typically requires two adults. Please follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (e.g., the packaging cardboard) to prevent scratches.
2. **Attach Legs:** For each seating module and the ottoman, attach the legs to the designated points on the underside. Ensure they are tightened securely.
3. **Connect Modules:** Arrange the modular seating units and armrests in your desired configuration (U-shaped, L-shaped, etc.). Use the provided connection hardware to link the modules together. Align the brackets and secure them with bolts and washers using the Allen wrench.
4. **Place Cushions:** Position the seat cushions onto the base of each module and the back cushions against the backrests.
5. **Ottoman Placement:** The ottoman is movable and can be placed as a footrest, extra seating, or to extend a sectional side.

OPERATING INSTRUCTIONS

Your roomfitters sectional sofa offers versatile functionality:

- **Modular Reconfiguration:** The individual seating units can be disconnected and rearranged to create different layouts (e.g., U-shaped, L-shaped, or separate chairs) to suit your space and needs. Ensure units are properly reconnected for stability.
- **Movable Ottoman:** The ottoman can be freely moved to serve as a footrest, an additional seat, or to extend any part of the sectional for lounging.
- **Storage Armrests:** Both armrests feature hidden storage compartments. Lift the top panel of the armrest to access space for remotes, magazines, or other small items.
- **Dual USB Ports:** Integrated dual USB ports are located on the armrests. Connect your devices (smartphones, tablets, etc.) to these ports for convenient charging. Ensure the sofa is connected to a power source for the USB ports to function.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your sofa:

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first. Follow the cleaner's instructions carefully.
- **Cushion Care:** Rotate and fluff cushions periodically to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sun or use window coverings.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong detergents, as these can damage the fabric.
- **Check Fasteners:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Sofa feels wobbly:** Check all leg connections and module fasteners. Tighten any loose bolts using the provided Allen wrench. Ensure the sofa is on a level surface.
- **Cushions appear flattened:** Fluff and rotate cushions regularly. High-density foam may require some time to fully expand after unpacking.
- **USB ports not charging:** Ensure the sofa's power cord (if applicable) is securely plugged into a working electrical outlet. Check the USB cable connection to your device.
- **Fabric pilling:** Pilling is a normal occurrence with some fabrics. Use a fabric shaver or lint roller to gently remove pills.

SPECIFICATIONS

Size: inch

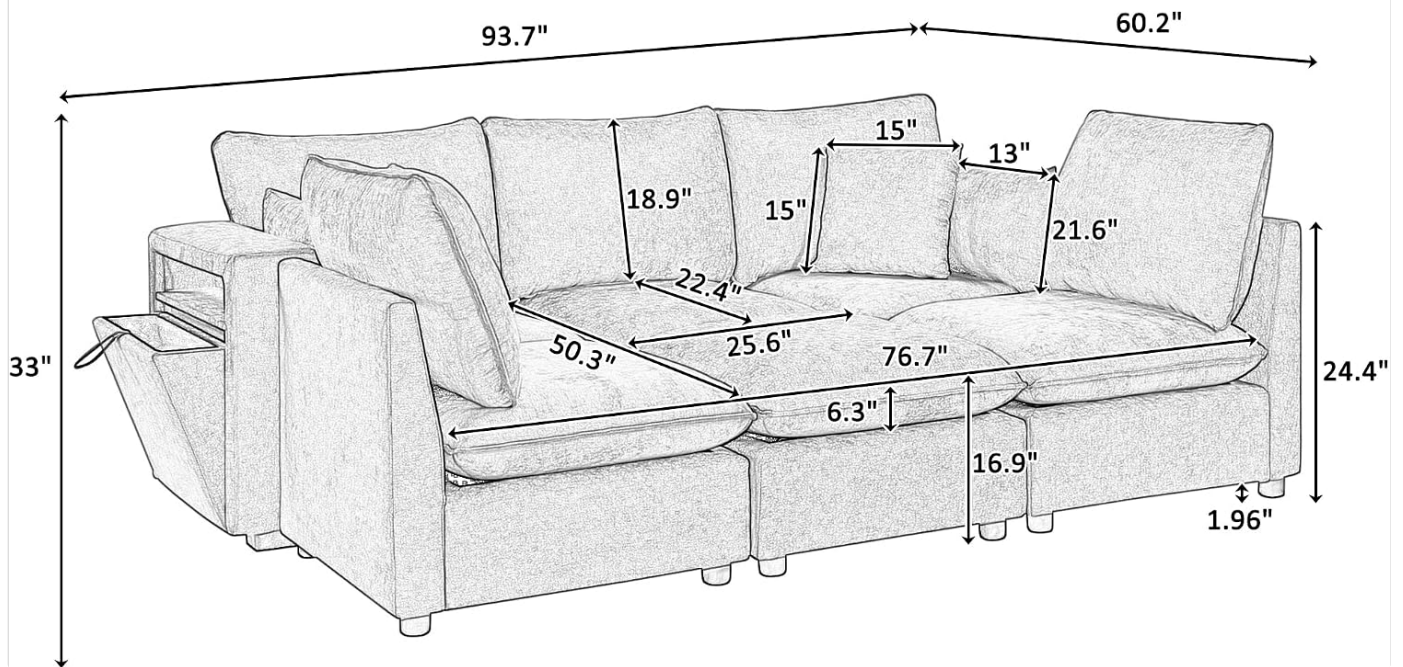

Image: A technical drawing illustrating the detailed dimensions of the roomfitters Modular U-Shaped Sectional Sofa in inches.

Feature	Detail
Brand	roomfitters
Model Number	RF-N719S002300A
Product Dimensions (Overall)	93.7"W x 60.2"D x 33.0"H
Item Weight	279.5 pounds
Seating Capacity	4
Seat Height	10 inches
Material (Upholstery)	Chenille
Frame Material	Engineered Wood
Color	Beige
Features	Modular Design, Movable Ottoman, Storage Armrests, Dual USB Ports
