# HolaiNail Nail Desk & Storage Stool Set: User Manual

Model: B0GGH8SQB8

## 1. INTRODUCTION

---

Thank you for choosing the HolaiNail Nail Desk & Storage Stool Set. This professional workstation is designed to enhance your nail care experience with integrated features such as an electric dust collector, LED lighting, and ample storage. This manual provides essential information for safe assembly, operation, and maintenance of your new nail desk and stool set.

Figure 1: Overview of the HolaiNail Nail Desk and Storage Stool Set.

## 2. IMPORTANT SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always secure the desk to the floor when in use to prevent accidental movement or tipping.
- Keep the work area clear of obstacles to ensure safe operation and movement.
- Never leave sharp objects or chemicals unattended on the desk surface or within reach.
- Always follow proper safety procedures when handling chemicals and sharp objects, including wearing appropriate personal protective equipment.
- Ensure all electrical components (dust collector, LED lights) are properly connected and maintained according to their individual instructions.
- Do not overload drawers or cabinets to maintain stability and prevent damage.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged,

please contact customer support.

- 1 × Manicure Table & Storage Seat
- 1 × Built-in Dust Collector
- 1 × Comfortable Armrest
- 1 × LED Light Strip
- 1 × Assembly Manual (this document)
- Hardware for assembly (screws, connectors, etc. - not explicitly listed but implied by "Assembly Required")

## **4. SETUP AND ASSEMBLY**

---

Assembly is required for this product. Please follow the detailed instructions provided in the included assembly manual. Ensure you have adequate space and the necessary tools before starting.

### **4.1 General Assembly Steps (Refer to separate Assembly Manual for details)**

1. Unpack all components and verify against the package contents list.
2. Identify and separate all hardware.
3. Assemble the main desk frame, ensuring all connections are secure.
4. Attach the storage cabinets and drawers to the main desk structure.
5. Install the electric dust collector and LED light strip according to their specific instructions.
6. Assemble the storage stool.
7. Attach the rolling wheels to the desk and stool bases. Ensure lockable wheels are correctly installed.
8. Perform a final check to ensure all parts are securely fastened and the desk is stable.

## FLEXIBLE & STABLE

Strength that moves with elegance

Figure 2: Illustration of the rolling wheels and support columns for stability and mobility.

## 5. OPERATING INSTRUCTIONS

### 5.1 Electric Dust Collector

The built-in electric dust collector helps maintain a clean working environment by capturing nail dust. It comes with reusable dust bags.

- **Activation:** Locate the power switch for the dust collector, typically found near the unit under the desk surface. Turn it ON before starting nail work.
- **Dust Bag:** Ensure a dust bag is properly installed in the collector unit. Replace or clean the dust bag regularly for optimal performance.
- **Placement:** Position the client's hand directly over the collector's grate during filing to maximize dust capture.

Figure 3: The electric dust collector with wrist cushion and dust bag.

## 5.2 LED Lighting

The integrated LED light strip provides adjustable illumination for your workspace, enhancing visibility and ambiance.

- **Control:** The LED lights can be controlled via an app or a physical switch. Refer to the specific instructions for the LED light strip for pairing with the app.
- **Adjustments:** Use the controls to adjust brightness and change lighting modes or colors to suit your preference.

Figure 4: LED lighting features with app control options.

### 5.3 Rolling Wheels

The desk is equipped with 8 smooth-rolling casters, including 4 lockable wheels, for easy mobility and secure positioning.

- **Movement:** To move the desk, unlock the 4 lockable wheels by flipping their levers.
- **Securing:** Once the desk is in the desired position, engage the locks on the 4 lockable wheels to prevent unintended movement during use.

### 5.4 Storage Features

The workstation includes various storage options to keep your tools and supplies organized.

- **Drawers:** The desk features 3 drawers for organizing smaller items. The dual-sided sliding tray allows access from both sides of the desk.
- **Cabinets:** Two cabinets provide enclosed storage for larger items or supplies.
- **Open Compartment:** An open compartment offers quick access to frequently used items.
- **Storage Stool:** The matching stool has a flip-up top revealing a hidden compartment for additional storage.

## DUAL-SIDED SLIDING TRAY

Access from both sides  
Perfect for seamless client-tech interaction

Video 1: Clean Air, Smart Storage - Your Professional Nail Desk. This video demonstrates the mobility, LED lighting, dust collection system, storage options, and overall craftsmanship of the nail desk.

## 6. MAINTENANCE

- **Cleaning:** Wipe clean with a soft, damp cloth. The desk surface is acetone-resistant, allowing for easy cleanup of spills. Avoid abrasive cleaners.
- **Dust Collector:** Regularly empty and clean the reusable dust bags. Check the collector grate for any blockages.
- **Wheels:** Periodically check the rolling wheels for debris and ensure they move freely. Lubricate if necessary.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as needed.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Dust collector not working	Not plugged in; power switch off; dust bag full/clogged; motor issue.	Ensure power cord is securely plugged in. Turn on the power switch. Empty or clean the dust bag. If problem persists, contact support.
LED lights not turning on	Not plugged in; power switch off; app connection issue; faulty strip.	Check power connection. Ensure switch is ON. Re-pair with app if applicable. Contact support if lights remain off.
Desk is unstable or wobbly	Loose fasteners; uneven floor; wheels not locked.	Tighten all assembly screws. Ensure desk is on a level surface. Lock all lockable wheels.
Drawers or cabinets stick	Overloaded; debris in tracks; misaligned.	Reduce load in drawers/cabinets. Clean tracks. Check alignment during assembly.

## 8. SPECIFICATIONS

Feature	Detail
Brand	HolaiNail
