2. SETUP

2.1. Unboxing and Initial Inspection

Upon opening the package, ensure all components are present:

- Boytond Ultra Open Ear Earbuds (Left and Right)
- Charging Case

- USB Charging Cable
- User Manual

2.2. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB cable to the charging port on the case and to a compatible USB power source. The LED indicator on the charging case will show the charging status. A full charge provides up to 10 hours of playtime for the earbuds and an additional 40 hours with the charging case. A quick 5-minute charge can provide 1 hour of playback.

Stay Safe, Stay Connected Music Without Compromise

Clip-On Design Keeps You Aware While
Enjoying Your Favorite Tunes
Stay Aware While Running, Cycling, or Commuting
Engineered for Safety and Comfort in Every Adventure

2.3. Pairing with a Device

The earbuds feature advanced Bluetooth 5.3 for stable and fast connections. They will automatically enter pairing mode when removed from the charging case.

1. Ensure the earbuds are charged.
2. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for available Bluetooth devices and select "Boytond S30i" (or similar name) from the list.
5. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

Move Freely, Stay Secure Your Workout Companion

Fits Perfectly, Moves with You—No Slips, No Distractions
Perfect for Running, Yoga, or Strength Training
Designed for Active Lifestyles, Built for Comfort

3. OPERATION

3.1. Wearing the Earbuds

The S30i earbuds feature an open-ear, clip-on design for comfort and situational awareness. Gently clip each earbud onto your ear, ensuring the audio driver is positioned near your ear canal without entering it. The flexible design allows for a secure and comfortable fit for various ear shapes.

Figure 4: Illustration of the flexible clip-on design for a comfortable and secure fit.

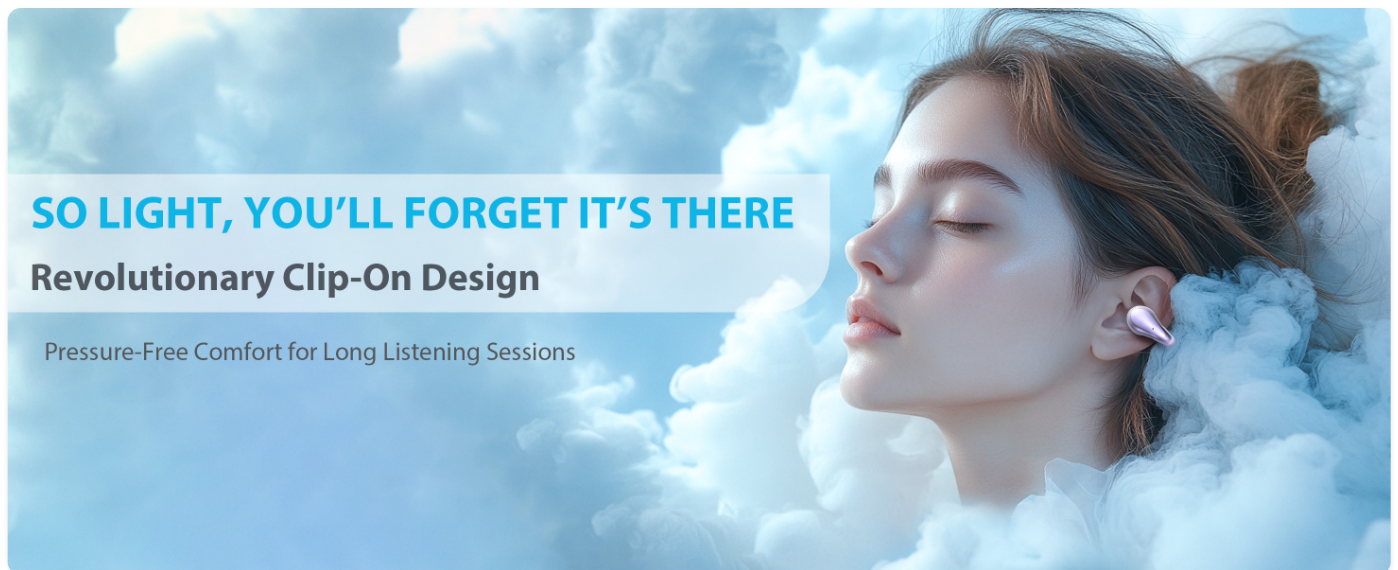

Figure 5: Comparison highlighting the comfort and pain-free design of the clip-on earbuds.

3.2. Touch Controls

The earbuds feature touch-sensitive controls on their surface. The following actions can be performed:

- **Answer Call:** Tap either earbud once (x1).
- **Hang Up Call:** Tap either earbud once (x1).
- **Play/Pause Music:** Tap either earbud once (x1).
- **Next Song:** Tap the right earbud twice (x2).
- **Previous Song:** Tap the left earbud three times (x3).

3.3. Audio Quality and Calls

Equipped with 16.3mm drivers and bone conduction technology, these earbuds deliver clear stereo sound. The design allows for environmental awareness while listening to audio. Crystal-clear call quality is supported by noise reduction technology.

Feel Every Note, Enjoy Every Beat

Open-ear Design for All-day Comfort and Effortless Listening
Relax, Listen, and Enjoy—Perfect for Home or Work
Engineered for Comfort, Made for You

4. MAINTENANCE

4.1. Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth to wipe the surfaces. Avoid using abrasive materials or harsh chemicals.

4.2. Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

4.3. Water Resistance

The earbuds feature a waterproof design, making them suitable for various activities. However, they are not designed for submersion in water. Avoid prolonged exposure to water and ensure they are dry before placing them back in the charging case.

5. TROUBLESHOOTING

If you encounter issues with your earbuds, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	<ul style="list-style-type: none">Ensure earbuds are charged.Place earbuds back in the case, close, then reopen to reset.Turn off and on Bluetooth on your device.Forget the device in your Bluetooth settings and try pairing again.
No sound or low volume	<ul style="list-style-type: none">Check device volume and earbud volume.Ensure earbuds are properly connected to your device.Clean any debris from the earbud's audio output area.

Problem	Possible Solution
Poor call quality (caller cannot hear me)	<p>Ensure the microphone is not obstructed.</p> <p>Move closer to your connected device.</p> <p>Check for environmental noise interference.</p> <p>Disconnect and reconnect the earbuds.</p>
Earbuds not charging	<p>Ensure the charging cable is securely connected.</p> <p>Verify the power source is active.</p> <p>Clean the charging contacts on both earbuds and the case.</p>
Uncomfortable fit or falling off	<p>Adjust the flexible clip to find a secure position on your ear.</p> <p>Ensure the earbuds are placed correctly as per the wearing instructions.</p>
