Keenz MOOV 2-Passenger All-Terrain Stroller Wagon Instruction Manual

Model: KEENZ-MOOV-2

Brand: Keenz

1. SETUP AND INITIAL ASSEMBLY

The Keenz MOOV 2-Passenger Stroller Wagon is designed for straightforward assembly. Follow these steps to prepare your wagon for use:

- Unpack all components from the packaging.
- Attach the wheels securely to the wagon frame. Ensure they click into place or are fastened according to the visual guides.
- Verify that all safety harnesses are correctly installed and can be adjusted smoothly.
- Confirm the push/pull handle mechanism operates without obstruction and locks into desired positions.

2. OPERATING INSTRUCTIONS

2.1 Seating and Safety

The wagon features two reclining padded seats with individual 5-point safety harnesses to ensure comfort and security for children.

- **Reclining Seats:** Adjust the seat recline to provide optimal comfort for your child.
- **5-Point Harnesses:** Always secure children using the 5-point harnesses. Ensure straps are snug but not too tight, and buckles are fully engaged.

2.2 Push or Pull Mobility System

The convertible handle design allows for flexible maneuvering, adapting to your preference for pushing or pulling the wagon.

- **Push Mode:** Utilize the higher handle for pushing, similar to a traditional stroller.
- **Pull Mode:** Adjust the handle to the lower position for comfortable pulling of the wagon.

2.4 Storage and Accessories

The wagon includes integrated storage solutions and accessories for enhanced convenience during outings.

- **Built-In Insulated Cooler Bin:** Keeps beverages and snacks cool.
- **Cup Holder:** Provides easy access for drinks.
- **Activity Tray:** Offers a stable surface for children's activities or snacks.
- **Additional Storage Compartments:** Various pockets and pouches are located around the wagon for storing essentials.

3. CARE AND MAINTENANCE

Proper care and maintenance will extend the life and functionality of your Keenz MOOV Stroller Wagon.

- **Cleaning Fabric:** For spot cleaning the Oxford fabric, use a mild soap and water solution. Allow all fabric components to air dry completely before folding or storing.
- **Cleaning Frame:** Wipe the alloy steel frame with a damp cloth to remove dirt and grime. Avoid abrasive cleaners.
- **Wheel Maintenance:** Periodically check the rubber wheels for wear, tear, or embedded debris. Remove any obstructions to ensure smooth rotation.
- **Harness Care:** Clean safety harnesses with a damp cloth and mild soap. Ensure they are thoroughly dry before re-use.
- **Storage:** When not in use, store the wagon in a dry, protected area away from direct sunlight and extreme temperatures.

4. TROUBLESHOOTING GUIDE

Refer to this guide for common issues and their solutions.

- **Wagon difficult to steer:** Check for debris lodged in the wheels. Ensure the wheels are properly attached and rotate freely. Verify that the push/pull handle is securely locked in position.
- **Harness not securing properly:** Inspect harness straps for any twists or damage. Ensure all buckles are fully engaged. Adjust the straps for a snug and secure fit on the child.
- **Folding mechanism stuck:** Ensure all safety latches or release buttons are disengaged as per the folding instructions. Check for any obstructions that might be preventing the frame from collapsing smoothly.
