sunvito S25

sunvito Sleep Earbuds S25 Instruction Manual

Model: S25 | Brand: sunvito

Introduction

Welcome to the sunvito Sleep Earbuds S25 instruction manual. This guide provides detailed information on how to set up, operate, maintain, and troubleshoot your new sleep earbuds. Designed for comfort and noise blocking, these earbuds are ideal for side sleepers and provide a stable Bluetooth 6.0 connection for an uninterrupted audio experience.

What's in the Box

- sunvito Sleep Earbuds (Left and Right)
- Charging Case with LED Display
- USB Charging Cable
- User Manual (this document)

Product Overview

The sunvito S25 Sleep Earbuds feature a compact, invisible design made from soft silicone for maximum comfort, especially for side sleepers. The accompanying charging case includes an LED display to show battery percentages for both the case and individual earbuds.

Figure 2: Close-up view of a single earbud, showcasing its small size and silicone construction.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB charging cable to the charging port on the case and a compatible USB power source. The LED display on the case will show the charging status and battery percentage. The earbuds will charge automatically when placed inside the case.

2. Bluetooth Pairing

1. Ensure the earbuds are in the charging case and the case is open.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "S25" from the list.
4. Once connected, you will hear an audio prompt "Connected" from the earbuds.
5. The earbuds will automatically reconnect to the last paired device when removed from the case and Bluetooth is enabled on the device.

Operating Instructions

1. Wearing the Earbuds

The sunvito S25 earbuds are designed to fit snugly and discreetly in your ears, making them comfortable for extended wear, especially for side sleepers. Gently insert each earbud into the corresponding ear (L for left, R for right) and adjust for a secure and comfortable fit. The soft silicone material ensures minimal pressure.

2. Touch Controls

The earbuds feature touch-sensitive controls for managing audio playback and calls. Specific functions may vary slightly depending on your device and application, but common controls include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.

- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud (if supported by your device).

3. Noise Blocking and Sound Isolation

The soft silicone ear tips provide passive noise isolation, effectively reducing external sounds to create a quiet listening environment. This feature is particularly beneficial for sleep, relaxation, or focused work.

Maintenance

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.
- **Avoid Water:** While designed for daily use, avoid submerging the earbuds or charging case in water.

Troubleshooting

Problem	Possible Solution
Earbuds not pairing	Ensure Bluetooth is enabled on your device and the earbuds are charged. Try forgetting "S25" from your device's Bluetooth list and re-pairing.
No sound from one earbud	Place both earbuds back in the case, close it, then open it again and remove them. Check device audio settings.
Charging case not charging	Verify the USB cable is securely connected to both the case and the power source. Try a different cable or power adapter.
Poor audio quality	Ensure earbuds are clean and properly seated in your ears. Move closer to your paired device to avoid interference.

Specifications

- **Brand:** sunvito
- **Model Number:** S25
- **Color:** Black
- **Ear Placement:** In Ear
- **Form Factor:** In Ear
- **Impedance:** 16 Ohms
- **Connectivity Technology:** Wireless (Bluetooth)
