

BITZEE 6077030

BITZEE Aquarium Interactive Fish Tank Toy & Digital Pet Instruction Manual

Model: 6077030

INTRODUCTION

Welcome to the world of Bitzee Aquarium! This interactive digital pet tank allows you to nurture and play with up to 30 virtual fish characters. The Bitzee Aquarium responds to your touch, offering a unique screen-free play experience. This manual provides essential information for setting up, operating, and maintaining your Bitzee Aquarium.

The Bitzee Aquarium includes a large display, interactive food pellets, and customizable LED lights. It is designed for children aged 5 and up.

PACKAGE CONTENTS

Before you begin, please ensure all items are present:

- 1 Bitzee Aquarium unit
- 5 Interactive Food Pellets
- 1 Quick Start Guide
- 1 Instruction Sheet
- 3 AA Batteries (pre-installed or included separately)

Refer to the included 'Quick Start Guide' and 'Instruction Sheet' for additional detailed directions.

SETUP

Battery Installation

The Bitzee Aquarium requires 3 AA batteries. These are typically included. If not, or if replacement is needed:

1. Locate the battery compartment on the underside of the Bitzee Aquarium.
2. Using a Phillips head screwdriver (not included), unscrew the battery compartment cover.
3. Insert 3 new AA batteries, ensuring correct polarity (+/-).

4. Replace the cover and secure it with the screw.

Initial Power On

Once batteries are installed, locate the power switch (usually on the back or bottom) and slide it to the "ON" position. The display will light up, and your virtual fish will appear.

OPERATING INSTRUCTIONS

Interacting with Your Digital Pets

The Bitzee Aquarium is designed for responsive play. You can interact with your virtual fish in several ways:

- **Touch Interaction:** Dip a finger into the tank or tap the display to get a reaction from your pets.
- **Dial Control:** Turn and push the dial located on the front of the unit to navigate menus, select actions, and play games.

Nurturing and Feeding

Your digital pets require care to grow. To feed them:

1. Locate the feeding slot on the top of the Bitzee Aquarium.
2. Drop one of the included interactive food pellets into the slot.
3. Observe as the pellet appears on the display, and your virtual fish will react.

Nurture your pets from baby to adult to unlock new characters.

NURTURE & FEED WITH 5 PELLETS

**Drop a food pellet into the tank and
watch it magically appear on the display!**

Unlocking Characters

The Bitzee Aquarium features 30 unique aquatic characters, including sea snails, sharks, seahorses, and mermaids. By nurturing your pets from baby to adult, you will unlock new characters to add to your collection.

Playing Games and Customization

Engage in mini-games to earn coins. These coins can be spent in the Bitzee Shop to unlock additional games, customize your aquarium's lighting, and discover surprise eggs and treasure chests.

- **Mini-Games:** Pop bubbles and play other games to earn in-game currency.
- **Shop:** Use earned coins to purchase new content.
- **Lighting Customization:** Personalize the ambient LED lights to change the mood and appearance of your aquarium.

Multiple Pets

You can interact with a single character or have up to 4 characters displayed in the aquarium at once.

PLAY WITH UP TO 4 PETS AT ONCE

Interact with a single pet or play with up to 4 characters on the large display!

MAINTENANCE

To ensure the longevity of your Bitzee Aquarium:

- Keep the unit clean by wiping it with a soft, dry cloth.

- Avoid exposing the unit to extreme temperatures or direct sunlight.
- Do not immerse the unit in water.
- Remove batteries if the toy will not be used for an extended period.

TROUBLESHOOTING

If you encounter any issues with your Bitzee Aquarium, please try the following steps:

- **No Power:** Ensure batteries are correctly installed and are not depleted. Replace with fresh AA batteries if necessary.
- **Unresponsive Screen:** Try turning the unit off and then on again. If the issue persists, replace the batteries.
- **General Malfunction:** Refer to the included 'Instruction Sheet' for specific troubleshooting tips. If the problem continues, contact customer support.
