## HOMAVO DC32

# HOMAVO Double Hammock with Wooden Stand (Model DC32)

Instruction Manual

## 1. PRODUCT OVERVIEW

The HOMAVO Double Hammock with Wooden Stand, Model DC32, offers a comfortable and stable relaxation solution for your indoor or outdoor spaces. Designed for one or two people, it features a robust Siberian larch wood stand and two interchangeable, machine-washable cotton blend hammocks. With a maximum load capacity of 200 kg, this hammock provides both durability and versatility.

## 2. SAFETY INFORMATION

- **Maximum Weight Capacity:** Do not exceed the maximum recommended weight of 200 kg (approximately 440 lbs). Overloading can cause damage and injury.
- **Stable Surface:** Always place the hammock stand on a flat, stable, and level surface to prevent tipping.
- **Regular Inspection:** Before each use, inspect all components, including the wooden stand, chains, hooks, and hammock fabric, for any signs of wear, damage, or loose connections. Do not use if any part is compromised.
- **Children and Pets:** Supervise children and pets around the hammock to ensure their safety.
- **Proper Entry/Exit:** Enter and exit the hammock carefully and slowly. Avoid sudden movements or jumping into the hammock.
- **Weather Conditions:** In adverse weather conditions (strong winds, heavy rain), disassemble the hammock or secure it properly to prevent damage or injury.

### 3. PACKAGE CONTENTS

---

Before assembly, ensure all parts are present and accounted for. Refer to the list below and the accompanying image.

- Wooden Hammock Stand Components
- 2 x Hammock Fabric (Cotton Blend)
- Mounting Hardware Kit (Galvanized hooks, steel chains, bolts, nuts, washers)
- Instruction Manual

*Image 3.1: All components included in the package.*

### 4. SETUP INSTRUCTIONS

---

Assembly of the HOMAVO Double Hammock with Wooden Stand is designed to be straightforward and typically takes about ten minutes with the included tools. No wall drilling is required.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all components are present as per Section 3.
2. **Assemble Base Sections:** Connect the curved wooden stand pieces to form the base. Ensure all bolts are securely tightened.
3. **Attach Support Legs:** Secure the support legs to the main curved frame using the provided hardware.
4. **Connect Top Arch:** Join the upper curved sections to complete the arch of the stand.
5. **Hang Hammock:** Attach the hammock fabric to the galvanized hooks on the stand using the steel chains. Adjust the chain length to achieve your desired hammock height and tension.

## Assemblage Facile

Le hamac HOMAVO nécessite un montage, mais toutes les pièces et outils sont fournis avec des instructions claires.

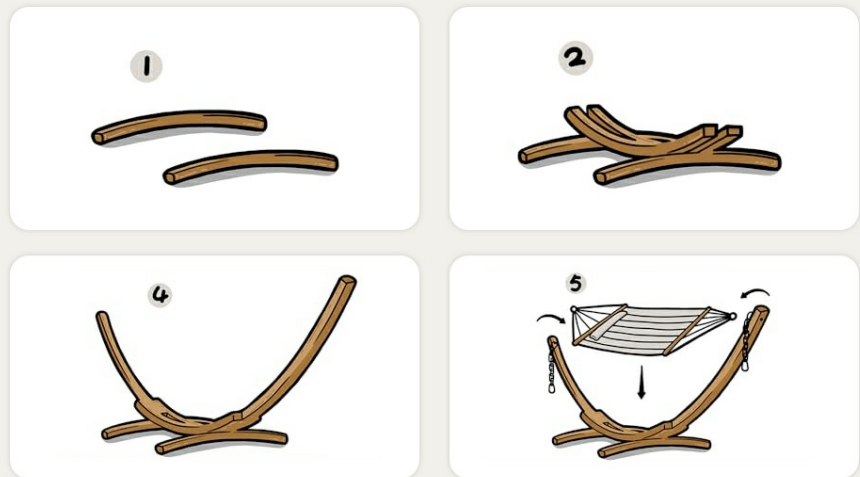

Image 4.1: Visual guide for hammock stand assembly.

The adjustable suspension system allows you to customize the hammock's height to suit your preference and comfort.

## 5. OPERATING INSTRUCTIONS

Using your HOMAVO Double Hammock is simple and designed for maximum relaxation.

- **Entering the Hammock:** Stand facing the hammock, gently sit down in the center, and then slowly recline. Distribute your weight evenly.
- **Exiting the Hammock:** Slowly sit up, place your feet on the ground, and stand up carefully.
- **Adjusting Height:** The hammock's height can be adjusted by changing the link on the steel chains connected to the stand's hooks. Ensure both sides are adjusted equally for balance.
- **Interchanging Hammocks:** The HOMAVO hammock comes with two interchangeable covers. To switch them, simply unhook the current hammock from the stand and attach the desired cover. This allows for seasonal changes or personal preference.

# Deux types de hamacs

Faciles à retirer et à remplacer pour un confort personnalisé

## 6. MAINTENANCE

Proper maintenance will extend the life and enjoyment of your HOMAVO Double Hammock.

- **Hammock Fabric Care:** The cotton blend hammock covers are machine washable. Use a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat. Do not bleach.

## Un confort durable

Image 6.1: Removable and washable hammock fabric.

- **Wooden Stand Care:** The Siberian larch wood is treated for outdoor use. To prolong its lifespan and maintain its appearance, it is recommended to store the stand indoors during prolonged periods of non-use or harsh weather, or use a protective cover. Periodically wipe the wood with a damp cloth and mild soap, then dry thoroughly.
- **Metal Components:** The galvanized hooks and steel chains are rust-resistant. However, regular inspection for any signs of corrosion or wear is advised. Clean with a damp cloth if necessary.

## Un confort durable

Image 6.2: Rust-resistant metal components.

- **Storage:** When not in use for extended periods, especially during winter months, disassemble the hammock and store all components in a dry, protected area.

## 7. TROUBLESHOOTING / FREQUENTLY ASKED QUESTIONS

### Q1: Can the hammock and stand be used separately?

A1: Yes, the stand is compatible with various hammocks, and the hammock fabric can be hung from any solid support or between two trees, provided it is secure and safe.

### Q2: Is the wooden stand difficult to assemble?

A2: No, all necessary components and tools are included. Simply follow the detailed instructions provided in Section 4 for quick and easy assembly.

### Q3: What is the stand made of?

A3: The stand is crafted from imported Siberian larch wood, which is known for its durability and natural beauty. It is treated for outdoor use. To extend its life, store it indoors or use a protective cover when not in use.
