URBAN ARMOR GEAR Pathfinder Clear Case Instruction Manual

For Samsung Galaxy S26 Plus

1. INTRODUCTION

Thank you for choosing the URBAN ARMOR GEAR (UAG) Pathfinder Clear Case for your Samsung Galaxy S26 Plus. This case is engineered to provide robust protection while maintaining full functionality and compatibility with magnetic charging. Please read this manual carefully to ensure proper installation and use of your new case.

What's Included:

- 1 x URBAN ARMOR GEAR Pathfinder Clear Case

2. PRODUCT FEATURES

The UAG Pathfinder Clear Case is designed with advanced features to protect your device:

- **Rugged Translucent Durability:** Features an elevated co-molded design, feather-light composite construction (translucent PC), a patented hard outer armor shell, an impact-resistant soft core, and torsion screw detail. The hex pattern core enhances shock absorption. Made with 25% recycled materials.
- **Magnetic Charging Compatible:** A powerful built-in magnet module ensures seamless attachment and faster wireless charging. Compatible with MagSafe, most third-party wireless chargers, and mounts. Supports Samsung Pay.
- **Enhanced Functionality:** A low-profile perimeter edge with traction grip surrounds provides secure handling. Enhanced corner protection is provided by tough TPU. Ultra-responsive oversized tactile buttons offer a crisp, clean click-feel. Integrated lanyard anchor points (lanyard not included) are available for on-the-go functionality. Precise cutouts allow easy access to the touchscreen, ports, and camera.
- **Screen & Camera Protection:** An elevated perimeter with a soft raised screen surround protects the screen, and a raised camera bezel protects the lens from scratches.
- **Military Grade Drop Protection:** Tested to withstand 18 ft. (5.4 meters) drops, meeting 3X Military drop-test standards (MIL-STD 810G 516.6).

3. SETUP AND INSTALLATION

Follow these steps to install your UAG Pathfinder Clear Case:

1. Ensure your Samsung Galaxy S26 Plus is clean and free of dust or debris.
2. Align the phone with the case, starting with the top edge.
3. Gently press the phone into the case, ensuring all corners and edges are securely seated. The case is designed for a snug fit.
4. Verify that all buttons (power, volume) and ports (charging, speakers) are accessible and functional.

Plus, indicating it is not compatible with the Ultra or standard S26 models.

4. OPERATING INSTRUCTIONS

4.1 Magnetic Charging

The integrated magnet module allows for convenient magnetic charging and accessory attachment:

- Place your Samsung Galaxy S26 Plus (with the case installed) onto a compatible MagSafe or magnetic wireless charger. The case's built-in magnets will align the phone correctly for optimal charging.
- For magnetic accessories (e.g., wallets, stands), simply attach them to the back of the case. The magnets will hold them securely in place.

module for seamless charging.

4.2 Button and Port Access

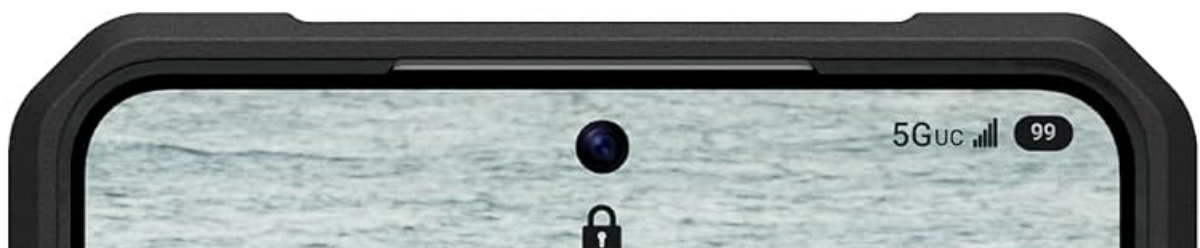

- The case features oversized tactile buttons for power and volume. Press them as you would the phone's native buttons.
- Precise cutouts ensure full access to the charging port, speakers, and camera without needing to remove the case.
- Integrated lanyard anchor points are located on the case. If desired, attach a compatible lanyard (not included) for additional carrying options.

5. MAINTENANCE

To keep your UAG Pathfinder Clear Case in optimal condition:

- Clean the case regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the case material or finish.
- If dust or debris accumulates between the phone and the case, remove the case and clean both surfaces before re-installing.

6. TROUBLESHOOTING

If you encounter any issues with your UAG Pathfinder Clear Case, consider the following:

- **Magnetic Charging Issues:** Ensure your wireless charger is compatible with magnetic charging. Verify that the phone and case are properly aligned on the charger. Remove any metal objects or cards between the phone and the charger.
- **Buttons Not Responding:** Check that the phone is fully seated in the case and that the case buttons are aligned with the phone's buttons.
- **Case Fit:** The case is designed for the Samsung Galaxy S26 Plus (6.7-inch model). Ensure you have the correct model.
