JUMMICO 6 Personen Set

JUMMICO Garden Dining Set Instruction Manual

Model: 6 Personen Set

1. INTRODUCTION

Thank you for choosing the JUMMICO Garden Dining Set. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INSTRUCTIONS

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all bolts, screws, and connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacities: **Table: 100 kg (220 lbs), Chair: 160 kg (350 lbs).**
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Avoid standing on the table or chairs.
- Place the furniture on a flat, stable surface to prevent tipping.
- Do not expose the furniture to extreme heat sources or open flames.
- In strong winds, secure the furniture or move it to a sheltered location to prevent damage or injury.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- 1 x Dining Table
- 4, 6, or 8 x Dining Chairs (depending on your purchased set configuration)
- Assembly Hardware (screws, bolts, washers, Allen key)
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly is required for this garden dining set. It is recommended that two adults assemble the furniture. Please follow the steps below carefully.

4.1 Table Assembly

1. Unpack all table components and lay them on a soft, clean surface.
2. Attach the table legs to the tabletop frame using the provided bolts and washers. Ensure all connections are finger-tightened first.
3. Secure the crossbars (if applicable) between the table legs for added stability.
4. Once all components are in place, fully tighten all bolts with the Allen key. Do not overtighten.
5. Carefully turn the table upright.

Multiple Steel Tubes for Enhanced Sturdiness

4.2 Chair Assembly

1. Unpack all chair components for one chair.
2. Attach the backrest and seat panels to the chair frame using the provided hardware.
3. Connect the armrests (if applicable) to the chair frame.
4. Ensure all connections are finger-tightened before fully tightening with the Allen key.
5. Repeat for all remaining chairs.

Image: Product Dimensions and Capacities. This diagram provides key measurements for both the table (189cm length, 80cm width, 74cm height) and a single chair (84cm height, 50cm width, 57.5cm depth). It also indicates the maximum load capacities: 100 kg for the table and 160 kg for each chair.

5. OPERATING INSTRUCTIONS (USAGE)

The JUMMICO Garden Dining Set is designed for outdoor use, perfect for gardens, patios, and poolside areas.

- **Placement:** Position the set on a level, stable surface.
- **Weight Capacity:** Adhere strictly to the maximum weight limits: 100 kg for the table and 160 kg per chair.
- **Outdoor Use:** This furniture is resistant to weather conditions, making it suitable for year-round outdoor enjoyment.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your JUMMICO Garden Dining Set.

6.1 Cleaning

- The aluminum frame and PS plastic board surfaces are designed for easy cleaning.
- Wipe down regularly with a soft cloth dampened with mild soap and water.
- Avoid using harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the finish.
- Rinse thoroughly with clean water and dry completely to prevent water spots.

6.2 Weather Resistance

- The set is robust and resistant to various weather conditions.
- The design helps prevent water accumulation, reducing the risk of damage from standing water.

- For prolonged periods of non-use or during extreme weather, consider using a protective cover or storing the furniture indoors to maximize its lifespan.

Key features highlighted include an aluminum structure combined with PS plastic board, design elements that prevent water accumulation, ease of cleaning, and overall robust construction.

7. TROUBLESHOOTING

If you encounter any issues with your garden dining set, please refer to the following common solutions:

- **Wobbly Table/Chairs:** Check all assembly bolts and screws. Re-tighten any loose connections. Ensure the furniture is placed on a completely flat and even surface.
- **Scratches/Minor Damage:** For minor scratches on the aluminum frame, touch-up paint designed for outdoor metal furniture may be used. For PS plastic board, minor scuffs can sometimes be buffed out with a plastic-specific polish.
- **Stains:** For stubborn stains, a slightly stronger, non-abrasive cleaner suitable for outdoor furniture can be used, followed by thorough rinsing. Always test on an inconspicuous area first.
- **Discoloration:** While resistant, prolonged exposure to direct sunlight can cause slight fading over many years. Using a protective cover when not in use can help mitigate this.
