GAOMON FYY-LH231213001

GAOMON 22.4" Counter Height Bar Stools (Set of 4) Instruction Manual

Model: FYY-LH231213001

1. INTRODUCTION

Thank you for choosing GAOMON 22.4" Counter Height Bar Stools. This manual provides essential information for the safe assembly, proper use, and maintenance of your new bar stools. Please read these instructions carefully before assembly and retain them for future reference.

A full view of the GAOMON bar stool, showcasing its brown upholstered seat, black metal frame, and distinctive X-design backrest. This stool is designed for counter height use.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds (136 kg) per stool. Exceeding this limit may result in damage to the stool or personal injury.
- **Assembly:** Always follow the assembly instructions carefully to ensure the stability and safety of the stool. Improper assembly can lead to instability and potential hazards.
- **Stability:** Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners to maintain stability.
- **Placement:** Place stools on a flat, level surface to prevent wobbling or tipping.
- **Children:** Supervise children when they are using the stools to prevent accidents.

This diagram illustrates the key measurements of the bar stool, such as its overall height of 37.8 inches, seat dimensions of 16.14 x 16.14 inches, and a footrest height of 7.5 inches. It also highlights the maximum weight capacity of 300 pounds, emphasizing the stool's sturdy construction.

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Seat (PU Upholstered)
- Backrest (X-Design)
- Leg Frames (Front and Rear)
- Footrest Bars
- Hardware Kit (Screws, Washers, Allen Wrench)
- Assembly Instructions Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for these bar stools. Each kitchen stool comes with a detailed instruction manual and all necessary assembly kits. Please follow the step-by-step guide provided in the separate assembly instructions included in your package. Typically, assembly involves:

1. Unpacking all components and verifying against the parts list.
2. Attaching the backrest to the seat frame.
3. Connecting the leg frames to the seat assembly.
4. Securing the footrest bars between the leg frames.
5. Tightening all screws and bolts firmly, but do not overtighten.
6. Ensuring the stool is stable and level before use.

This image showcases the design elements contributing to the stool's comfort and durability, including the ergonomic backrest, high-density sponge seat, sturdy metal footrest, and solid metal frame.

5. OPERATING INSTRUCTIONS (USAGE)

Your GAOMON bar stools are designed for comfortable seating at counter height surfaces such as kitchen islands, home bars, or dining areas. The wide and cozy seat, upholstered in premium PU leather and padded with high-density sponge, provides a comfortable seating experience suitable for extended periods.

- **Seating:** Sit centrally on the seat to distribute weight evenly.
- **Footrest:** Utilize the sturdy metal footrest for added comfort and support, especially during prolonged sitting.
- **Ergonomic Backrest:** The ergonomic backrest provides support for your lower back, promoting a comfortable posture.

This close-up image emphasizes the spacious 16.14 x 16.14 inch seat, upholstered in brown PU leather and padded with high-density sponge, designed for comfortable seating.

6. MAINTENANCE AND CARE

- **Cleaning:** The waterproof PU leather surface allows for effortless cleaning. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** Clean the metal frame with a soft, dry cloth. Avoid prolonged exposure to moisture.

- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack over time.

7. TROUBLESHOOTING

If you encounter any issues with your bar stools, please refer to the following common solutions:

Problem	Possible Cause	Solution
Stool is wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Ensure the stool is on a flat surface.
Parts do not fit together during assembly.	Incorrect orientation of parts; manufacturing defect.	Review the assembly instructions carefully. Ensure parts are oriented correctly. If issue persists, contact customer support.
Squeaking noise.	Loose connections.	Tighten all screws and bolts.
