

## AmzBoom MSWJ-500C

# AmzBoom MSWJ-500C Portable Fire Extinguisher 3-Pack Instruction Manual

Model: MSWJ-500C | Brand: AmzBoom

## INTRODUCTION

---

This manual provides essential information for the safe and effective use of your AmzBoom MSWJ-500C Portable Fire Extinguisher 3-Pack. Designed for versatility, these compact aerosol spray extinguishers are suitable for various environments including homes, cars, kitchens, and boats, capable of handling Class A, B, C, and K fires. Please read these instructions carefully before use and keep this manual for future reference.

## SAFETY INFORMATION

---

Always prioritize personal safety. Ensure you have a clear escape route before attempting to extinguish a fire. For large or rapidly spreading fires, evacuate immediately and call emergency services. These extinguishers are designed for small, incipient fires.

- **Non-Toxic and Residue-Free:** The water-based solution is made from non-toxic, eco-friendly ingredients, leaving no residue, making cleanup safe around children and pets.
- **Storage:** Store in an easily accessible location, away from extreme temperatures and direct sunlight.
- **Avoid Exposure:** Do not expose the extinguisher to temperatures below -4°F (-20°C) or above 131°F (55°C).
- **Eye Contact:** If extinguishing agent gets into the eyes, flush with clean water.

# Safe and Non-Toxic

Safe Ingredients do not Damage and Pollute the Environment  
and do not Harm the Human Body

## PRODUCT FEATURES

- **Compact and Portable:** Lightweight design (approximately 3.72 pounds) and compact dimensions (2.6 x 2.6 x 10 inches) allow for easy storage in glove boxes, kitchen cabinets, or emergency kits.
- **Versatile Fire Suppression:** Effective against Class A (common combustibles), B (flammable liquids & gases), C (energized electrical equipment), and K (kitchen grease fires) fires.
- **Quick Activation:** Simple press-and-spray mechanism for fast response.
- **Mounting Brackets:** Each extinguisher includes a sturdy mounting bracket and screws for secure and accessible placement.
- **Long Shelf Life:** Designed with a 6-year shelf life for long-term readiness.

# 3X Usage Time

Image: Size comparison of the AmzBoom portable fire extinguisher with a larger, traditional unit, emphasizing its compact design.

## SETUP AND INSTALLATION

The AmzBoom fire extinguishers come with mounting brackets for convenient placement. Choose a location that is easily accessible in case of a fire, such as near a kitchen, garage, or in a vehicle.

1. Select a suitable mounting location.
2. Use the provided screws to securely attach the mounting bracket to a wall or other stable surface.
3. Insert the fire extinguisher into the bracket, ensuring it is held firmly but can be easily removed in an emergency.

Image: Packaging list showing three fire extinguishers, three mounting brackets, and six stainless steel self-tapping screws, illustrating the components for setup.

## OPERATING INSTRUCTIONS

In the event of a small fire, follow these steps:

1. **Pull out the Safety Latch:** Locate the yellow safety latch on the top of the extinguisher and pull it out to unlock the spray mechanism.
2. **Aim for the Bottom of the Fire:** Point the nozzle at the base of the fire, not the flames.
3. **Press Button and Spray:** Press the button firmly to release the extinguishing agent. Sweep the spray from side to side, covering the entire base of the fire until it is completely extinguished.

## FIRE CLASSIFICATIONS

The AmzBoom MSWJ-500C Portable Fire Extinguisher is designed to combat multiple types of fires:

- **Class A:** Common combustibles like wood, paper, cloth, and plastics.
- **Class B:** Flammable liquids and gases such as gasoline, oil, paint, and propane.
- **Class C:** Energized electrical equipment.
- **Class K:** Kitchen grease fires involving cooking oils and fats.

# New-Gen Fire Safety

## Lightweight, Quick and Built for Every Scenario

**A** Common Combustibles

**B** Flammable Liquids & Gases

**C** Energized Electrical Equipment

**K** Kitchen Grease Fires

## MAINTENANCE

Proper maintenance ensures your fire extinguisher is ready when needed.

- **Shelf Life:** The extinguisher has a shelf life of 6 years. Check the expiration date printed on the bottom of the can.
- **Regular Inspection:** Periodically inspect the extinguisher for any signs of damage, corrosion, or leakage. Ensure the nozzle is clear and the safety latch is intact.

- **Storage Conditions:** Keep the extinguisher in a dry place, within the recommended temperature range of -4°F to 131°F (-20°C to 55°C).

## TROUBLESHOOTING

While these fire extinguishers are designed for reliability, here are some general points:

- **No Spray:** Ensure the yellow safety latch has been fully removed. Check for any obstructions in the nozzle.
- **Low Pressure:** If the extinguisher feels light or does not spray with adequate force, it may be depleted or compromised. Replace immediately.
- **Damage:** If the can is dented, corroded, or shows any signs of damage, do not attempt to use it. Replace the unit.

For any issues not covered here, refer to the warranty and support section.
