2. IMPORTANT SAFETY INFORMATION

To prevent injury and damage to the product, adhere to the following safety guidelines:

- **Adult Assembly Required:** This product requires assembly by adults. Keep children away from the assembly area.
- **Use Anti-Tip Kit:** Always install the included anti-tip kit to secure the dresser to a wall. This prevents accidental tipping, which can cause serious injury or death.

- **Handle with Care:** During assembly, handle all parts carefully to avoid scratches or damage.

2.1. Anti-Tip Device Installation

The anti-tip kit is crucial for safety. Follow these steps to install it:

1. Locate the anti-tip bracket and screws in the accessory kit.
2. Attach one bracket to the back top edge of the dresser using the provided screws.
3. Position the dresser against the wall in its final location. Mark the wall through the bracket hole.
4. Drill a pilot hole at the marked spot on the wall. Insert a wall anchor if necessary (depending on wall material).
