

MT003

# Generic MT003 Motorcycle Riding Goggles User Manual

Model: MT003

## 1. INTRODUCTION

The Generic MT003 Motorcycle Riding Goggles are designed to provide eye protection and enhance visual clarity during outdoor sports and motorcycle riding. This manual provides essential information on the proper use, maintenance, and care of your goggles to ensure optimal performance and longevity.

## 2. PRODUCT OVERVIEW

### 2.1 Key Features

- **Abrasion Resistant Lenses:** Designed to withstand scratches and impacts.
- **Adjustable Headband:** Ensures a secure and comfortable fit for various head sizes.
- **Anti-Fog Technology:** Reduces lens fogging in varying conditions.
- **Anti-Glare Properties:** Minimizes glare for improved visibility.
- **Anti-Static Design:** Helps prevent dust accumulation.
- **Detachable Components:** Allows for easier cleaning and maintenance.
- **Dust Resistant:** Protects eyes from dust and debris.
- **Windproof:** Shields eyes from wind during high-speed activities.
- **UV400 Protection:** Blocks harmful UVA and UVB rays.
- **Durable TPU Frame:** Made from flexible and impact-resistant thermoplastic polyurethane.
- **Ventilation System:** Promotes airflow to prevent fogging.

### 2.2 Included Components

The product package includes the following items:

- 1 x Goggles
- 1 x Pouch
- 1 x Cleaning Rag

## NO.1 HD PC LENS

The lenses have high resistance impact, anti-scratch, windproof and UV protection

Figure 4: Detail of the HD PC Lens, highlighting its high resistance to impact, anti-scratch properties, windproof design, and UV protection. The image shows a clear view through the lens.

## NO.2 IMPACT-RESISTANT FRAME

Made of TPU material with strong toughness

Figure 5: Illustration of the impact-resistant frame made from TPU material, demonstrating its strong toughness and flexibility.

### 3. SETUP

1. **Unpack:** Carefully remove the goggles, pouch, and cleaning rag from the packaging.
2. **Inspect:** Before first use, inspect the goggles for any signs of damage or manufacturing defects. Ensure the lens is securely seated in the frame and the strap is intact.
3. **Adjust Headband:** Place the goggles on your face. Adjust the elastic headband by sliding the buckles on either side until the goggles fit snugly and comfortably around your head or helmet. The fit should be secure enough to prevent movement during activity but not so tight as to cause discomfort.
4. **Check Vision:** Ensure your vision is clear and unobstructed through the lenses.

### 4. OPERATING INSTRUCTIONS

1. **Wearing the Goggles:**
  - Position the goggles over your eyes, ensuring the foam padding rests comfortably against your face.
  - If wearing a helmet, place the goggles over the helmet, ensuring the strap is positioned securely around the helmet.
2. **Visibility:** The blue lenses are designed to enhance contrast and reduce glare in various light

conditions, making them suitable for outdoor sports.

3. **Anti-Fogging:** The integrated ventilation system helps to minimize fogging. Avoid touching the inner surface of the lens, as this can compromise the anti-fog coating.
4. **UV Protection:** The lenses provide UV400 protection, shielding your eyes from harmful ultraviolet rays during prolonged outdoor exposure.

## 5. MAINTENANCE

---

### 5.1 Cleaning the Lenses

- Use the provided cleaning rag or a soft, lint-free cloth to gently wipe the outer surface of the lenses.
- For stubborn dirt or smudges, lightly dampen the cloth with clean water. Do not use harsh chemicals, abrasive cleaners, or paper towels, as these can damage the lens coatings.
- Avoid wiping the inner surface of the lens unless absolutely necessary, as it has an anti-fog coating that can be damaged by rubbing. If cleaning is required, gently dab with a soft, damp cloth.

### 5.2 Cleaning the Frame and Strap

- Wipe the frame and strap with a damp cloth and mild soap if necessary. Rinse thoroughly with clean water.
- Allow all components to air dry completely before storage.

### 5.3 Storage

- Store the goggles in the provided pouch when not in use to protect them from scratches and dust.
- Keep the goggles in a cool, dry place away from direct sunlight and extreme temperatures.

## 6. TROUBLESHOOTING

---

- **Goggles are fogging up:**
  - Ensure the ventilation system is not obstructed.
  - Avoid excessive physical exertion that leads to heavy sweating, which can overwhelm the anti-fog system.
  - Do not wipe the inside of the lens, as this can damage the anti-fog coating.
- **Goggles feel uncomfortable or loose:**
  - Adjust the elastic headband using the buckles until a snug and comfortable fit is achieved.
  - Ensure the foam padding is evenly seated against your face.
- **Scratches on the lens:**
  - Always store the goggles in the provided pouch when not in use.
  - Clean lenses only with the provided cleaning rag or a soft, lint-free cloth.

## 7. SPECIFICATIONS

---
