BEAST B85MSH-BE-US

BEAST Mighty 850 Stainless Steel Personal Blender

Model: B85MSH-BE-US | Brand: BEAST

INTRODUCTION

The BEAST Mighty 850 is a compact personal blender designed for daily use, offering 850 watts of power. This appliance is suitable for preparing smoothies, shakes, sauces, and dips. Its design incorporates premium materials for efficient blending of various ingredients. The Mighty 850 includes multiple blending vessels, including a 700mL stainless steel vessel and Tritan vessels, along with a convenient Blend-Sip-Go system for portability.

IMPORTANT SAFETY INFORMATION

Please read all instructions before operating the BEAST Mighty 850 Personal Blender. Failure to follow these safety guidelines may result in injury or damage to the appliance.

- Always unplug the blender from the power outlet when not in use, before assembling or disassembling parts, and before cleaning.
- Do not immerse the blender base, cord, or plug in water or other liquids.
- Keep hands and utensils out of the blending vessel while blending to prevent personal injury and damage to the blender.
- Ensure the blade assembly is securely tightened onto the vessel before placing it on the motor base.
- Do not blend hot liquids, as pressure buildup can cause the vessel to burst and result in injury.
- Avoid blending dry ingredients without sufficient liquid, as this can damage the motor.
- Do not operate the blender with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- Supervise children closely when the appliance is in use.

WHAT'S INCLUDED

Your BEAST Mighty 850 Personal Blender package includes the following components:

- 850W Beast Mighty Blender Base
- Stainless Steel Blade Assembly
- 700mL Stainless Steel Blending Vessel
- 785mL Tritan Blending Vessel
- 415mL Tritan Blending Vessel
- 2x Storage Lids
- Drinking Lid
- Carry Cap
- Straw Cap
- 2x Straws

Image: All components of the BEAST Mighty 850 Personal Blender, including the base, blade, various vessels, and lids. The 700mL Stainless Steel Blending Vessel is designed to keep contents cold for up to 12 hours, offering a non-toxic, non-reactive, non-porous, BPA-/BPS-free blending environment. The Tritan blending vessels feature patented ribbing for increased turbulence and smoother blends.

Versatile

The Mighty 850 comes
with **3 Blending Vessels**
for a range of jobs.

700mL
304 Grade Stainless Steel

785mL
BPA/BPS-Free Tritan™

415mL
BPA/BPS-Free Tritan™

SETUP

1. **Unpack Components:** Carefully remove all parts from the packaging. Retain packaging for future storage or transport.
2. **Wash Parts:** Before first use, wash all blending vessels, lids, and the blade assembly in warm, soapy water. Rinse thoroughly and dry. The blender base should only be wiped clean with a damp cloth.
3. **Position Blender:** Place the blender base on a clean, dry, and stable surface. Ensure the power cord is not obstructed.

OPERATING INSTRUCTIONS

Follow these steps for safe and effective blending:

1. **Add Ingredients:** Fill your chosen blending vessel with ingredients. For best results, add liquids first, followed by soft ingredients, then harder ingredients and ice. Do not overfill past the MAX fill line.
2. **Attach Blade Assembly:** Screw the stainless steel blade assembly firmly onto the open end of the blending vessel until it is tightly sealed.

3. **Place on Base:** Invert the vessel and blade assembly, then place it onto the blender base. Align the tabs on the vessel with the slots on the base and twist clockwise until it locks into place.
4. **Start Blending:** Press the power button on the front of the blender base. The Mighty 850 features an automatic 1-minute blend cycle. You can also pulse by pressing and holding the button for shorter bursts.
5. **Remove Vessel:** Once blending is complete, twist the vessel counter-clockwise to unlock it from the base, then lift it off.
6. **Serve or Store:** Unscrew the blade assembly. You can then attach a drinking lid, carry cap, or storage lid to the vessel for immediate consumption or storage.

Simple

One button does it all.

Pulse or Hold + Release for
a 1-minute blend cycle

*Automatic stop-and-go for optimal texture

CLEANING AND MAINTENANCE

Proper cleaning ensures the longevity and hygiene of your blender.

- **Dishwasher Safe Parts:** All parts of the BEAST Mighty 850, except for the blender base, are dishwasher-safe. Place them on the top rack for cleaning.
- **Hand Washing:** For hand washing, use warm, soapy water and a non-abrasive sponge or brush. Be cautious when cleaning the blade assembly due to sharp edges.
- **Blender Base:** Wipe the blender base with a damp cloth. Do not immerse the base in water or spray it with liquids. Ensure the base is completely dry before storing or next use.
- **Storage:** Store the blender and its components in a clean, dry place.

TROUBLESHOOTING

If you encounter issues with your BEAST Mighty 850, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Blender does not start	Not plugged in; Vessel not properly seated; Overload protection activated.	Ensure power cord is securely plugged in. Twist vessel clockwise until it locks into place. Unplug, remove some ingredients, wait 15 minutes, then try again.
Ingredients not blending smoothly	Too little liquid; Too many hard ingredients; Ingredients stuck.	Add more liquid. Reduce the amount of hard ingredients. Remove vessel, shake, and re-attach to continue blending.
Leakage from vessel	Blade assembly not tightened; Vessel overfilled.	Ensure blade assembly is securely screwed onto the vessel. Do not fill past the MAX fill line.
Unusual noise or odor	Overload; Foreign object in blade.	Stop blending immediately. Unplug the unit. Check for obstructions. If odor persists, contact customer support.

If the problem persists after attempting these solutions, please contact BEAST customer support.

SPECIFICATIONS

- **Brand:** BEAST
- **Model Number:** B85MSH-BE-US
- **Power:** 850 watts
- **Capacity:** 700mL (Stainless Steel Vessel), 785mL (Tritan Vessel), 415mL (Tritan Vessel)
- **Product Dimensions:** 4"D x 4"W x 15"H
- **Material:** Stainless Steel, Tritan
