Key Assembly Steps:

1. **Prepare Components:** Unpack all parts and verify against the parts list (refer to the video for visual identification of numbered parts). Ensure all hardware is present.
2. **Assemble Storage Headboard:** Begin by connecting the main panels of the storage headboard. Pay attention to groove lines and ensure proper alignment. Secure with screws as indicated.
3. **Attach Side Shelving Units:** Connect the metal frames for the side shelving units to the main headboard structure. Ensure holes face upwards for proper shelf placement.
4. **Install LED Lights:** Carefully route and secure the LED light strips within the designated channels of the headboard. Connect the power supply.

8. **Final Checks:** Double-check all screws and connections to ensure stability and safety.

Operating Instructions

Smart LED Lights

The integrated LED lights offer various colors and patterns. Control is available via a dedicated mobile application. Features include:

- **Color and Pattern Adjustment:** Select from a wide range of colors and dynamic lighting patterns.
- **Music Mode:** Lights can synchronize with music played through the app.
- **Voice Control:** Adjust settings using voice commands through the app.
- **Timing Modes:** Schedule lights to turn on or off at specific times.

Refer to the LED light controller's specific instructions for app download and pairing procedures.

Charging Station

The bedside charging station includes two standard AC outlets and two USB ports. It is designed for convenient charging of electronic devices such as phones, tablets, and headphones while in bed.

- **AC Outlets:** Use for devices requiring standard wall power.
- **USB Ports:** Use for devices that charge via USB cable.

Caution: Do not overload the charging station. Ensure devices are compatible with the provided power output.

Storage Drawers

The two under-bed drawers are equipped with smooth wheels for easy opening and closing. Each drawer features a closing buckle to prevent accidental opening.

- **Usage:** Ideal for storing bedding, clothing, books, or other personal items.
- **Security:** The closing buckle helps keep contents secure and drawers neatly closed.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Tighten as necessary to maintain stability.
- **Weight Capacity:** Adhere to the maximum weight recommendation of 1000 pounds to prevent structural damage.
- **LED Lights:** If LED lights malfunction, check connections. If issues persist, contact customer support.

Troubleshooting

Problem	Possible Cause	Solution
Bed frame feels unstable or wobbly.	Loose screws or connections.	Inspect all assembly points and tighten any loose screws. Ensure all parts are correctly aligned.
LED lights are not working.	Power connection issue, app not connected, or faulty strip.	Check if the power adapter is securely plugged in. Verify app connection and settings. If still not working, contact support.

Problem	Possible Cause	Solution
Charging station not providing power.	Power cable disconnected or outlet issue.	Ensure the charging station's power cable is fully plugged into a working wall outlet. Test with another device.
Drawers are difficult to open/close.	Obstruction, misaligned wheels, or overloaded.	Check for items blocking the drawer path. Ensure wheels are properly seated in their tracks. Reduce load if overloaded.
