CABIHOME 60-inch Farmhouse Office Desk User Manual

Model: 7BQR6P9ACDD3yCVMz2iQPANEEq

INTRODUCTION

Thank you for choosing the CABIHOME 60-inch Farmhouse Office Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

Important Safety Information

- Always follow assembly instructions precisely.
- Ensure all fasteners are securely tightened before use.
- Do not overload the desk or drawers. The desk supports up to 400 lbs.
- Keep small parts away from children during assembly.
- The built-in power board includes overload and leakage protection. Do not attempt to bypass or modify these safety features.
- Use only in dry indoor environments.

PACKAGE CONTENTS

Your CABIHOME 60-inch Farmhouse Office Desk will be delivered in two separate boxes. It is important to receive both packages before beginning assembly. Please verify all components against the included parts list (not provided in this manual, refer to physical manual) to ensure nothing is missing.

You Will Receive 2 Boxes

Sometimes the boxes don't arrive at the same time,
Please assemble them after receiving both packages

SETUP AND ASSEMBLY

Assembly of the CABIHOME Farmhouse Office Desk is designed to be straightforward. All necessary tools and clear instructions are included with your product. Please follow the step-by-step guide provided in your physical assembly manual for detailed instructions.

General Assembly Tips:

- Clear a spacious area for assembly.
- Organize all parts and hardware before starting.
- Do not overtighten screws to avoid damaging the wood.
- Seek assistance for lifting heavy components.

OPERATING INSTRUCTIONS

Integrated Charging Station

The desk features a built-in charging station to power your electronic devices. It includes two USB ports and two AC outlets. Simply plug the desk's power cord into a wall outlet, then connect your devices to the integrated ports.

- **USB Ports:** 5V/2.1A output for charging smartphones, tablets, and other USB-powered devices.
- **AC Outlets:** 125V/12A output for laptops, monitors, and other standard electrical appliances.
- **Maximum Power:** The charging station supports a maximum power output of 1500W.
- **Safety Features:** Equipped with overload and leakage protection for safe operation.

Convenient Charging Station

Image: Detailed view of the power outlets and USB ports.

Storage and Drawers

The desk provides ample storage with a cabinet and multiple drawers designed for organization.

- **Cabinet Storage:** A large cabinet with a door and an adjustable shelf provides flexible storage for larger items or office supplies.
- **Standard Drawers:** Four standard drawers offer space for smaller items, stationery, and personal belongings.
- **File Drawer:** One large full-extension file drawer is designed to accommodate legal, letter, and A4-sized documents. It features silent-close slides and a reinforced back panel for secure and easy access to your important papers.

MAINTENANCE

To ensure the longevity and appearance of your CABIHOME Farmhouse Office Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they can damage the laminated finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Protection:** Use coasters for drinks and placemats for hot items to protect the desk surface.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk feels wobbly.	Loose fasteners. Uneven floor.	Check and tighten all screws. Adjust leg levelers if present, or place shims under legs on uneven surfaces.
Drawers do not slide smoothly.	Obstruction in slides. Misaligned drawer.	Inspect drawer slides for debris. Ensure the drawer is correctly seated on the slides.
Charging station not working.	Desk not plugged in. Overload protection triggered. Device cable faulty.	Ensure the desk's power cord is securely plugged into a functional wall outlet. Unplug devices, wait a moment, and plug them back in to reset overload protection. Try a different device cable.

SPECIFICATIONS

Feature	Detail
Brand	CABIHOME
Model Number	7BQR6P9ACDD3yCVMz2iQPANEEq
Product Dimensions (D x W x H)	60"D x 21.3"W x 30"H
