6. Maintenance

Proper maintenance will ensure the longevity and appearance of your vanity desk.

- **Cleaning the Surface:** Wipe the vanity desk surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a soft, lint-free cloth to clean the LED mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electrical components.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the wood finish.
- **Check Connections:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

7. Troubleshooting
