IDEALHOUSE Dresser-1202

IDEALHOUSE Black 5-Drawer Dresser Instruction Manual

Model: Dresser-1202

INTRODUCTION

Thank you for choosing the IDEALHOUSE Black 5-Drawer Dresser. This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

This tall dresser features five generously sized drawers, designed to provide ample storage for clothes, accessories, and other personal items. Its elegant design, complemented by round metal knobs and a black lacquer finish, makes it a versatile addition to various home decor styles, suitable for bedrooms, living rooms, closets, or hallways.

SETUP AND ASSEMBLY

The IDEALHOUSE 5-Drawer Dresser is designed for straightforward assembly. All necessary hardware and detailed step-by-step instructions are included in the product packaging. Please ensure all components are present before you begin.

- **Unpack Carefully:** Lay out all parts on a clean, soft surface to prevent scratches.
- **Identify Components:** Match each part to the corresponding diagram in the included assembly guide.
- **Follow Instructions:** Adhere strictly to the numbered steps in the assembly manual.
- **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened for stability, but do not overtighten.
- **Safety First:** Consider assembling with another person for easier handling and safety.

Smooth Slide Rail

Spacious Drawer

Exquisite Knobs

Sturdy Wood Legs

Image: Close-up details highlighting the smooth slide rails for drawers, the spacious interior of a drawer, the design of the metal knobs, and the sturdy wooden legs, all contributing to the dresser's quality construction.

The dresser is constructed from high-quality engineered wood (MDF) and features robust wooden legs, ensuring durability and stability once assembled correctly.

OPERATING INSTRUCTIONS

Your IDEALHOUSE 5-Drawer Dresser is designed for convenient and efficient storage. Each drawer operates on smooth sliding rails, allowing for effortless opening and closing.

- **Drawer Capacity:** Each drawer's interior measures approximately 25.4 inches (width) x 11.9 inches (depth) x 5.2 inches (height), providing ample space for various items.
- **Smooth Operation:** Gently pull or push the round metal knobs to open and close the drawers. Avoid forcing drawers if they encounter resistance.
- **Weight Distribution:** Distribute items evenly within the drawers to maintain balance and prevent strain on the drawer slides. The dresser has a load capacity of 200 lbs for the top surface.

MAINTENANCE

To ensure the longevity and appearance of your IDEALHOUSE dresser, follow these simple maintenance guidelines:

- **Cleaning:** The smooth lacquered surface makes cleaning easy. Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent moisture damage or staining.
- **Protection:** Use coasters or mats under hot or wet items placed on the top surface to prevent marks.
- **Inspection:** Periodically check all fasteners and tighten if necessary to maintain structural integrity.
- **Environmental Conditions:** Avoid placing the dresser in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable room temperature and humidity.

Quality MDF Material

No rotting

No rusting

No denting

Light weight

Easy cleaning

Easy assembly

Ageing resistant

Corrosion resistant

All weather resistant

TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check for any obstructions in the drawer slides. Ensure the slides are clean and free of debris. Verify that the drawer is correctly aligned on its tracks.
- **Dresser feels wobbly:** Re-check all assembly screws and tighten any that are loose. Ensure the dresser is placed on a flat, level surface. If necessary, use furniture levelers (not included) under the legs.
- **Minor scratches or blemishes:** For small imperfections, a furniture repair marker or touch-up paint matching the black lacquer finish can be used.
- **Chemical odor:** New furniture may have a slight odor from manufacturing. Ensure good ventilation in the room for a few days after assembly to dissipate any smells.
