WINGBO SYCF5213

WINGBO 52" Outdoor Ceiling Fan with Lights Instruction Manual

Model: SYCF5213

1. Introduction

This manual provides detailed instructions for the installation, operation, and maintenance of your WINGBO 52-inch Outdoor Ceiling Fan with Lights (Model SYCF5213). This fan is designed for both indoor and outdoor use, featuring a wet-rated, waterproof construction, 3 durable ABS blades, a quiet 6-speed DC motor, and an integrated LED light with 3 color temperatures (3CCT) and smooth dimming capabilities. Please read this manual thoroughly before installation and use to ensure safe and optimal performance.

2. Important Safety Information

WARNING: To reduce the risk of fire, electric shock, or personal injury, always follow these guidelines:

- Ensure the installation location is structurally sound and can support the fan's weight (at least 35 lbs).
- All wiring must be performed by a qualified electrician and comply with national and local electrical codes.
- Disconnect power at the circuit breaker before installation or servicing.
- Do not operate the fan with damaged wiring or if any parts are missing.
- Avoid placing objects in the path of the fan blades.
- This fan is suitable for wet locations, but ensure all connections are properly sealed during installation.

3. Package Contents

Verify that all components are present before beginning installation:

- Fan Motor Assembly
- Fan Blades (3x ABS)
- Downrods (4.5" and 12" options)
- Mounting Bracket
- Canopy and Canopy Cover
- Remote Control (requires 2 AAA batteries, not included)
- Light Kit with LED Module
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

4. Setup and Installation

Follow these steps for proper installation. Professional installation is recommended.

4.1 Pre-Installation

- Turn off power at the circuit breaker.
- Ensure the junction box is securely mounted and capable of supporting the fan.
- Select the appropriate downrod length (4.5" or 12") for your ceiling height.

4.2 Mounting the Fan

Attach the mounting bracket to the ceiling junction box. Secure the downrod to the fan motor assembly, feeding wires through the downrod. Lift the fan assembly and hang it from the mounting bracket. Connect the electrical wires according to the wiring diagram provided in the full manual (typically black to black, white to white, and green/bare copper to ground).

Image: Ceiling fan dimensions and mounting options (flat and sloped mount).

4.3 Attaching Blades and Light Kit

Securely attach the three ABS blades to the fan motor housing. Connect the light kit wiring to the fan's light wires and attach the light kit to the bottom of the fan assembly. Ensure all connections are tight and secure.

4.4 Installation Video Guide

5. Operating Instructions

Your WINGBO ceiling fan is controlled by the included remote. Insert 2 AAA batteries (not included) into the remote control.

5.1 Remote Control Functions

- **Fan ON/OFF:** Turns the fan on or off.
- **Fan Speed (1-6):** Adjusts fan speed from low (1) to high (6).
- **Light ON/OFF:** Turns the LED light on or off.
- **3CCT (Color Temperature):** Cycles through 3000K (Warm White), 4000K (Neutral White), and 6000K (Cool White).
- **Dimming:** Adjusts light brightness from 10% to 100%.
- **Timer (1H/4H/8H):** Sets the fan to turn off automatically after 1, 4, or 8 hours.
- **Forward/Reverse:** Changes the direction of blade rotation for summer or winter mode.
- **Natural Wind Mode:** Simulates a natural breeze by varying fan speed.

Image: Illustration of the fan's quiet DC motor, emphasizing energy efficiency and low noise operation.

5.2 Reversible Function (Summer/Winter)

The fan features a reversible motor for year-round comfort:

- **Summer Mode (Downward Airflow):** Press the reverse button to circulate cool air downwards.
- **Winter Mode (Upward Airflow):** Press the reverse button to draw cool air up, pushing warm air down and improving circulation.

Image: Reversible function of the fan for summer and winter use.

5.3 LED Light Settings

The integrated LED light offers customizable illumination:

- Cycle through 3000K (warm), 4000K (neutral), and 6000K (cool) color temperatures to match your preference.
- Use the dimming function to adjust brightness from 10% to 100%.

6. Maintenance

Regular maintenance ensures the longevity and optimal performance of your fan.

- **Cleaning:** Periodically wipe the fan blades and motor housing with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Inspections:** Annually check all screws and connections for tightness. Ensure the mounting hardware is secure.
- **Blade Care:** The ABS blades are durable and waterproof. Avoid bending or damaging them.

Always turn off power at the circuit breaker before performing any cleaning or maintenance.

7. Troubleshooting

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
Fan does not start	No power; loose wiring; remote control issue.	Check circuit breaker. Ensure all wire connections are secure. Replace remote batteries. Re-pair remote if necessary (refer to full manual).
Light does not work	Loose wiring; LED module failure; remote control issue.	Check light kit wiring connections. Replace remote batteries. If LED module is faulty, contact support.
Fan wobbles	Loose blades; unbalanced blades; loose mounting.	Ensure all blade screws are tight. Check for bent blades. Verify mounting bracket and downrod are secure. Use a balancing kit if needed.
Noisy operation	Loose screws; motor issue; interference.	Tighten all screws. Ensure no wires are rubbing against moving parts. If motor noise persists, contact support.

8. Specifications

Feature	Detail
Brand	WINGBO
Model Number	SYCF5213
Size	52 inches
Color	White
Blades	3 ABS Blades
Motor Type	DC (Brushless)
Speeds	6
Noise Level	25 Decibels
Light Type	Integrated LED
Color Temperature	3000K/4000K/6000K (3CCT)
Dimming	10%-100% Smooth Dimming
Control Method	Remote Control
Indoor/Outdoor Usage	Indoor, Outdoor (Wet Rated)
Voltage	120 Volts
Wattage	30 watts
Product Dimensions	52"D x 52"W x 19.69"H
Material	Metal, Plastic (ABS Blades)
Certification	ETL

9. Warranty and Support

WINGBO provides the following warranty for your ceiling fan:

- **Motor:** 10-year warranty for the DC motor.
- **Other Parts:** 3-year warranty on all other parts.

For technical assistance, troubleshooting beyond this manual, or warranty claims, please contact WINGBO customer support. You can typically find contact information on the product packaging or the official WINGBO website.
