Spigen Pixel 11 Pro

Spigen Tough Armor MagFit Case for Pixel 11 Pro User Manual

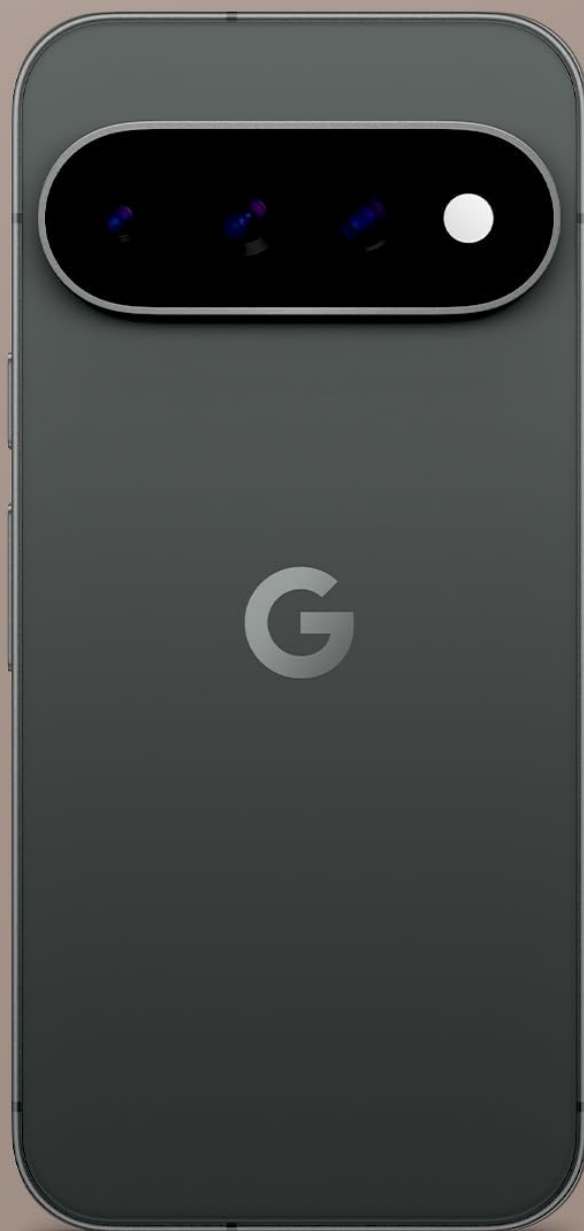

Model: Pixel 11 Pro | Brand: Spigen

1. INTRODUCTION

Thank you for choosing the Spigen Tough Armor MagFit Case for your Pixel 11 Pro. This case is engineered to provide robust protection and enhanced functionality for your device. It features advanced shock absorption technologies and MagFit compatibility for seamless integration with magnetic accessories.

Made for Google Pixel 11

The Tough Armor MagFit case is designed to meet U.S. Military Standard MIL-STD 810H 516.8 for drop protection, ensuring your device is safeguarded against everyday impacts. Its unique multi-layer structure, including an exclusive XRD pad and Air Cushion Technology, works to disperse and absorb shock effectively.

2. INSTALLATION

To install the Spigen Tough Armor MagFit Case on your Pixel 11 Pro, follow these steps:

1. Ensure your Pixel 11 Pro is clean and free of dust or debris.

2. Align the phone with the bottom edge of the case, ensuring the charging port and speaker cutouts match.
3. Gently push the phone into the case, starting from the bottom, then working your way up to the top corners.
4. Press firmly around the edges of the phone to ensure the case is securely fitted and all buttons are properly aligned.

The case features a high bezel design to protect your screen and camera when placed on flat surfaces.

3. OPERATING FEATURES

3.1 Kickstand Functionality

The integrated kickstand allows for convenient hands-free viewing. To use the kickstand:

1. Locate the kickstand on the back of the case.
2. Gently pull the kickstand outwards until it clicks into place.
3. Place your phone horizontally on a flat surface to enjoy media content at an optimal viewing angle.
4. To close, push the kickstand back into its recess until it sits flush with the case.

3.2 MagFit and Wireless Charging

The Spigen Tough Armor MagFit Case features powerful built-in magnets for compatibility with MagSafe and Pixelsnap accessories. This allows for secure attachment of magnetic stands, card cases, and other compatible accessories without shifting.

- Align your MagSafe or Pixelsnap accessory with the magnetic ring on the back of the case. The magnets will automatically snap the accessory into place.

- The case supports wireless charging. Simply place your phone with the case on a compatible wireless charger. The MagFit magnets ensure optimal alignment for efficient charging.

4. MAINTENANCE

To maintain the appearance and functionality of your Spigen Tough Armor MagFit Case:

- Regularly remove the case from your phone and wipe both the phone and the inside of the case with a soft, dry cloth to remove dust and debris.
- For cleaning the case, use a mild soap solution and a soft cloth. Avoid harsh chemicals or abrasive materials, as these can damage the case's finish.
- Ensure the case is completely dry before re-installing it on your phone.

5. TROUBLESHOOTING

If you encounter any issues with your Spigen Tough Armor MagFit Case, consider the following:

- **Improper Fit:** If the case does not seem to fit correctly, remove it and re-install, ensuring proper alignment with all ports and buttons. Verify that you have the correct case model for your Pixel 11 Pro.
- **MagFit Accessories Not Holding:** Ensure that the MagFit accessory is genuinely compatible and that there is no obstruction between the accessory and the case's magnetic ring.
- **Wireless Charging Issues:** Confirm that your wireless charger is functional and properly aligned with the phone's charging coil through the case. Remove any metal objects or thick accessories that might interfere with wireless charging.

For further assistance, please refer to the Warranty & Support section.
