2. GETTING STARTED (SETUP)

2.1 Package Contents

Before you begin, please verify that all items are present in your package:

- Haulvean Curve Smart Watch (1)
- Silicone Strap (1)
- USB Magnetic Charging Cable (1)
- User Manual (1)

Image: An illustration detailing the components included in the smartwatch package.

2.2 Charging the Device

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a standard USB power adapter (not included).

- Charging Time: Approximately 2 hours for a full charge.
- Battery Life: 5-10 days with normal use, up to 10 days standby.

2.3 App Installation

To unlock the full potential of your smartwatch, download and install the companion app on your smartphone:

1. Scan the QR code provided in the quick start guide or search for "GloryFit" in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Install the "GloryFit" application.

2.4 Pairing with Your Phone

Follow these steps to pair your smartwatch with your smartphone:

1. Ensure your phone's Bluetooth is enabled.
2. Open the "GloryFit" app on your phone.
3. Navigate to the device section and select "Add Device."
4. The app will search for nearby devices. Select your smartwatch (e.g., "T1" or similar device name) from the list to connect.
5. Confirm the pairing request on both your phone and smartwatch if prompted.

Wide Compatibility

Compatible with iOS & Android multiple models

iOS 9.0+
Devices

Android 8.0+
Devices

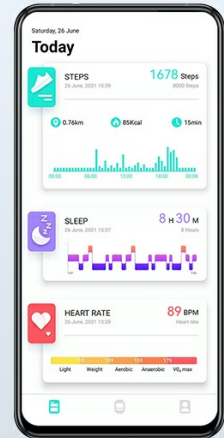

Image: The smartwatch is compatible with iOS 9.0+ and Android 8.0+ devices, ensuring broad connectivity.

3. BASIC OPERATION

3.1 Navigating the Interface

The smartwatch features a touch-sensitive screen and a side button for navigation:

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different widgets.
- **Tap:** Select an item or confirm an action.
- **Press Side Button:** Return to the home screen or wake the device.

3.2 Making and Receiving Calls

Once paired via Bluetooth, you can manage calls directly from your wrist:

- **Answering Calls:** When a call comes in, tap the green answer icon on the watch screen.
- **Making Calls:** Access the dial pad or contact list on the watch to initiate a call.

3.3 Message Notifications

Receive real-time notifications from your smartphone apps directly on your smartwatch:

- Ensure app notifications are enabled in the "GloryFit" app settings.
- Supported apps include Facebook, WhatsApp, Instagram, Telegram, TikTok, Skype, and SMS.
- *Note: You cannot reply to messages directly from the watch.*

Message Notifications

Once connected to your smartphone, you can get notifications from Facebook, WhatsApp, Twitter, Instagram, texts, etc. right on your watch, ensuring you don't miss crucial info.

4. FEATURES AND FUNCTIONS

4.1 Health Monitoring

The smartwatch provides comprehensive 24/7 health tracking:

- **Heart Rate Monitor:** Continuously tracks your heart rate throughout the day.
- **Blood Oxygen Monitor:** Measures your blood oxygen saturation (SpO2) levels.
- **Sleep Tracker:** Analyzes your sleep patterns, including deep sleep, light sleep, and wakefulness.
- **Women's Health:** Provides tracking and reminders for menstrual cycles.

Real-time Health Tracking

Heart Rate, Sleep, Quality, Blood Oxygen
Women's Health & More,
Stay Informed, Stay Healthy

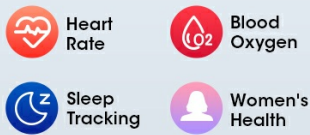

Image: Displays real-time health tracking data for heart rate, blood oxygen, and sleep, as seen on both the smartwatch and a connected smartphone.

4.2 Sports Modes

Enhance your workouts with over 120 sports modes:

- Select from various activities like walking, running, cycling, yoga, football, cricket, and strength training.
- The watch records steps, distance, calories burned, and heart rate during your activities.

24/7 Activity Tracking

All Day Performance Tracking Steps
Calories & Active Minutes
Data-Driven Training Optimization

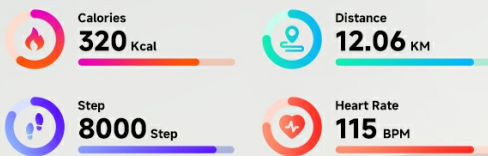

Image: The smartwatch showing its activity tracking interface with data for steps, calories, and distance, alongside an image of individuals running.

4.3 Other Functions

Your smartwatch offers a variety of additional convenient features:

- **Music Control:** Play, pause, skip tracks on your phone.
- **Camera Control:** Remotely trigger your phone's camera shutter.
- **Alarms:** Set multiple alarms for daily reminders.
- **Stopwatch & Timer:** For precise timekeeping.
- **Breathing Exercises:** Guided breathing sessions for relaxation.
- **Find Phone:** Locate your misplaced phone by making it ring.

Multiple Sports Modes

Say goodbye to monotonous exercise and explore new challenges. A variety of exercise modes to meet your needs

Image: A visual representation of the smartwatch's various functions, including music control, weather forecast, stopwatch, and remote camera control.

4.4 Customizing Watch Faces

Personalize your smartwatch with a wide selection of watch faces:

- Choose from over 100 pre-designed dials within the "GloryFit" app.
- You can also create custom watch faces using your own photos.

100+ Dials to Choose From

You can DIY your own personalized dials according to your personal preferences.

5. MAINTENANCE AND CARE

5.1 Water Resistance (IP67)

Your Haulvean Curve Smart Watch is IP67 water-resistant, meaning it can withstand:

- Splashes, rain, and brief immersion in water up to 1 meter for 30 minutes.
- It is suitable for daily use and light water activities.
- *Note: Not suitable for hot showers, saunas, diving, or high-pressure water activities. Avoid contact with hot water or steam.*

5.2 Cleaning

To keep your smartwatch in optimal condition:

- Wipe the screen and strap regularly with a soft, dry cloth.
- If necessary, use a slightly damp cloth for stubborn dirt, then dry thoroughly.
- Avoid using harsh chemicals or abrasive materials.

5.3 Battery Life and Charging

To maximize battery life and ensure safe charging:

- Always use the provided USB magnetic charging cable.
- Avoid exposing the charging contacts to water or sweat.
- Charge the device in a cool, dry environment.

Image: The smartwatch demonstrating its magnetic charging capability and its IP67 water resistance by being submerged in water.

6. TROUBLESHOOTING

If you encounter issues with your smartwatch, refer to the following common problems and solutions:

Problem	Solution
Watch does not turn on	Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
Cannot pair with phone	Ensure Bluetooth is enabled on your phone. Restart both the watch and phone. Make sure the "GloryFit" app is open and searching for devices.
No notifications received	Check app notification settings in the "GloryFit" app and your phone's system settings. Ensure the watch is connected via Bluetooth.
Inaccurate health data	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
Screen is unresponsive	Restart the watch by pressing and holding the side button. If unresponsive, allow the battery to drain completely and then recharge.
