VIAGDO bunk bed twin over twin

VIAGDO L-Shaped Twin Over Twin Bunk Bed Instruction Manual

Model: Bunk Bed Twin Over Twin

Product Overview Safety Information Package Contents Setup & Assembly Operating Instructions Maintenance Troubleshooting Specifications Warranty & Support

1. Product Overview

The VIAGDO L-Shaped Twin Over Twin Bunk Bed is designed to maximize space and provide functional storage solutions for children's or teens' bedrooms. This metal bunk bed features two separate sleeping areas, integrated storage drawers, shelving, a clothes rack, a charging station, and RGB LED lighting.

2. Safety Information

Read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** The maximum weight capacity for this bunk bed is 400 pounds. Do not exceed this limit.
- **Guardrails:** The top bunk is equipped with a 13.4-inch safety guardrail. Ensure it is properly installed and maintained to prevent falls.
- **Wall Anchors:** Use the provided wall anchors to secure the bunk bed to the wall for additional stability and to prevent tipping.
- **Mattress Size:** Use only mattresses that are 75 inches long by 38 inches wide, with a thickness between 4 and 6 inches, for both bunks.

- **Ladder Safety:** The ladder steps are padded with soft sponge for comfort and slip resistance. Always use the ladder when accessing the top bunk.
- **Clearance:** Ensure adequate clearance around the bed, especially for the top bunk, to prevent head injuries.
- **No Jumping:** Do not allow jumping on either bunk.
- **Regular Checks:** Periodically check all bolts and connections to ensure they remain tight.

3. Package Contents

The VIAGDO L-Shaped Twin Over Twin Bunk Bed ships in two packages. Carefully unpack all components and verify against the parts list provided in the illustrated manual. Do not discard packaging until assembly is complete and all parts are accounted for.

Included Components: Drawer, Guardrails, Headboard, Slat, Storage Bag, Hardware, Tools, Illustrated Manual.

If any parts are missing or damaged, contact customer service immediately.

4. Setup & Assembly

Assembly requires two adults. Follow the step-by-step instructions in the included illustrated manual. Ensure all hardware is securely tightened before use.

4.1 Pre-Assembly Checklist

- Verify all parts are present and undamaged.
- Ensure you have the necessary tools (usually included).
- Clear a spacious area for assembly.

4.2 Assembly Steps (General Guidance)

1. Assemble the lower bunk frame first, ensuring all connections are firm.
2. Attach the L-shaped storage unit, including the fabric drawers, clothes hanging rod, and 2-tier open shelf.
3. Install the headboard for the lower bunk, which includes the three deep shelves and charging station.
4. Assemble the upper bunk frame and attach it securely to the lower structure.
5. Install the 13.4-inch safety guardrail on the top bunk.
6. Attach the ladder, ensuring the padded steps are correctly oriented.
7. Secure the bed to the wall using the provided anti-tipping wall anchors.
8. Place mattresses on both bunks (recommended size: 75"x38", 4"-6" thickness).

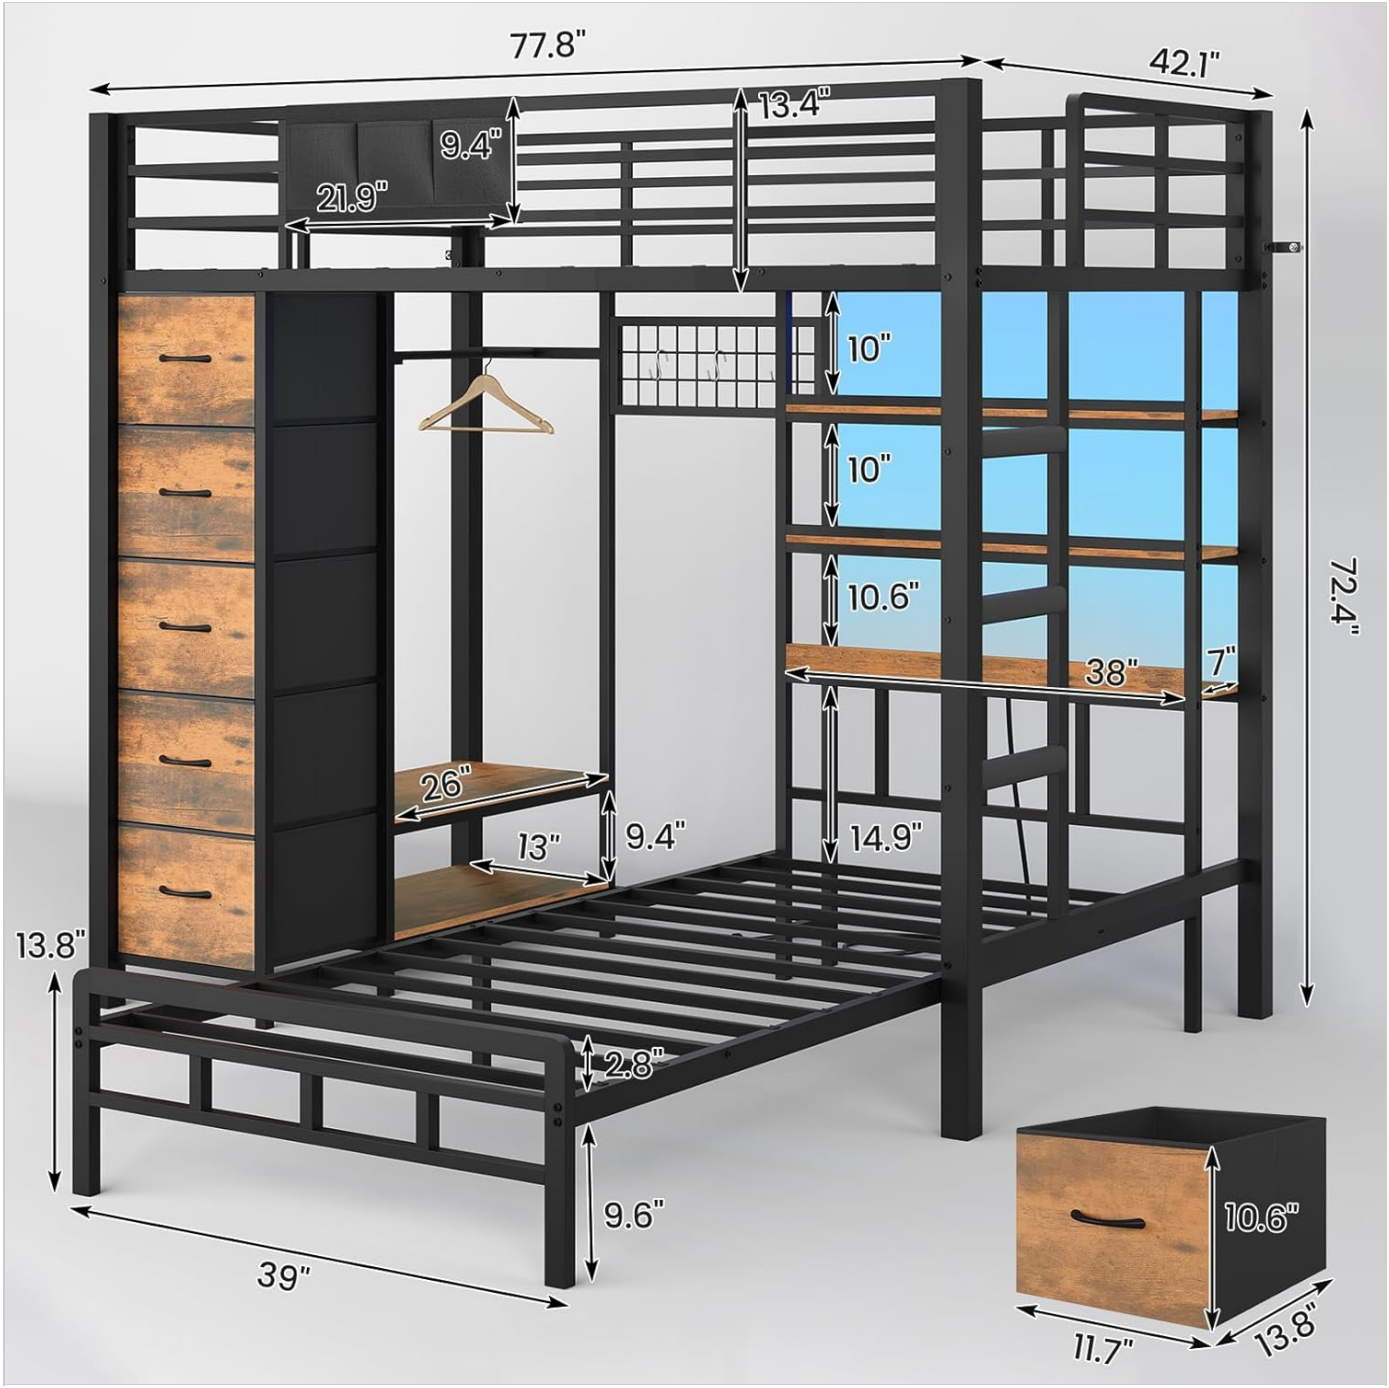

Image 4.1: Dimensional drawing of the bunk bed, providing measurements for assembly and space planning.

5. Operating Instructions

5.1 Using the Charging Station

The lower bunk's headboard features a built-in power strip with 2 AC outlets, 1 USB port (5V/2A), and 1 fast-charging Type-C port (5V/3A). Connect the bed's power cord to a standard wall outlet. Use these ports to charge electronic devices.

Image 5.1: Detailed view of the integrated charging station, highlighting its various power and USB ports.

5.2 Controlling the RGB LED Lights

The integrated RGB LED light strip can be controlled via a dedicated app or the included remote control. Features include:

- **Color Selection:** Choose from over 60,000 RGB colors.
- **Dynamic Modes:** Select from 29 dynamic lighting modes.
- **Music Sync:** Lights can sync with music for an interactive experience.
- **Mic Function:** Lights respond to sound picked up by a microphone.
- **Schedule On/Off:** Program the lights to turn on or off at specific times.

Refer to the separate LED light manual for detailed instructions on app pairing and remote control functions.

5.3 Utilizing Storage Features

- **Fabric Storage Drawers:** The 5 fabric drawers are suitable for clothes, toys, and other personal items.
- **Clothes Hanging Rod:** Use the integrated rod for hanging garments.
- **2-Tier Open Shelf:** Ideal for shoes or small storage bins.
- **Bedside Pocket:** A fabric pocket is provided for small items like phones, books, or glasses.
- **Metal Mesh with S-Hooks:** The metal mesh panel includes 3 removable S-hooks for hanging bags, hats, or decorative items.
- **Headboard Shelves:** The lower bunk's headboard offers three deep shelves with protective barriers for books, decor, or electronics.
- **Under Bed Storage:** The design provides approximately 9.6 inches of clearance under the lower bunk for additional storage.

Image 5.4: The 3-tier open storage shelves integrated into the lower bunk's headboard, suitable for various items.

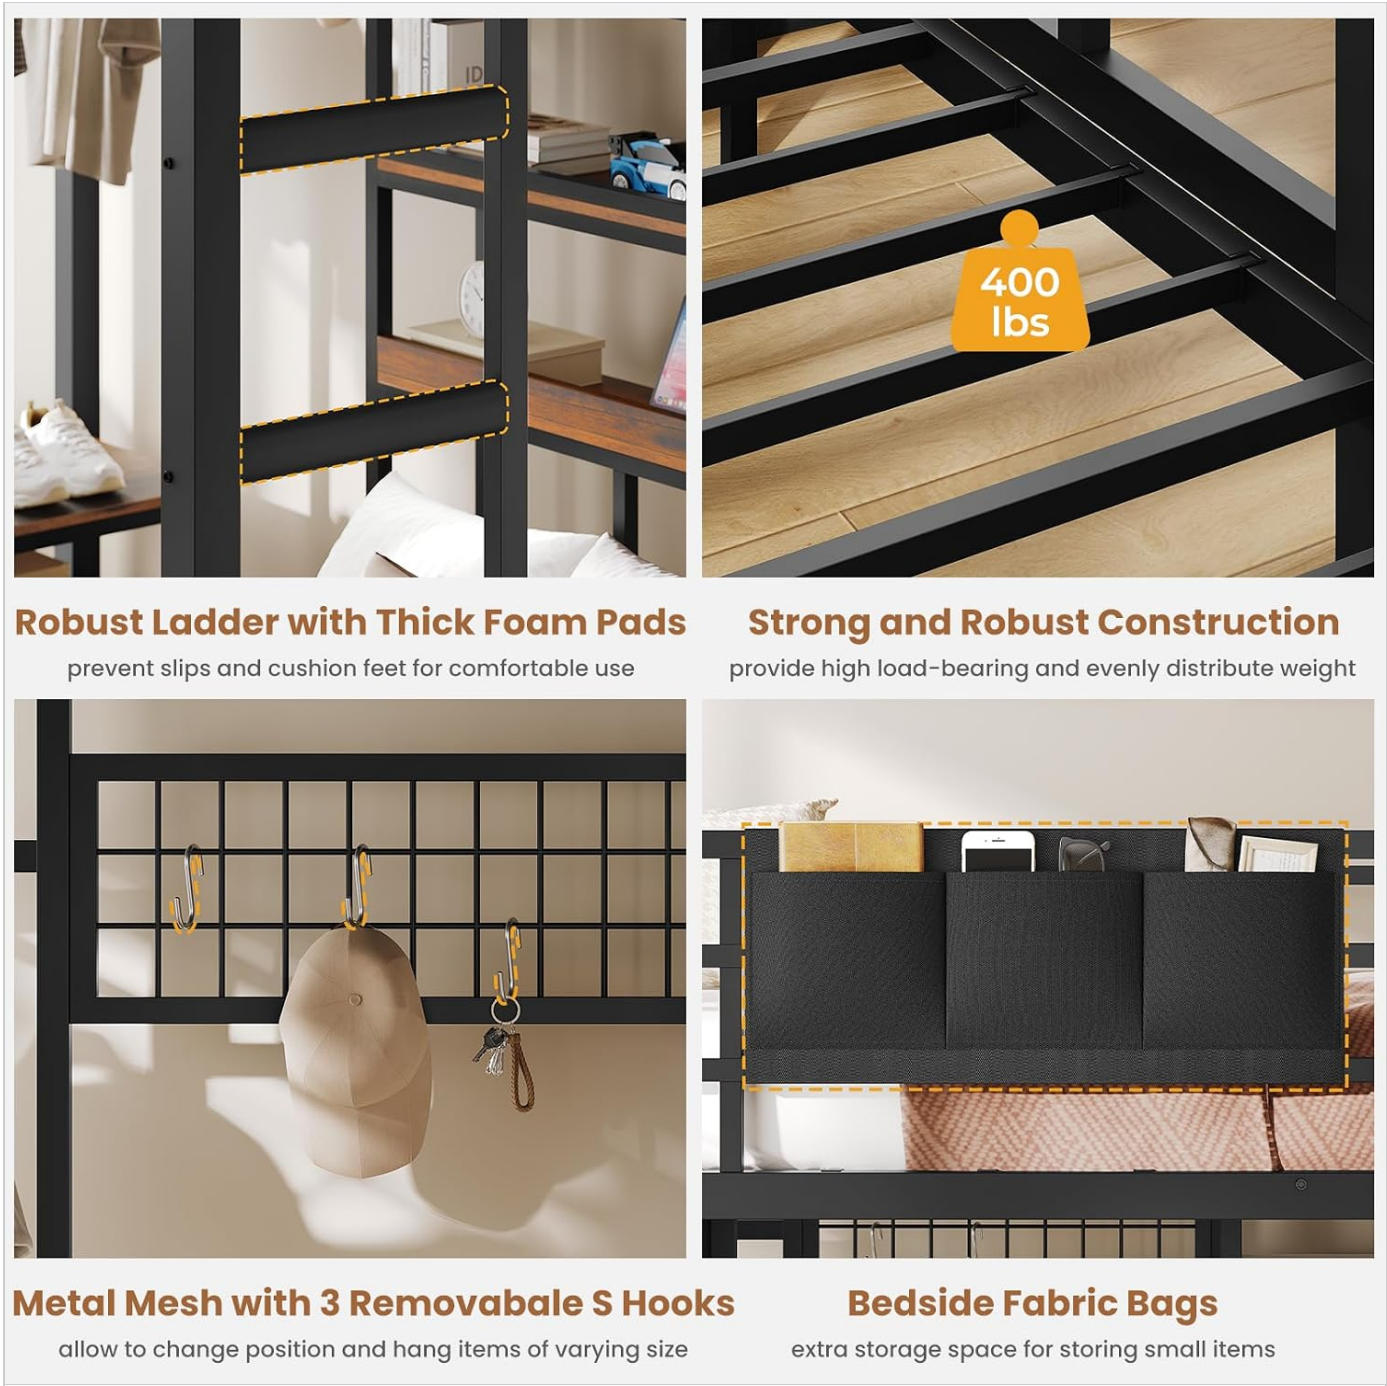

Image 5.5: Detailed view of the ladder's foam pads, the metal mesh panel with S-hooks, and the bedside fabric storage bags.

6. Maintenance

- **Cleaning:** Wipe the metal frame and engineered wood surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten as necessary to maintain stability.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent. Allow to air dry completely.
- **LED Lights:** Ensure the LED light strip and power connections are free from dust and debris.

7. Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose bolts or improper assembly.	Check and tighten all bolts and connections. Ensure wall anchors are properly installed.
Charging station not working.	Power cord not plugged in; faulty outlet; damaged charging unit.	Ensure the bed's power cord is securely plugged into a working wall outlet. Test the outlet with another device. If issues persist, contact customer service.
LED lights not turning on or responding.	Power connection issue; remote control battery dead; app not connected.	Check power connection to the LED strip. Replace remote control batteries. Ensure the app is correctly paired and connected to the lights.
Parts do not align during assembly.	Incorrect orientation of parts; manufacturing defect.	Review the illustrated manual carefully to ensure parts are oriented correctly. If parts are genuinely misaligned or defective, contact customer service for replacement.

8. Specifications

Feature	Detail
Model	L-Shaped Twin Over Twin Bunk Bed
Brand	VIAGDO
Color	Black
Frame Material	Metal, Engineered Wood
Overall Dimensions (L x W x H)	77.8" x 42.1" x 72.4"
