

SDFF50

Generic L-Shaped Gaming Desk SDFF50 Instruction Manual

Model: SDFF50 | Brand: Generic

1. PRODUCT OVERVIEW

The Generic L-Shaped Gaming Desk SDFF50 is designed to maximize space utilization, fitting seamlessly into room corners. Its versatile L-shape allows it to function as a single large workstation or two separate desks. The spacious carbon fiber textured tabletop provides ample room for gaming equipment and other essentials, ensuring a clutter-free environment. The desk features a robust carbon steel frame and adjustable feet for enhanced stability on various floor surfaces.

2. SETUP AND ASSEMBLY

This desk requires assembly. Please follow these instructions carefully. The package includes all necessary assembly tools: screws, a hex wrench, and gloves.

2.1 Assembly Points

- 1. Prepare the Tabletop:** First, place the tabletop sections on a soft, clean surface (e.g., a carpet or blanket) to prevent scratches.
- 2. Connect Tabletop Sections:** Carefully align and connect the various parts of the tabletop. Ensure there are no gaps at the joints after connecting them.
- 3. Initial Screw Fastening:** During assembly, do not fully tighten the screws immediately. Insert all screws loosely first. This allows for minor adjustments to ensure proper alignment.
- 4. Secure Tabletop Joints:** Pay special attention to the tabletop connecting parts. Ensure all screws are inserted into these sections before proceeding to tighten them.
- 5. Final Tightening:** Once all parts are aligned and all screws are in place, gradually tighten all screws firmly. Do not overtighten to avoid damaging the material.

6. **Assemble Remaining Parts:** After the tabletop is securely assembled, proceed to attach the frame and legs according to the included manual.

Image 2.2: Detail of the adjustable feet and the robust Z-shaped frame with triangular support for enhanced stability.

3. OPERATING INSTRUCTIONS

The L-shaped gaming desk is designed for versatile use in various settings, including gaming, office work, and creative projects.

- **Space Utilization:** Position the desk in a corner to maximize room space. The L-shape provides an expansive surface for multiple monitors, keyboards, mice, and other peripherals.
- **Monitor Placement:** The desk includes a removable monitor stand. Place your monitor(s) on the main tabletop or utilize the stand for ergonomic viewing.
- **Leg Room:** The open design beneath the L-shaped desk ensures ample legroom, allowing for comfortable extension and movement during long sessions.
- **Surface Protection:** The carbon fiber textured surface is anti-slip, helping to keep your equipment securely in place and protecting it from accidental bumps.

4. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your gaming desk.

- **Cleaning the Tabletop:** The carbon fiber textured surface is waterproof. For routine cleaning, simply wipe the tabletop with a damp cloth or towel. Avoid using harsh chemicals or abrasive cleaners, which may damage the surface finish.
- **Frame Care:** Wipe the carbon steel frame with a dry or slightly damp cloth to remove dust and dirt. Ensure the frame is dried thoroughly to prevent rust.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten any loose screws to maintain desk stability.

5. TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:**
 - Ensure all assembly screws are fully tightened.
 - Adjust the leveling feet at the bottom of the desk legs to compensate for uneven floor surfaces. Turn the feet clockwise or counter-clockwise until the desk is stable.
- **Gaps in Tabletop Joints:**
 - Loosen the screws around the joint area, push the tabletop sections together to close the gap, and then retighten the screws firmly.
- **Difficulty Assembling:**
 - Refer to the included assembly manual for detailed diagrams.
 - Ensure you are using the correct screws for each part.
 - Do not force parts together; if they don't fit, recheck the orientation and instructions.

6. SPECIFICATIONS

Feature	Detail
Model Number	SDF50
Brand	Generic
Shape	L-shaped
Desk Type	Computer Desk
Overall Dimensions (D x W x H)	130 cm (Depth) x 130 cm (Width) x 74 cm (Height)
Shorter Side Depth	50 cm
Color	Carbon Black
Style	Minimalist

Item Weight	19.2 kg
Max Load Capacity	100 kg
Tabletop Material	15mm thick board + Carbon Fiber Texture Surface Treatment
