OPERATING INSTRUCTIONS

Extending and Folding the Table

The dining table features a convenient rotate-and-flip extension mechanism, allowing it to transition between a compact 2-person setup and an extended 4-person setup.

1. **To Extend:** Gently lift one side of the tabletop and rotate it outwards. Flip the leaf into place to create the larger surface area. Ensure the support mechanism is securely engaged.
2. **To Fold:** Reverse the extension process. Disengage the support, flip the leaf inwards, and rotate it back to its compact position.
