Button Functions:

- **Power Button:** Press and hold to power on/off. Short press for play/pause.
- **Volume Up (+):** Short press to increase volume. Long press for next track.
- **Volume Down (-):** Short press to decrease volume. Long press for previous track.
- **Mode Button (M):** Short press to switch between Bluetooth, AUX, and TF Card modes.
- **RGB Light Button:** Short press to cycle through RGB light modes or turn off lights.

Connection Ports:

- **USB Port:** For USB drive playback.
- **DC 5V Port:** For charging the speaker.
- **TF Card Slot:** For TF (MicroSD) card playback.
- **AUX Port:** For wired audio connection using the provided 3.5mm audio cable.
- **On/Off Switch:** Main power switch.

4. Setup

4.1 Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB charging cable to the DC 5V port on the speaker and the other end to a USB power adapter (not included) or a computer's USB port. The charging indicator light will show charging status and turn off when fully charged.

4.2 Power On/Off

To power on the speaker, slide the main On/Off switch to the 'On' position, then press and hold the Power Button until you hear an audible prompt. To power off, press and hold the Power Button again.

4.3 Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode (indicated by a flashing blue LED). If not, press the Mode button to switch to Bluetooth.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "CLAISON T9-PRO" from the list of devices.
4. Once paired, the speaker will emit an audible confirmation, and the blue LED will stop flashing and remain solid.

4.4 True Wireless Stereo (TWS) Pairing

For an immersive stereo experience, you can pair two CLAISON T9-PRO speakers together:

1. Ensure both speakers are powered on and in Bluetooth mode, but not connected to any device.
2. On one of the speakers (this will be the primary speaker), double-press the Power Button. The speaker will enter TWS pairing mode.
3. The two speakers will automatically connect to each other. You will hear a confirmation tone once TWS pairing is successful.
4. Now, connect your device to the primary speaker via Bluetooth as described in section 4.3. Audio will play through both speakers in stereo.

5. Operating Instructions

5.1 Playing Audio

- **Bluetooth Mode:** After successful pairing, play audio from your connected device.
- **AUX Mode:** Connect a 3.5mm audio cable from your device's audio output to the speaker's AUX port. The speaker will automatically switch to AUX mode.
- **USB/TF Card Mode:** Insert a USB drive or TF card into the respective port. The speaker will automatically detect and play audio files.

5.2 RGB Light Modes

Press the RGB Light Button to cycle through various lighting effects. Press again to change the mode or turn off the lights.

Video: Showcases the 360-degree stereo sound and RGB lighting effects of the CLAISON speaker.

5.3 IPX7 Waterproof Feature

The CLAISON T9-PRO speaker is IPX7 waterproof, meaning it can be submerged in up to 1 meter of water for 30 minutes. Ensure all port covers are securely closed before exposing the speaker to water.

Video: Highlights the waterproof capabilities of the CLAISON Bluetooth speaker for outdoor use.

6. Maintenance

6.1 Cleaning

Wipe the speaker with a soft, damp cloth. Do not use abrasive cleaners, alcohol, or chemical solvents, as these may damage the surface or internal components. Ensure all ports are dry before charging.

6.2 Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, charge the battery to approximately 50% every three months to prolong battery life.

6.3 Battery Care

To maximize battery lifespan, avoid fully discharging the speaker frequently. Use only the provided charging cable or a certified equivalent.

7. Troubleshooting

If you encounter issues with your speaker, refer to the following common solutions:

- **Speaker will not power on:** Ensure the main On/Off switch is in the 'On' position and the battery is charged. Connect to a power source and try again.
- **Cannot pair via Bluetooth:** Make sure the speaker is in Bluetooth pairing mode (flashing blue LED). Turn off Bluetooth on your device and turn it back on. Forget the speaker from your device's Bluetooth list and try pairing again. Ensure no other devices are connected to the speaker.
- **No sound:** Check the volume levels on both the speaker and your connected device. Ensure the correct input mode (Bluetooth, AUX, USB, TF) is selected.
- **Poor sound quality:** Move the speaker closer to your Bluetooth device to reduce interference. Ensure the audio source is of good quality.
- **TWS pairing failure:** Ensure both speakers are not connected to any other Bluetooth device before attempting TWS pairing. Try resetting both speakers and repeating the TWS pairing steps.

8. Specifications

Feature	Specification
Brand	CLAISON
Model Number	T9-PRO
Speaker Maximum Output Power	20 Watts
Connectivity Technology	Bluetooth, USB, AUX
Bluetooth Version	6.0
