Aoxun 8 Pcs w/Fire Pit

Aoxun 8-Piece Patio Furniture Set with 44-inch Fire Pit Table User Manual

Model: 8 Pcs w/Fire Pit | Brand: Aoxun

1. Introduction

Thank you for choosing the Aoxun 8-Piece Patio Furniture Set with Fire Pit Table. This comprehensive set is designed to enhance your outdoor living space with comfort, durability, and versatility. This manual provides essential information for the proper setup, operation, maintenance, and troubleshooting of your new patio furniture.

The modular design allows for various configurations, adapting to your specific outdoor area and entertainment needs. The set includes a combination of armless sofa pieces, corner sofa pieces, a coffee table, and a 44-inch fire pit table, along with thick, comfortable cushions and a waterproof cover.

2. Product Features

- **Extra-Wide Comfort:** Experience superior comfort with 25.5-inch wide seating surfaces, which are 20% wider than standard designs. The cushions are 4 inches thick and feature 28D high-resilience foam, providing significant support and comfort.
- **Commercial-Grade Durability:** Constructed with powder-coated galvanized steel frames and UV-resistant PVC rattan, this set is built to withstand extreme weather conditions. The rust-resistant frame maintains structural integrity through various seasons.
- **Unmatched Ambiance and Performance (Fire Pit):** The 50,000 BTU fire pit table elevates your outdoor gatherings with consistent, eco-friendly warmth. It is propane-powered and features explosion-proof glass stones for enhanced visual appeal and safety.
- **Safety and Reliability (Fire Pit):** The fire table is CSA-certified, meeting American safety standards. It includes advanced electronic pulse ignition, an anti-leakage safety valve, and precise adjustable heat control. Crafted with 100% pure copper wire and a durable high-quality hose for stability and long-lasting performance.
- **Customizable Configuration:** This modular set allows you to create your perfect outdoor layout, adapting seamlessly as intimate conversation sets or spacious lounge areas to match your entertainment needs.

5. Operating Instructions (Fire Pit)

The 44-inch fire pit table is designed for ease of use and safety. Always ensure the fire pit is placed on a stable, non-combustible surface and away from flammable materials.

5.1. Fire Pit Ignition

1. Ensure the propane tank is securely connected and the gas valve is open.
2. Locate the electronic pulse ignition button and the adjustable heat control knob on the side of the fire pit table.
3. Press and hold the ignition button while slowly turning the control knob to the 'ON' position. The burner should ignite.
4. Once ignited, continue to hold the ignition button for a few seconds to ensure the flame is established. Release the button.
5. Adjust the flame height using the control knob to your desired level of warmth.

5.2. Converting to a Table

When the fire pit is not in use and has completely cooled down, you can place the provided fire pit lid over the burner area to convert it into a functional coffee table. This allows for versatile use of your outdoor space.

6. Maintenance & Care

Proper care and maintenance will extend the life and appearance of your Aoxun patio furniture set.

6.1. Cushion Care

- The cushion covers are removable and machine washable for easy cleaning. Use cold water and a gentle cycle. Air dry only.
- The cushions are water-repellent. In case of spills or light rain, water will bead up on the surface and can be easily wiped away.
- The bottom of the seat cushions features anti-slip dots to prevent them from sliding around.
- For prolonged periods of non-use or during harsh weather, store cushions in a dry, protected area.

6.2. Rattan & Frame Care

- Clean the wicker rattan and steel frames with a soft cloth, mild soap, and water. Rinse thoroughly and dry completely to prevent water spots.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- The UV-resistant rattan is designed to resist fading and tearing, but covering the set when not in use will further protect it from prolonged sun exposure and extend its lifespan.

6.3. Fire Pit Table & Coffee Table Care

- Wipe down the tempered glass surfaces of the coffee table and fire pit table with a glass cleaner and a soft cloth.
- Use the provided waterproof cover to protect the entire set, especially the fire pit table, from rain, snow, and dust when not in use.

7. Troubleshooting

If you encounter any issues with your Aoxun patio furniture set, please refer to the following common solutions:

- **Assembly Difficulties:** Double-check the assembly manual for detailed diagrams and step-by-step instructions. Ensure all parts are correctly oriented and all screws are tightened.
- **Fire Pit Not Igniting:**
  - Ensure the propane tank is full and properly connected.
  - Verify the gas valve on the tank is fully open.
  - Check that the ignition electrode is clean and properly positioned near the burner.
  - If the issue persists, refer to the fire pit's specific troubleshooting section in the main assembly manual.
- **Cushions Slipping:** The cushions are designed with anti-slip dots on the bottom. Ensure the cushions are placed correctly on the rattan base with the anti-slip side down.
- **Wobbling Furniture:** Use the adjustable feet on each furniture piece to level the set on uneven surfaces. Rotate the feet clockwise or counter-clockwise until stable.

For issues not covered here, please refer to the detailed troubleshooting section in your product's main assembly manual or contact Aoxun customer support.
