

Casaria 2026

Casaria Garden Furniture Set Model 2026 Acacia Wood (5 Pieces, Armless)

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and safety of your Casaria Model 2026 5-piece garden furniture set. This set, made from FSC certified acacia wood, includes one rectangular table and four armless chairs, designed for outdoor use on terraces, gardens, or balconies.

The furniture is pre-oiled and weather-resistant, offering a blend of elegant design and practical functionality. Both the table and chairs are foldable for convenient, space-saving storage.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum permissible weight to ensure product stability and safety. The table has a maximum load capacity of 80 kg. Each chair has a maximum load capacity of 160 kg.
- **Assembly:** Ensure all components are correctly assembled and tightened before use. Improper assembly can lead to instability and potential injury.
- **Placement:** Place the furniture on a flat, stable surface to prevent tipping.
- **Children:** Supervise children when they are near or using the furniture.
- **Weather Conditions:** While weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, strong winds, direct scorching sun) may affect the furniture's lifespan. Consider storing or covering the furniture during harsh weather.

3. COMPONENTS LIST

The Casaria Model 2026 garden furniture set includes the following items:

- 1 x Rectangular Folding Table
- 4 x Folding Chairs (armless)
- Assembly Materials (screws, bolts, tools if provided)
- Assembly Instructions (this manual)

4. SETUP AND ASSEMBLY

Assembly is required for this furniture set. Please follow the included graphical assembly instructions carefully. While straightforward, some users have noted that assembly may require patience or a second person for easier handling.

4.1 Table Assembly

1. Unpack all table components and verify against the parts list.
2. Carefully unfold the table legs.
3. Attach the stability bar to the underside of the table as indicated in the diagram. This bar enhances stability and reduces wobbling.
4. Ensure all screws and bolts are securely tightened. Do not overtighten.

4.2 Chair Assembly

1. Unpack all chair components and verify against the parts list.
2. Assemble the chair frame according to the diagrams, ensuring all joints are correctly aligned.
3. Attach the seat and backrest.
4. Secure all screws and bolts. Test the folding mechanism to ensure smooth operation.

Note: If you encounter difficulties with screw holes, ensure components are correctly aligned. Do not force screws. If necessary, contact customer support for assistance.

5. OPERATING AND STORAGE

5.1 Unfolding and Folding

Both the table and chairs feature a folding mechanism for easy setup and compact storage.

- **To Unfold:** Carefully extend the legs/frame until they lock into place. Ensure all locking mechanisms are engaged before use.
- **To Fold:** Release the locking mechanisms and gently collapse the furniture. Avoid sudden movements to prevent damage.

5.2 Space-Saving Storage

When not in use, the furniture can be folded and stored compactly, making it ideal for smaller spaces or seasonal storage.

6. MAINTENANCE

To ensure the longevity and appearance of your Casaria garden furniture set, follow these maintenance guidelines:

- **Cleaning:** The smooth, oiled surfaces can be cleaned quickly and easily with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the wood finish.
- **Wood Oil Treatment:** Regular maintenance with wood oil is recommended to preserve the color and optimally protect the acacia wood, especially for outdoor use. Apply wood oil as needed, typically once or twice a year, or when the wood appears dry.
- **Protection:** Although weather-resistant, covering the furniture during prolonged periods of non-use or harsh weather conditions will extend its life.
- **Inspection:** Periodically check all screws and bolts for tightness and re-tighten if necessary.

Image 6.1: FSC certification ensures the wood comes from responsibly managed forests.

7. TROUBLESHOOTING

If you encounter any issues with your Casaria garden furniture set, please consider the following:

- **Instability:** Check that all assembly screws and bolts are securely tightened. Ensure the furniture is placed on a level surface.
- **Folding Mechanism Issues:** Ensure no debris is obstructing the folding joints. Apply a small amount of silicone spray if the mechanism feels stiff.
- **Missing Parts/Damaged Components:** If you find any parts missing or damaged upon unpacking, please contact customer support immediately for assistance.

For further assistance, please refer to the Warranty and Support section.

8. SPECIFICATIONS

Feature	Detail
