Garvee Full Size Bed Frame Instruction Manual

Model: GDZH20260128003bw

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Garvee Full Size Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This bed frame features a full-size design, two storage drawers, an upholstered headboard with integrated LED lighting, and convenient charging sockets and USB ports.

SAFETY INFORMATION

- Do not use mattresses thinner than 10 inches or thicker than 14 inches.
- Do not exceed the maximum weight limit of 800 lbs (approximately 363 kg).
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Assemble the bed frame on a soft, clean surface to prevent damage.
- Do not stand on the bed frame or use it as a ladder.
- Disconnect power to the LED lights and charging ports before cleaning or maintenance.

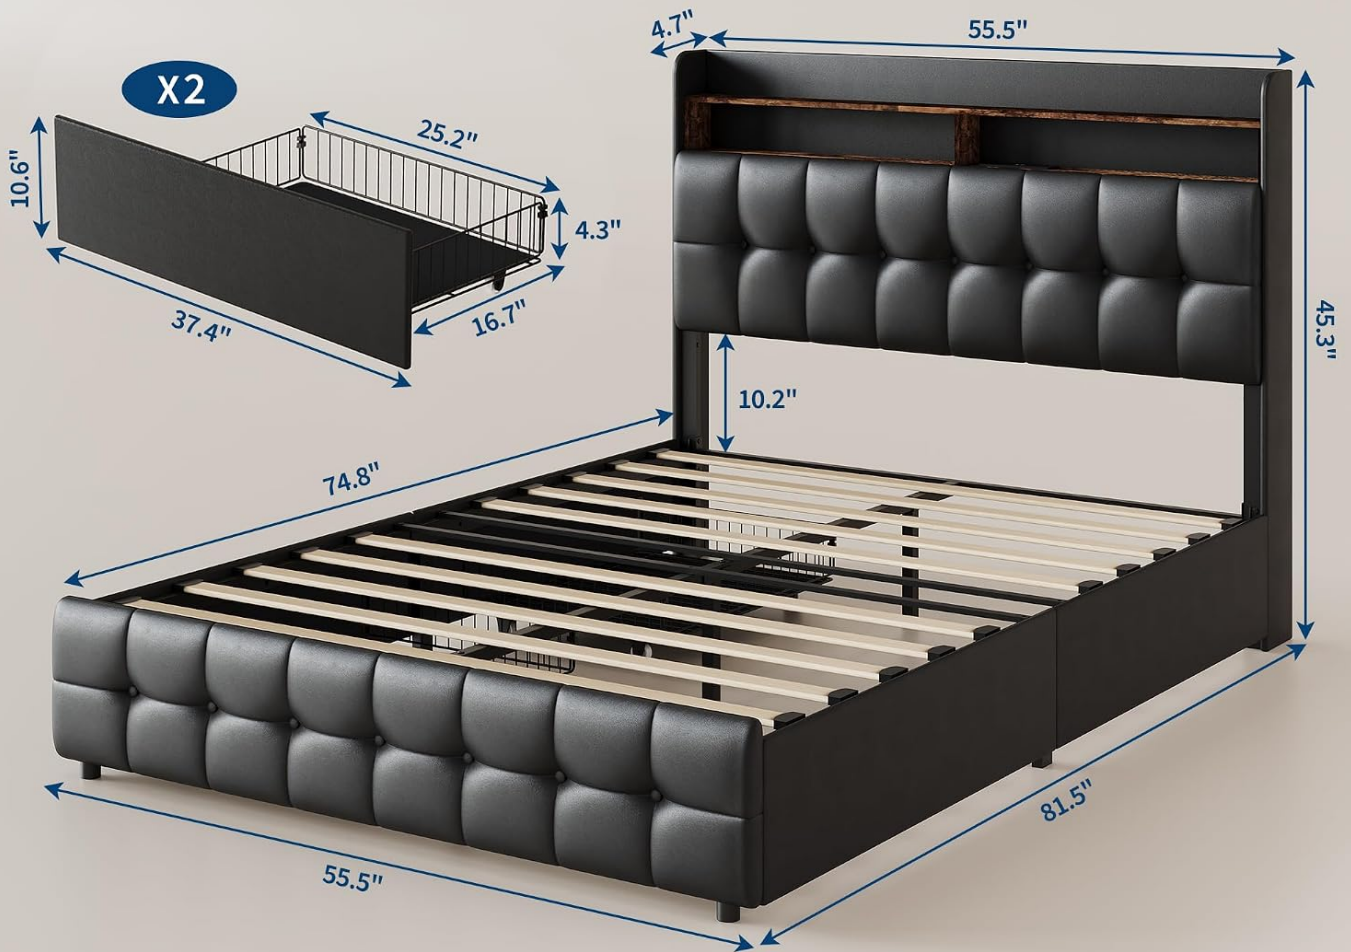

PACKAGE CONTENTS

Before assembly, verify that all components are present. Refer to the parts list provided in your packaging. If any parts are missing or damaged, contact customer support.

FULL

L * W * H: 81.5" * 55.5" * 45.3"

Weight Capacity: 800LBS
Suitable for 8-12 inch mattress

No Box Spring Needed

One Package

No Squeaks

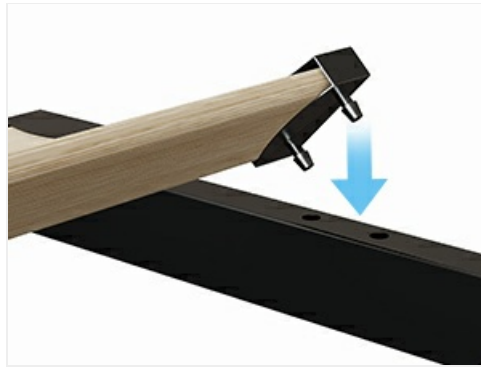

This image illustrates the overall dimensions of the Garvee Full Size Bed Frame (81.5"L x 55.5"W x 45.3"H) and its components, including the headboard, frame, and two storage drawers. It also indicates a weight capacity of 800 lbs and suitability for 8-12 inch mattresses.

ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 40 minutes with two people. Follow the numbered steps in your included assembly guide. Ensure all connections are secure.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface. Verify against the parts list.
2. **Assemble Bed Frame:** Connect the main frame sections using the provided hardware. Ensure the metal frame is stable.
3. **Install Slats:** Place the 10 sturdy wooden slats onto the frame. The one-click easy installation design allows for quick and secure placement.
4. **Attach Headboard:** Secure the upholstered headboard to the assembled frame.

5. **Insert Storage Drawers:** The two storage drawers can be placed on either side of the bed frame. They feature non-slip silent wheels for smooth operation and a smart fixing design to keep them in place.
6. **Connect Electrical Components:** Plug in the LED light strip and charging station to a power outlet.

This image highlights the quick installation feature, demonstrating how components like the wooden slats easily click into place for efficient assembly.

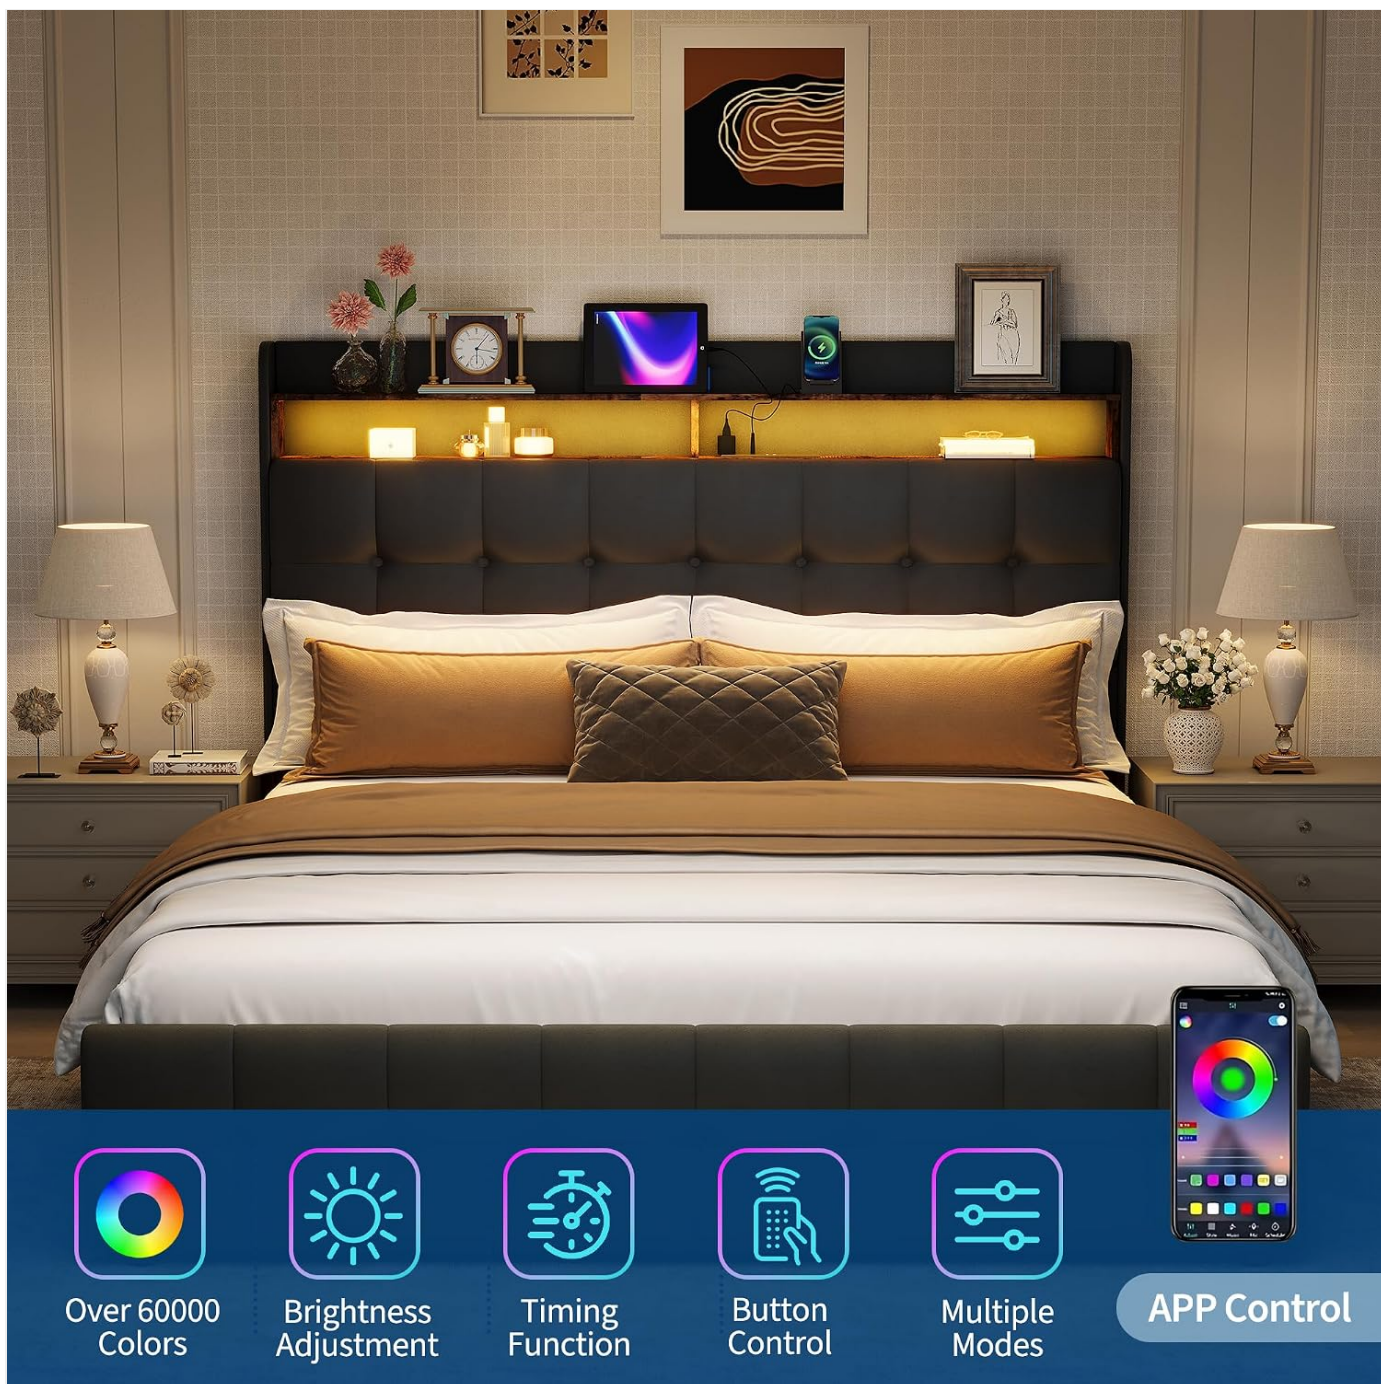

This image provides a close-up of the bed frame's construction, showing the heavy-duty metal frame, 10 sturdy wooden slats, the one-click easy installation mechanism, and EVA noise-reducing foam for a quiet sleep experience.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated RGB LED lighting system in the headboard can be controlled via a remote control or a dedicated app.

- **Power On/Off:** Use the power button on the remote or app to turn the lights on or off.
- **Color Selection:** Choose from 12 preset colors or over 60,000 adjustable colors via the app.
- **Brightness Adjustment:** Adjust the light intensity using the brightness controls.
- **Scene Modes:** Select from 4 pre-programmed scene modes for different ambiances.
- **Timer Function:** Set a timer for the lights to automatically turn off.
- **Speed Settings:** Adjust the speed of dynamic lighting effects.
- **Music Mode:** The app may offer a music mode where lights react to sound.
- **Wireless Control:** Control the lights wirelessly via the remote or app.
- **Locking Function:** Use the locking function to prevent accidental changes.

APP Control

This image displays the RGB LED lighting system in the headboard, highlighting features such as over 60,000 colors, brightness adjustment, timing function, button control, multiple modes, and app control.

Charging Station

The headboard includes a charging station with various ports for your electronic devices.

- **USB Port:** One 5V/2A USB port for charging compatible devices.
- **Type-C Port:** One 5V/2A Type-C port for charging compatible devices.
- **AC Outlets:** Two 125V/12A AC outlets for powering standard electrical devices.

TWO LAYERS OF STORAGE SPACE

This image details the double-layer bedside headboard, showcasing the integrated charging socket with one Type-C port (5V/2A), one USB port (5V/2A), and two AC outlets (125V/12A).

Storage Drawers

The bed frame includes two large storage drawers that can be positioned according to your room layout.

- **Placement:** Drawers can be placed with one on each side, both on the left side, or both on the right side of the bed.
- **Operation:** Pull the drawers out smoothly using the non-slip silent wheels.
- **Securing:** The smart fixing design helps keep the drawers in place when not in use.

UPHOLSTERED HEADBOARD

Soft-Touch & Comfortable

Soft PU Leather

Breathable Fabric

This image demonstrates the flexible placement options for the two storage drawers: one on each side, both on the left side, or both on the right side of the bed frame.

FLEXIBLE DRAWERS

Put Drawers According to the Room Layout

1

Each Side one Drawer

2

2 Drawers at the Left Side

3

2 Drawers at the Right Side

This image illustrates the two hidden underbed storage drawers, showcasing their capacity for organizing items like clothes and blankets, along with their non-slip silent wheels and smart fixing design.

MAINTENANCE

- **Cleaning the Frame:** Wipe the metal frame with a damp cloth and mild detergent. Dry thoroughly.
- **Cleaning the Upholstery:** For the PU leather upholstered headboard, use a soft, damp cloth. Avoid harsh chemicals. Spot clean as needed.
- **Dusting:** Regularly dust the headboard and frame to prevent buildup.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaks.
- **Drawer Maintenance:** Keep the drawer wheels clean and free of debris for smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose bolts or screws.	Check and tighten all assembly hardware. Ensure slats are properly seated.
LED lights are not working.	Power cable disconnected, remote battery low, or light strip malfunction.	Ensure the power cable is securely plugged into an outlet. Replace remote batteries. If issues persist, contact customer support.
Charging ports are not providing power.	Power cable disconnected or device not compatible.	Verify the bed frame's power cable is plugged in. Test with a different device or cable.
Storage drawers are difficult to open/close.	Obstruction in the track or dirty wheels.	Check for any items blocking the drawer path. Clean the wheels and tracks.

SPECIFICATIONS

- **Model Number:** GDZH20260128003bw
