

ALLDOCUBE iPlay 70 Max Pro

ALLDOCUBE iPlay 70 Max Pro 4G Tablet User Manual

Model: iPlay 70 Max Pro | Brand: ALLDOCUBE

1. INTRODUCTION

The ALLDOCUBE iPlay 70 Max Pro is a high-performance 4G tablet designed for versatile use. It features the latest Android 16 operating system, a large 13-inch 2.5K display, and is powered by a UNISOC T7300 octa-core processor. This tablet offers a 10000mAh battery, 4G LTE connectivity, and advanced AI capabilities, making it suitable for work, study, and entertainment. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your device to ensure a smooth and enjoyable user experience.

2. PACKAGE CONTENTS & DEVICE LAYOUT

Before using your tablet, please ensure all items are present and familiarize yourself with the device's physical components.

- ALLDOCUBE iPlay 70 Max Pro Tablet
- USB Type-C Cable
- PD 20W Charger
- SIM Card Pin
- User Manual

Device Components:

1. Rear Camera
2. Front Camera
3. Power Switch
4. Volume +/- Buttons
5. SIM/SD Card Slot
6. Charging Port (USB Type-C)
7. Speakers (Quad Speakers)

3. SETUP

3.1 Initial Power On

1. Press and hold the Power Switch (3) until the ALLDOCUBE logo appears.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.

3.2 SIM Card / MicroSD Card Installation

1. Locate the SIM/SD Card Slot (5) on the side of the tablet.
2. Insert the provided SIM card pin into the small hole next to the tray to eject it.
3. Place your 4G LTE SIM card and/or microSD card (up to 1TB) into the tray, ensuring correct orientation.
4. Gently push the tray back into the slot until it clicks into place.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

- **Touch Gestures:** Use standard Android touch gestures for navigation, app interaction, and content manipulation.
- **Dock Bar:** The ALLDOCUBE OS 5.0 L features a Dock bar for quick access to frequently used applications.
- **Split Screen:** To use split-screen mode, use a three-finger swipe gesture or refer to the system settings for activation. This allows for efficient multitasking.
- **Screen On/Off:** Double-tap the screen to turn it off.

4.4 Cameras

The tablet is equipped with a 13MP rear camera (with flash) and a 5MP front camera. Use them for video calls, online classes, and capturing photos and videos.

Image: Tablet camera system diagram.

4.5 Connectivity (Wi-Fi, Bluetooth, 4G LTE)

The tablet supports Wi-Fi 6 and Bluetooth 5.4 for stable and high-speed wireless connections. 4G LTE functionality allows you to stay connected to the internet even without Wi-Fi access, using a compatible SIM card.

Image: Wireless connectivity features.

4.6 GPS Navigation

With support for GPS, Beidou, Galileo, and GLONASS satellite systems, the tablet provides high-precision and reliable location tracking for navigation and mapping applications.

6. PERFORMANCE AND STORAGE

The ALLDOCUBE iPlay 70 Max Pro is built for smooth performance and ample storage.

- **Processor:** Powered by a 6nm UNISOC T7300 octa-core processor (up to 2.2GHz), the tablet delivers efficient performance for multitasking, online meetings, video playback, and casual gaming.
- **Memory & Storage:** It comes with 16GB RAM (8GB physical + 8GB virtual) and 128GB internal storage. The storage is expandable up to 1TB using a microSD card, providing plenty of space for apps, photos, videos, and documents.

7. BATTERY AND CHARGING

The tablet is equipped with a robust battery system for extended use.

- **Battery Capacity:** A 10000mAh battery provides ample power for all-day work, study, and entertainment.
- **Fast Charging:** The device supports 30W PD fast charging, allowing for quick power recovery. Please note that the included charger is 20W; a separate 30W PD charger is required to utilize the full 30W fast charging capability.

Image: 10000mAh battery and usage estimates.

8. AI FEATURES

Leverage the tablet's integrated AI capabilities for enhanced productivity and convenience.

- **Gemini AI:** The tablet supports the latest Gemini AI, assisting with information retrieval, translation, data organization, and idea generation. This streamlines daily tasks such as research and content creation.
- **Google Lens:** With Google Lens integration, simply point the camera at objects, text, or products to quickly identify, translate, or search for information on the spot.

9. OPTIONAL ACCESSORIES

Enhance your tablet experience with these separately sold accessories:

- **Stylus Pen:** A stylus with 4096 levels of pressure sensitivity allows for precise drawing, writing, and note-taking.
- **Magnetic Keyboard:** A dedicated Pogo Pin magnetic keyboard transforms your tablet into a laptop-like device, improving productivity for typing-intensive tasks.

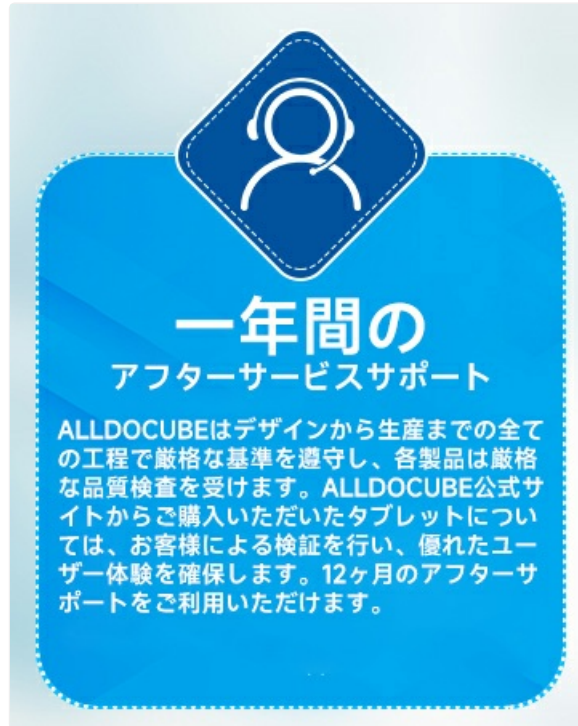

Image: Optional stylus and magnetic keyboard.

10. IMPORTANT NOTES & PRECAUTIONS

- The product includes a 20W PD charger. For 30W fast charging, a separate 30W PD charger is required.
- The headphone jack is Type-C, not 3.5mm. Please use compatible Type-C headphones or an adapter.
- A protective film is pre-applied to the tablet screen. When peeling it off, handle with care to prevent screen damage or scratches.
- This product does not support multi-user functionality.

Dimensions	29.8 x 19.3 x 0.7 cm
Weight	Approx. 684g
AI Features	Gemini AI, Google Lens
Video Streaming Support	Widevine L1

12. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your tablet.

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials.
- **Software Updates:** Regularly check for and install system updates to ensure your device has the latest features, security patches, and performance improvements.
- **Battery Care:** Avoid extreme temperatures and fully discharging the battery frequently. For long-term storage, charge the battery to around 50-60%.
- **Storage Management:** Periodically clear unnecessary files and apps to free up storage space and maintain device speed.

13. TROUBLESHOOTING

If you encounter issues with your tablet, refer to the following common solutions:

- **Device Not Powering On:** Ensure the battery is charged. Connect the tablet to the charger and wait a few minutes before attempting to power it on again. If it still doesn't turn on, try holding the power button for 10-15 seconds for a forced restart.
- **Screen Unresponsive:** If the screen is frozen, perform a forced restart by holding the power button for 10-15 seconds.

- **Wi-Fi/Bluetooth Connectivity Issues:** Try toggling Wi-Fi/Bluetooth off and on. Restart your router or the tablet. Ensure you are within range of the network/device.
- **Apps Crashing/Slow Performance:** Close background applications. Clear app caches or reinstall problematic apps. Ensure sufficient storage space is available.
- **Charging Issues:** Check the charging cable and adapter for damage. Ensure the charging port is clean and free of debris. Use the original charger or a compatible PD charger.

For persistent issues, please contact customer support.

14. WARRANTY AND SUPPORT

ALLDOCUBE is committed to providing quality products and excellent customer service.

- **Product Warranty:** The ALLDOCUBE iPlay 70 Max Pro comes with an 18-month product warranty. Initial defects or malfunctions under normal use are eligible for free replacement. (Note: Consumables and human-induced damage are not covered by warranty.)
- **Customer Support:** For any inquiries or support, please use one of the following methods:
 - a. Official LINE: [@175lhsbh](#)
 - b. Through the product page: Navigate to the product page, click on the store name, and then select 'Ask a Question'.
 - c. Via your Amazon account: Go to 'Order History', select the relevant order, and then choose 'Contact Seller'.
