Nifeliz NF10341

Nifeliz M-ATV Car Building Set (NF10341) Instruction Manual

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and care of your Nifeliz M-ATV Car Building Set, Model NF10341. This set allows you to construct a detailed armored tactical vehicle model, featuring functional elements and an authentic design. The completed model measures approximately 52.5 x 24.1 x 34.4 cm and consists of 3489 pieces made from durable Acrylonitrile Butadiene Styrene (ABS) material.

2. SETUP AND ASSEMBLY

The Nifeliz M-ATV Car Building Set (NF10341) requires assembly. A comprehensive instruction book is included with the product. Follow the step-by-step diagrams carefully. The 3489 parts are organized into numbered bags, which should be opened as indicated in the manual to manage the building process. Five storage boxes are provided to assist with sorting and organizing pieces during assembly. Pay close attention to color distinctions, especially between dark green and black components, as they can appear similar under certain lighting conditions.

3. OPERATING FEATURES

The M-ATV model incorporates several functional features designed to enhance realism and interaction:

- **Steering Mechanism:** Turn the steering wheel in the cockpit to control the direction of the front wheels, simulating realistic vehicle steering.
- **Transmission System:** Engage the gear lever located inside the cab to shift between six-speed transmission modes, offering both high and low-speed settings.
- **Engine Access:** The top-hinged engine hood opens to reveal a detailed L6 engine. Metallic painted parts highlight the mechanical layout, with linked components demonstrating piston movement.
- **Door Functionality:** The vehicle features opposite-opening doors, providing clear access to the detailed interior structures and cockpit.
- **Rotating Platform:** The rooftop platform, equipped with a mounted weapon, rotates. This movement engages an internal gear system, allowing for coordinated rotation.

4. MAINTENANCE

To ensure the longevity and appearance of your Nifeliz M-ATV model, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using harsh chemicals, abrasive materials, or excessive moisture, as these can damage the plastic components or printed details.
- **Storage:** Store the model in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause plastic components to become brittle or colors to fade.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to delicate components, especially moving parts like doors, steering, and the rotating platform.

5. TROUBLESHOOTING

If you encounter issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** In the unlikely event of missing pieces, please contact Nifeliz customer support directly. Nifeliz strives for a 98.97% completion rate for all sets and is committed to resolving such issues promptly. Refer to the 'Support' section for guidance on contacting customer service.
- **Assembly Difficulties:** If a step in the instruction manual is unclear, re-examine the diagrams carefully. Ensure all pieces are correctly oriented and fully connected. Pay particular attention to distinguishing between dark green and black components, as they can appear similar under certain lighting conditions.
- **Loose Connections:** If assembled parts feel loose or detach easily, ensure they are pressed firmly together until a secure connection is felt. Some connections may require more force to secure properly.

6. SPECIFICATIONS

Product Dimensions (L x W x H)	52.5 x 24.1 x 34.4 cm
Weight	5.47 kg
Model Number	NF10341
Material	Acrylonitrile Butadiene Styrene (ABS)
Number of Pieces	3489
Recommended Age	16 - 80 years
Theme	Military
Special Feature	Non-Toxic
Included Components	1 instruction book, 3489 parts in numbered bags, 5 storage boxes

7. WARRANTY INFORMATION

Nifeliz products are manufactured with a commitment to quality and completeness. While a specific long-term warranty period is not explicitly detailed, Nifeliz is known for its responsive customer support regarding product issues, including the provision of missing parts. For any concerns related to product defects or missing components, please contact Nifeliz customer service as detailed in the 'Support' section. Standard return policies may apply as per the retailer's terms of sale, typically allowing returns or replacements within 45 days of purchase.

8. SUPPORT

For assistance with your Nifeliz M-ATV Car Building Set (NF10341), including inquiries about missing parts, assembly guidance, or any other product-related questions, please contact Nifeliz customer service. Contact details are typically provided within the product packaging or on the official Nifeliz website. Nifeliz aims to respond to customer inquiries within 24 hours to ensure a satisfactory experience.
