VIAGDO bunk bed twin over twin

VIAGDO Twin Over Twin Bunk Bed Instruction Manual

Model: B0GKM8PMSD

1. Safety Information

Please read and understand all instructions before assembling and using this bunk bed. Failure to follow these instructions may result in serious injury.

- **Weight Capacity:** The maximum weight capacity for each bunk level is 400 pounds. Do not exceed this limit.
- **Guardrails:** The upper bunk is equipped with a 13.4-inch high safety guardrail. The lower bunk includes a 7.9-inch headboard barrier. Ensure all guardrails are properly installed and secured before use.
- **Mattress Requirements:** For the upper bunk, the mattress top must be at least 5 inches below the top of the guardrail. Recommended mattress dimensions are 75 inches x 38 inches with a thickness of 4-6 inches.
- **Ladder Use:** Always use the provided ladder for accessing the upper bunk. Ensure the ladder is stable and securely attached. The ladder features thickened sponge padding for comfortable, anti-slip climbing.
- **Anti-Tipping Device:** Install the included wall anchors (anti-tipping device) to ensure outstanding stability and prevent accidental tipping.
- **General Safety:** Do not allow more than one person on the upper bunk. Prohibit jumping on the bed. Periodically check all connections and hardware to ensure they remain tight.

2. Package Contents

The VIAGDO Twin Over Twin Bunk Bed ships in two boxes. Carefully unpack all components and verify against the parts list provided in the separate assembly manual. Ensure all parts are present and undamaged before beginning assembly.

Included Components:

- Metal Frame Sections
- Engineered Wood Panels (for storage and shelves)
- Guardrails
- Ladder with Foam Pads
- Slats for Mattress Support
- 2 Bedside Storage Boxes
- 5 Vertical Fabric Drawers
- 3 Under-bunk Fabric Drawers
- Clothes Hanging Rod
- Power Strip with 2 AC Outlets, 1 USB Port, 1 Type-C Port
- LED Light Strip
- Assembly Hardware (screws, bolts, etc.)
- Tools for Assembly
- Wall Anchors (Anti-Tipping Device)
- Remote Control for LED Lights

3. Setup and Assembly

Assembly of the VIAGDO Bunk Bed requires careful attention to detail. We recommend two adults for easier and safer assembly. All necessary parts, tools, and a detailed assembly manual are included in the packaging.

General Assembly Steps:

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware, comparing them with the included parts list.
2. **Frame Assembly:** Follow the step-by-step instructions in the dedicated assembly manual to construct the metal frame. Note the 'Plug-in Assembly' design for certain components.
3. **Storage Unit Integration:** Attach the hall tree structure, including the bedside storage boxes, vertical fabric drawers, clothes hanging rod, and open shelves, as per the manual.
4. **Under-Bunk Drawers:** Assemble and install the three spacious drawers located under the lower bunk.
5. **Ladder and Guardrails:** Securely attach the ladder and ensure all guardrails are firmly in place on both the upper and lower bunks.
6. **Power Strip Installation:** Mount the movable power strip in your desired, accessible location.
7. **LED Light Strip Installation:** Adhere the LED light strip according to the instructions, typically along the underside of the upper bunk.
8. **Anti-Tipping Device:** Crucially, install the wall anchors to secure the bunk bed to the wall, preventing accidental tipping.

4. Operating Instructions

Bunk Bed Usage:

- The bunk bed provides two independent sleeping zones. Ensure mattresses are correctly placed and secured by the guardrails and headboard barrier.
- Always use the ladder to access the upper bunk.

Storage System:

This bunk bed integrates a comprehensive storage system to maximize room organization.

- **Bedside Storage Boxes:** Two boxes on the upper bunk provide convenient storage for books, small toys, or personal items.

- **Vertical Fabric Drawers:** Five fabric drawers are integrated into the hall tree structure, suitable for clothes, accessories, or other essentials.
- **Clothes Hanging Rod:** Use the rod for hanging garments, keeping them wrinkle-free.
- **Open Shelves:** Two open shelves offer additional space for display or storage.
- **Side Shelf:** A 75.2" x 7.7" side shelf on the lower bunk is ideal for decor, alarm clocks, or bedtime reading materials.
- **Under-Bunk Drawers:** Three spacious drawers beneath the lower bunk provide discreet storage for blankets, seasonal items, or personal belongings.

Figure 6: Integrated storage system overview.

Figure 7: Side shelf and under-bunk drawers.

Adjustable Charging Station:

The bunk bed includes a movable power strip for convenient device charging.

- **Placement:** The power strip can be easily repositioned and secured wherever needed on the bed frame.
- **Ports:** It features 2 standard AC outlets, 1 USB port (5V/2A), and 1 fast-charging Type-C port (5V/3A).
- **Usage:** Connect lamps, charge smartphones, tablets, or other electronic devices.

Figure 8: Adjustable charging station.

LED Light Strip:

Enhance the ambiance of your room with the integrated LED light strip.

- **Control:** The LED lights can be controlled via the included remote or a smartphone application.
- **Features:** Adjust colors (60000+ RGB colors), choose from 29 dynamic modes, control brightness, and utilize the music sync function.
- **Scheduling:** Set schedules for the lights to turn on/off.

5. Maintenance

Proper maintenance ensures the longevity and safety of your VIAGDO Bunk Bed.

- **Cleaning:** Wipe metal and engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** Spot clean fabric drawers with a mild detergent and water. Allow to air dry completely. Do not machine wash.
- **Hardware Check:** Periodically (e.g., monthly) inspect all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary.
- **Guardrails and Ladder:** Ensure guardrails and the ladder remain securely attached and free from damage.

- **Electrical Components:** Keep the power strip and LED lights dry. Do not attempt to repair electrical components yourself; contact customer support if issues arise.

6. Troubleshooting

If you encounter any issues with your bunk bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware; Anti-tipping device not installed or loose.	Check and tighten all bolts and screws. Ensure the anti-tipping device is securely anchored to the wall.
LED lights not working.	Power connection issue; Remote control battery dead; App connection issue.	Check if the LED strip is properly plugged into the power source. Replace remote control batteries. Re-pair the app if necessary.
Power outlets not providing power.	Power strip not plugged in; Circuit breaker tripped.	Ensure the power strip's main plug is securely connected to a working wall outlet. Check your home's circuit breaker.
Drawers do not slide smoothly.	Obstruction; Misalignment.	Check for any items blocking the drawer path. Ensure drawers are correctly seated in their tracks.

If the problem persists or you encounter an issue not listed here, please contact VIAGDO customer support for assistance.

7. Specifications

- **Model:** B0GKM8PMSD
- **Dimensions (L x W x H):** 88.6" x 42.1" x 65"
- **Item Weight:** 130 Pounds
- **Maximum Weight Capacity (per level):** 400 Pounds
- **Frame Material:** Metal, Engineered Wood
- **Color:** Black
- **Style:** Modern
- **Special Features:** Charging Station (2 AC, 1 USB, 1 Type-C), LED Light Strip (RGB, App/Remote Control, Music Sync), Side Shelf, Underbed Drawers, Wardrobe with Hanging Rod and Shelves.
- **Assembly:** Required (instructions and tools included)
- **Manufacturer:** VIAGDO

8. Warranty and Support

VIAGDO products are designed for quality and durability. For specific warranty information, please refer to the warranty card included with your product or visit the official VIAGDO website.

Our customer support team is available to assist you with any questions, concerns, or issues you may have regarding your bunk bed. Please have your model number (B0GKM8PMSD) and purchase date ready when contacting support.
