

JUMMICO 0558D

JUMMICO Corner Dressing Table with LED Mirror - Model 0558D

User Manual

1. INTRODUCTION AND OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your JUMMICO Corner Dressing Table, Model 0558D. This L-shaped vanity features an LED mirror with three color modes, five storage drawers, open shelves, and integrated power outlets with USB ports, accompanied by a matching stool with hidden storage. Please read this manual thoroughly before assembly and use to ensure safe and correct operation.

2. SAFETY INFORMATION

To prevent injury or damage to the product, please observe the following safety precautions:

- Avoid exposing the product to excessive humidity.
- Exercise caution when handling electrical components.
- Ensure proper grounding when using electrical appliances on the vanity.
- Do not overload the integrated power outlets.
- Keep small parts and assembly hardware out of reach of children.

3. PACKAGE CONTENTS

The JUMMICO Corner Dressing Table package typically includes the following main components. Please verify all parts against the detailed list provided in your separate assembly guide.

- L-shaped vanity unit with integrated LED mirror
- Five storage drawers
- Matching stool with storage compartment

- Power outlet module with USB and Type-C ports
- Hairdryer holder
- Assembly hardware (screws, dowels, etc.)

4. SETUP AND ASSEMBLY

The JUMMICO Corner Dressing Table requires assembly. Follow the detailed instructions provided in the separate assembly guide included with your product. All parts are typically numbered for easy identification. Assembly usually takes approximately 3 hours.

DIMENSIONS

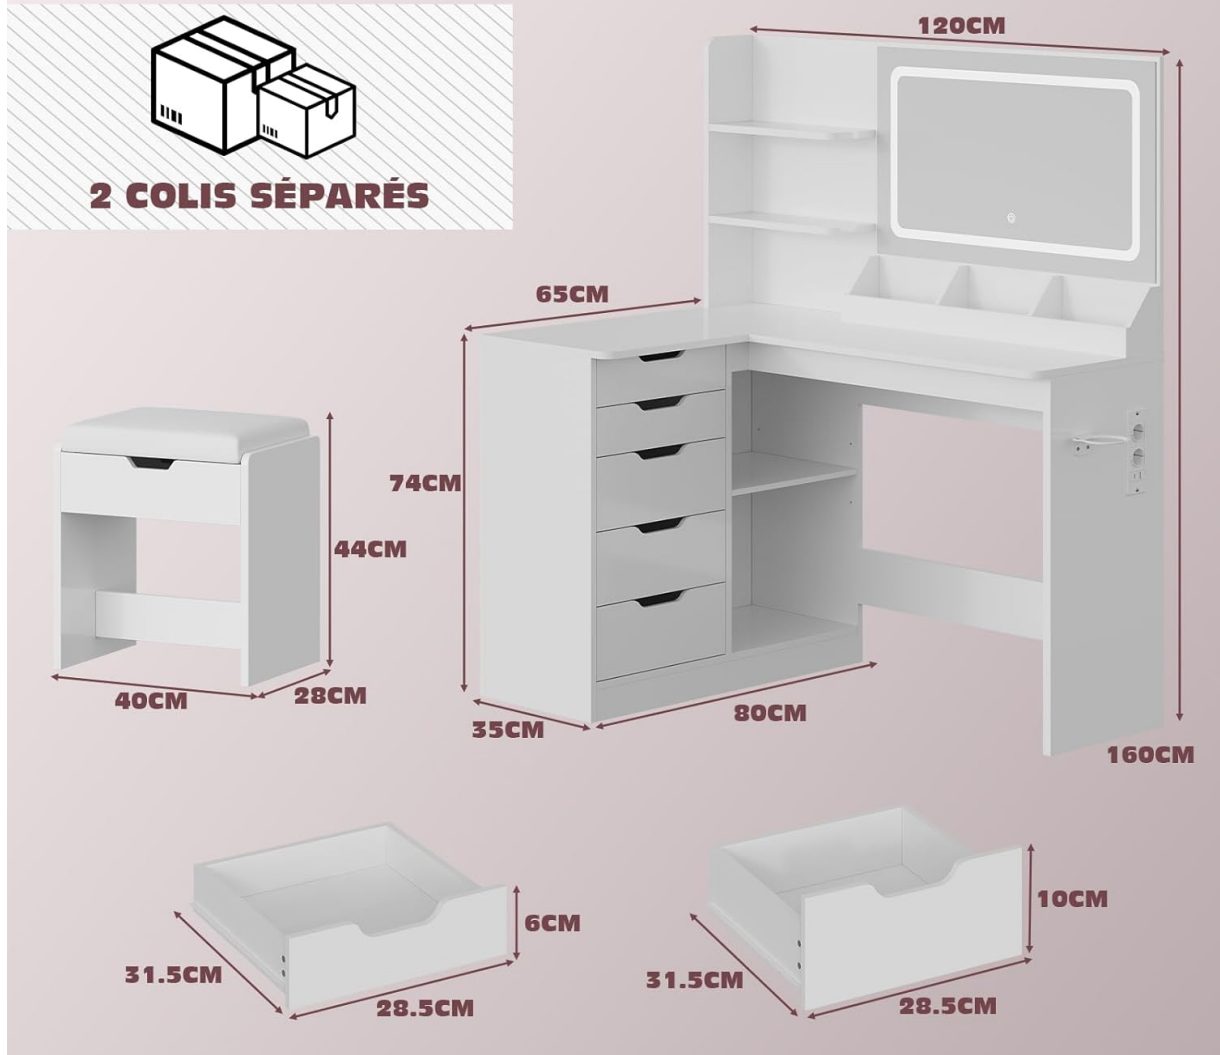

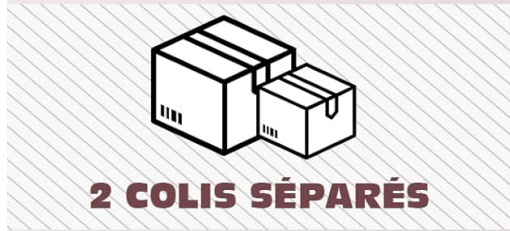

Image: A diagram illustrating the overall dimensions of the dressing table and stool, indicating that the product ships in two separate packages.

Assembly Steps (General Guide):

- 1. Unpack Components:** Carefully unpack all components and verify against the parts list in your assembly guide.
- 2. Identify Parts:** Locate numbered parts and hardware.
- 3. Assemble Frame:** Begin by assembling the main frame of the L-shaped vanity according to the instructions.
- 4. Install Drawers:** Assemble and install the five storage drawers into their respective compartments, ensuring smooth operation.
- 5. Attach Mirror:** Securely attach the LED mirror unit to the vanity.
- 6. Connect Electrical:** Connect the LED mirror power and the integrated power outlet module as per the electrical connection instructions.
- 7. Assemble Stool:** Assemble the matching stool, ensuring the storage compartment functions correctly.
- 8. Final Placement:** Position the assembled dressing table in your desired corner, ensuring it is stable and level.

5. OPERATING INSTRUCTIONS

LED Mirror Operation

The integrated LED mirror offers three distinct lighting modes to suit various needs and times of day:

- **Cool White Light:** Ideal for morning routines, providing bright, natural illumination.
- **Warm White Light:** Helps to avoid color differences in makeup application under indoor lighting.
- **Warm Yellow Light:** Creates a soft, ambient glow, suitable for evening use.

To switch between modes and adjust brightness, use the touch controls located on the mirror surface. A short press typically cycles through color modes, while a long press adjusts brightness within the selected mode.

Integrated Power Outlets

The dressing table includes convenient integrated power options for your electronic devices and styling tools:

- **Two Standard Electrical Sockets:** For plugging in hair dryers, curling irons, or other appliances.
- **One USB Port:** For charging smartphones and other USB-powered devices.

- **One Type-C Port:** For charging modern devices with Type-C connectivity.

A dedicated hairdryer holder is also provided for organized storage and easy access.

Storage Features

This dressing table is designed with multiple storage solutions to keep your items organized:

- **Five Smooth-Gliding Drawers:** For organizing cosmetics, accessories, and personal items.
- **Open Shelves:** For displaying frequently used items or decorative pieces.
- **Desk Compartments:** Additional spaces on the tabletop for small items.
- **Stool with Hidden Storage:** Lift the PU cushion to reveal a generous storage space for treasures or less frequently used items.

6. MAINTENANCE

To ensure the longevity and appearance of your JUMMICO Corner Dressing Table, follow these maintenance guidelines:

- **Cleaning Surfaces:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the LED mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair or modify the electrical components yourself. If issues arise, contact qualified personnel.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. Clean any dust or debris that may accumulate.
- **Avoid Excessive Moisture:** As stated in safety information, protect the product from excessive humidity to prevent damage to the wood or electrical parts.

7. TROUBLESHOOTING

LED Mirror Not Lighting Up

- **Check Power Connection:** Ensure the dressing table is properly plugged into a working electrical outlet.
- **Verify Mirror Connection:** Confirm that the LED mirror's power cable is securely connected to the vanity's internal wiring.
- **Touch Control:** Ensure you are using the touch control correctly (short press for mode, long press for brightness).

Power Outlets Not Working

- **Check Main Power:** Confirm the main power cord for the vanity is plugged in and the wall outlet is functional.
- **Overload:** Avoid overloading the outlets. Disconnect some devices and try again.
- **Device Functionality:** Test the device you are trying to power with another outlet to ensure it is not the device itself that is faulty.

Drawers Sticking or Not Gliding Smoothly

- **Check Alignment:** Ensure drawers are properly aligned on their slides.
- **Obstructions:** Look for any objects or debris obstructing the drawer slides.
- **Hardware Tightness:** Verify that all screws securing the drawer slides are tight.

8. SPECIFICATIONS
