SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten if necessary.
- Do not exceed the maximum static load capacity of 110 lb (50 kg).
- Avoid placing hot items directly on the tabletop without protection.
- Do not stand or sit on the desk.
- Use the adjustable feet to ensure the desk is balanced on uneven floors to prevent wobbling.

No Wobbling

Equipped with adjustable feet, the computer desk remains balanced even on slightly uneven floors, preventing annoying wobbling that could disturb your work or study. These feet also protect your floor from scratches.

MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the particleboard.
- **Heat Protection:** Always use coasters or protective pads under hot dishes, cups, or other items that may leave marks.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as needed.
- **Placement:** Avoid prolonged exposure to direct sunlight or extreme humidity, which can affect the material's integrity.

TROUBLESHOOTING

Desk is Wobbling

- **Check Adjustable Feet:** Ensure all four adjustable feet are making firm contact with the floor. Adjust them individually until the desk is stable.
- **Tighten Screws:** Verify that all assembly screws, especially those connecting the frame and tabletop, are securely tightened.
- **Level Surface:** Confirm the desk is placed on a relatively level surface. Significant unevenness may require shims under the adjustable feet.
