MAINTENANCE & CARE

Proper care will extend the life and appearance of your sofa.

Fabric Care (Corduroy):

- The corduroy fabric covers are machine washable. Unzip the covers from the cushions, wash on a gentle cycle with cold water, and tumble dry on low or air dry.
- Avoid using harsh chemicals or bleach, as this may damage the fabric.
- Spot clean minor spills immediately with a clean, damp cloth and mild soap.

- Avoid direct sunlight exposure for prolonged periods to prevent fading.

TROUBLESHOOTING

If you encounter any issues with your sofa, please refer to the following common solutions or contact customer support.
