LIKIMIO 1079768

LIKIMIO Full Bed Frame Instruction Manual

Model: 1079768 | Brand: LIKIMIO

PRODUCT OVERVIEW

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your LIKIMIO Full Bed Frame. Please read all instructions carefully before assembly and use.

- **Boho Rattan Design:** Features a classic rattan lattice headboard and footboard, adding natural texture and a warm aesthetic.
- **No Box Spring Needed:** Equipped with sturdy, high-quality metal slats designed to support mattresses directly, eliminating the need for a box spring.
- **Noise-Free Operation:** Slats include EVA silent pads to reduce friction and prevent squeaking, ensuring a quiet experience.
- **Underbed Storage:** Offers approximately 9.8 inches of clearance for convenient storage of bins and other items.
- **Easy Assembly:** Designed for straightforward assembly with clearly labeled parts and comprehensive instructions.

SETUP AND ASSEMBLY

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included instruction manual for a detailed step-by-step guide. All necessary tools are provided.

1. Unpack all components and verify against the parts list in your included manual.
2. Identify the headboard and footboard sections.
3. Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure but do not fully tighten until all major components are in place.
4. Install the central support beam and legs.
5. Attach the metal slats. Each slat is designed to fit into specific notches on the frame. Align the slat with the notch and press down firmly to secure it.
6. Ensure all EVA silent pads are correctly positioned on the slats to prevent noise.
7. Once all components are assembled, fully tighten all screws and bolts.

OPERATING INSTRUCTIONS

This bed frame is designed for standard full-size mattresses. No box spring is required.

- **Mattress Placement:** Place your full-size memory foam or spring mattress directly onto the metal slats. The design prevents mattress sliding.
- **Weight Capacity:** The bed frame has a maximum weight capacity of 750 pounds. Do not exceed this limit to ensure safety and product longevity.
- **Underbed Storage:** Utilize the 9.8 inches of clearance beneath the frame for storage. This space is suitable for storage bins, suitcases, or other items.

MAINTENANCE

Regular maintenance helps ensure the longevity and performance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners that may damage the painted finish. The rattan headboard can be gently dusted or wiped with a slightly damp cloth.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Slat Pads:** Inspect the EVA silent pads on the slats for wear. Replace if damaged to maintain noise-free operation.
- **Safety:** Be mindful of sharp edges during cleaning or moving the frame.

TROUBLESHOOTING

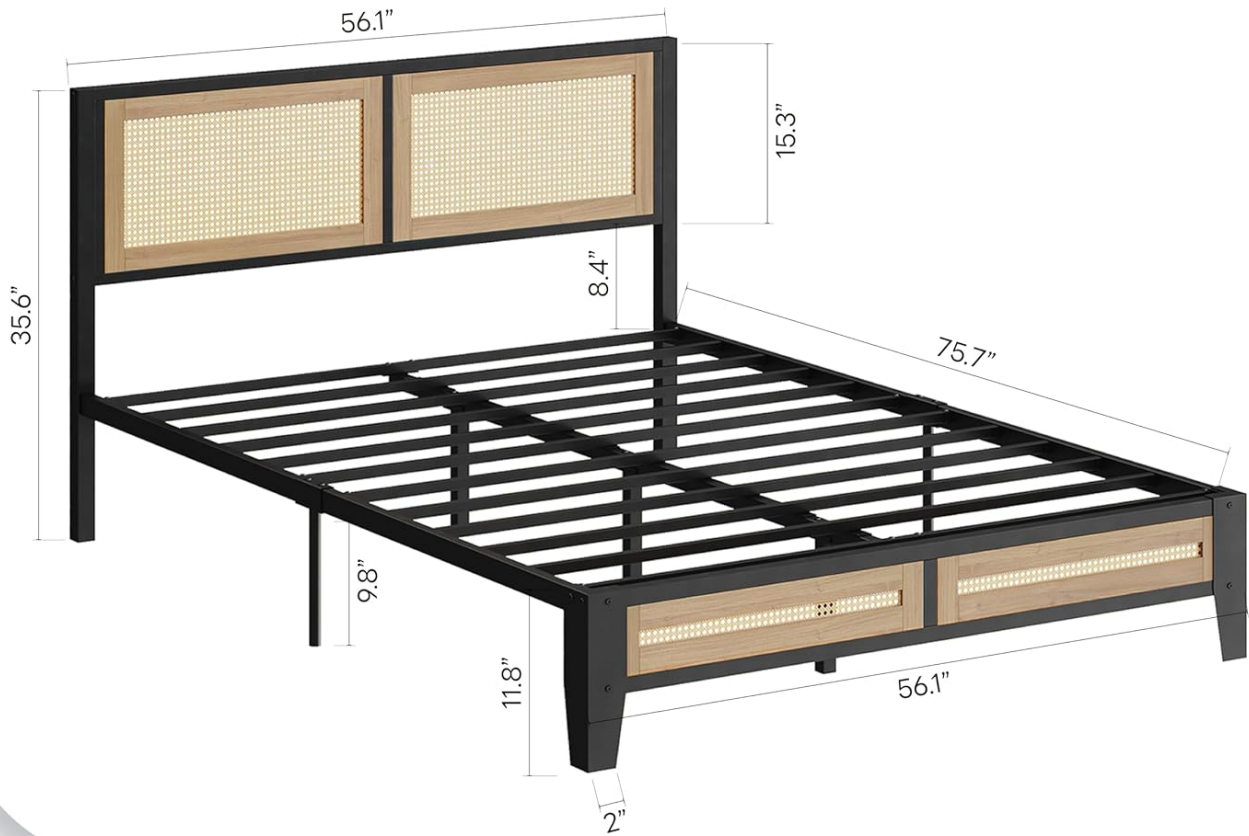

Problem	Possible Cause	Solution
Bed frame is squeaking or making noise.	Loose fasteners; worn or missing EVA silent pads on slats; improper slat placement.	Tighten all screws and bolts. Ensure all EVA silent pads are in place and undamaged. Verify that all slats are correctly seated in their notches.
Bed frame feels unstable or wobbly.	Loose connections; uneven floor.	Re-tighten all assembly hardware. Ensure the bed frame is on a level surface. If necessary, use shims under the legs to stabilize.
Mattress slides on the frame.	Incorrect mattress size; lack of friction.	Ensure you are using a full-size mattress. The frame is designed to prevent sliding, but if it occurs, a non-slip mattress pad can be placed between the mattress and slats.
Parts are missing or damaged upon arrival.	Shipping damage or packaging error.	Contact LIKIMIO customer support immediately for assistance with replacement parts.

SPECIFICATIONS

Feature	Detail
Model Number	1079768
Size	Full
Material	Metal (Frame), Rattan (Headboard)
