SUNVIVI 14QT Roasting Pan (Model ZER007) Instruction Manual

Your guide to using and maintaining your SUNVIVI Roasting Pan.

INTRODUCTION

This manual provides essential information for the safe and effective use of your SUNVIVI 14QT Roasting Pan. Designed for durability and versatile cooking, this pan is suitable for roasting, baking, simmering, and more. Please read these instructions thoroughly before first use and retain for future reference.

IMPORTANT SAFETY INSTRUCTIONS

- Always use oven mitts or pot holders when handling the hot roasting pan.
- Do not place the hot pan directly on unprotected surfaces. Use a trivet or heat-resistant mat.
- Ensure the pan is stable and level when filled with food to prevent spills.
- Avoid using abrasive cleaners or metal scouring pads, which can damage the non-stick enamel coating.
- Do not expose the pan to extreme temperature changes, such as placing a hot pan under cold water, as this may cause warping or damage.
- Keep out of reach of children.

SETUP AND FIRST USE

Before using your SUNVIVI Roasting Pan for the first time, follow these steps:

1. Remove all packaging materials and labels from the pan.
2. Wash the pan thoroughly with warm, soapy water. Rinse completely and dry with a soft cloth.
3. The pan is designed to integrate seamlessly with compatible Sunvivi Electric Roaster Ovens. Ensure the pan fits correctly into your appliance before use.

Replaceable Accessories for Sunvivi Electric Roaster Oven

14QT

OPERATING INSTRUCTIONS

The SUNVIVI 14QT Roasting Pan is versatile and can be used for a variety of cooking tasks:

- **Roasting:** Place your meat or vegetables directly into the pan. For best results, use a roasting rack (not included) to elevate food and allow for even air circulation. The pan is oven safe up to 450°F (232°C).
- **Baking:** Ideal for large casseroles, lasagna, or other baked dishes.
- **Simmering:** Use for preparing large batches of soups, stews, or sauces.
- **Versatile Cooking:** This pan is suitable for preparing various meals, including turkey, pot roast, bean soup, sauces, and even homemade pet food.

For cooking turkey
& other dishes

Oven safe up to
450°F/260°C

Uniform heat,
delightful outcome

MAINTENANCE AND CLEANING

Proper care will extend the life of your roasting pan:

- **Hand Washing:** For best results and to preserve the non-stick coating, wash the pan with warm, soapy water and a soft sponge or cloth. Rinse thoroughly and dry immediately.
- **Dishwasher Safe:** The pan is dishwasher safe for convenient cleaning. Place it on the bottom rack if space allows, ensuring it does not block spray arms.
- **Stubborn Food Residue:** If food is stuck, soak the pan in warm, soapy water for 15-20 minutes before cleaning. Avoid using sharp objects or abrasive materials that could scratch the surface.
- **Storage:** Store the pan in a dry place. If stacking with other cookware, place a soft cloth or paper towel between pans to protect the non-stick surface.

Dishwasher Safe

for effortless cleanup

TROUBLESHOOTING

Problem	Possible Cause	Solution
Pan does not fit in roaster oven.	Incorrect size or incompatible model.	Verify the model number and dimensions of your roaster oven against the pan's specifications. This pan is specifically designed for Sunvivi Electric Roaster Ovens.
Food sticking to the pan.	Insufficient oil/fat, high heat, or damaged non-stick coating.	Ensure adequate oil or cooking spray is used. Avoid overheating. If the coating is damaged, consider replacement.
Pan appears warped.	Sudden temperature changes.	Allow the pan to cool gradually before washing. Avoid placing a hot pan into cold water.
