Lovehoney Blowmotion

Lovehoney Blowmotion Male Masturbator

Model: Blowmotion

Introduction

Thank you for choosing the Lovehoney Blowmotion Male Masturbator. This device is designed to provide a unique experience with its rotating, thrusting, and vibrating functions. Please read this manual thoroughly before first use to ensure safe and optimal operation, maintenance, and care of your product.

Safety Information

- **Adult Use Only:** This product is intended for adult use only.
- **Consult a Doctor:** If you have any medical conditions or concerns, consult a healthcare professional before using this product.
- **Lubrication:** Always use a water-based lubricant with this product. Oil-based lubricants can damage the TPE material.
- **Cleaning:** Clean the product thoroughly before and after each use as described in the Maintenance section.
- **Damage:** Do not use the product if it appears damaged or if the TPE sleeve is torn or compromised.
- **Charging:** Use only the provided charging cable. Do not leave the product unattended while charging.
- **Storage:** Store in a cool, dry place away from direct sunlight and out of reach of children.

Package Contents

Verify that all items are present in your package:

- Lovehoney Blowmotion Male Masturbator
- USB Charging Cable
- Instruction Manual (this document)

Product Overview

The Lovehoney Blowmotion is a versatile male masturbator featuring a removable TPE sleeve for easy cleaning

and a robust ABS plastic casing. It offers multiple modes for a varied experience.

The Lovehoney Blowmotion device, showcasing its textured internal sleeve.

Key Features:

- **Real Feel Performance:** Textured stroker designed for lifelike sensations, combining rotating thrusting with deep internal texture.
- **Powered Vibration Control:** Features 3 vibration speeds and 7 vibration patterns for precise intensity control.
- **Rotating & Thrusting Action:** Delivers 3 speeds and 5 patterns of rotating and thrusting.
- **Convenient Design:** Offers a 60-minute runtime, integrated travel lock, and USB charging.
- **Easy Clean & Comfort:** Removable TPE sleeve with a 3-inch insertable length for easy cleaning.

Setup

Charging the Device:

1. Locate the charging port on the base of the device.
2. Insert the small end of the provided USB charging cable into the charging port.
3. Connect the larger USB end of the cable to a USB power source (e.g., computer, USB wall adapter).
4. The indicator lights on the device will illuminate to show charging status. A full charge typically takes approximately 2-3 hours.
5. Once fully charged, disconnect the cable. Do not overcharge the device.

The Lovehoney Blowmotion connected to its USB charging cable.

Operating Instructions

Basic Operation:

1. Ensure the device is fully charged.
2. Apply a generous amount of water-based lubricant to the TPE sleeve and your body.
3. Press and hold the power button (**O**) for 2 seconds to turn the device on. The indicator lights will illuminate.
4. Press the vibration button (**M**) to cycle through 3 vibration speeds and 7 vibration patterns.
5. Press the thrusting/rotating button (**W**) to cycle through 3 speeds and 5 patterns of rotating and thrusting motions.
6. To turn off the device, press and hold the power button (**O**) for 2 seconds.

Travel Lock:

- To activate the travel lock, press and hold both the vibration button (**M**) and the thrusting/rotating button (**W**) simultaneously for 3 seconds while the device is off. The lights will flash to confirm activation.
- To deactivate the travel lock, repeat the same action. The lights will flash again to confirm deactivation.

Maintenance

Cleaning:

1. Turn off the device and disconnect any charging cables.
2. Carefully remove the TPE sleeve from the main unit.
3. Wash the TPE sleeve thoroughly with warm water and a toy cleaner or mild soap. Rinse completely.
4. Wipe the main unit with a damp cloth and toy cleaner or mild soap. Do not submerge the main unit in water.
5. Allow both parts to air dry completely before reassembling or storing.

The removable TPE sleeve, designed for easy cleaning and hygiene.

Storage:

Store the Lovehoney Blowmotion in a clean, dry, and dust-free environment. Keep it away from extreme temperatures, direct sunlight, and other adult products made of different materials to prevent material degradation.

Troubleshooting

- **Device not turning on:** Ensure the device is fully charged. If it still doesn't turn on, try activating/deactivating the travel lock.
- **Weak performance:** Recharge the device. If performance remains weak after a full charge, contact customer support.
- **Charging issues:** Ensure the charging cable is securely connected to both the device and the power source. Try a different USB port or adapter.
- **Unusual noises or smells:** Discontinue use immediately and contact customer support.
