SAFETY INFORMATION

For your safety and to prevent damage to the product, observe the following guidelines:

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Do not exceed the weight capacity of 60 lbs for the overall cart. The pull-out shelf has a weight capacity of 13.2 lbs.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Always lock the wheels when the cart is in a stationary position to ensure stability.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should include:

- All necessary furniture panels and hardware.
- Assembly Guide.

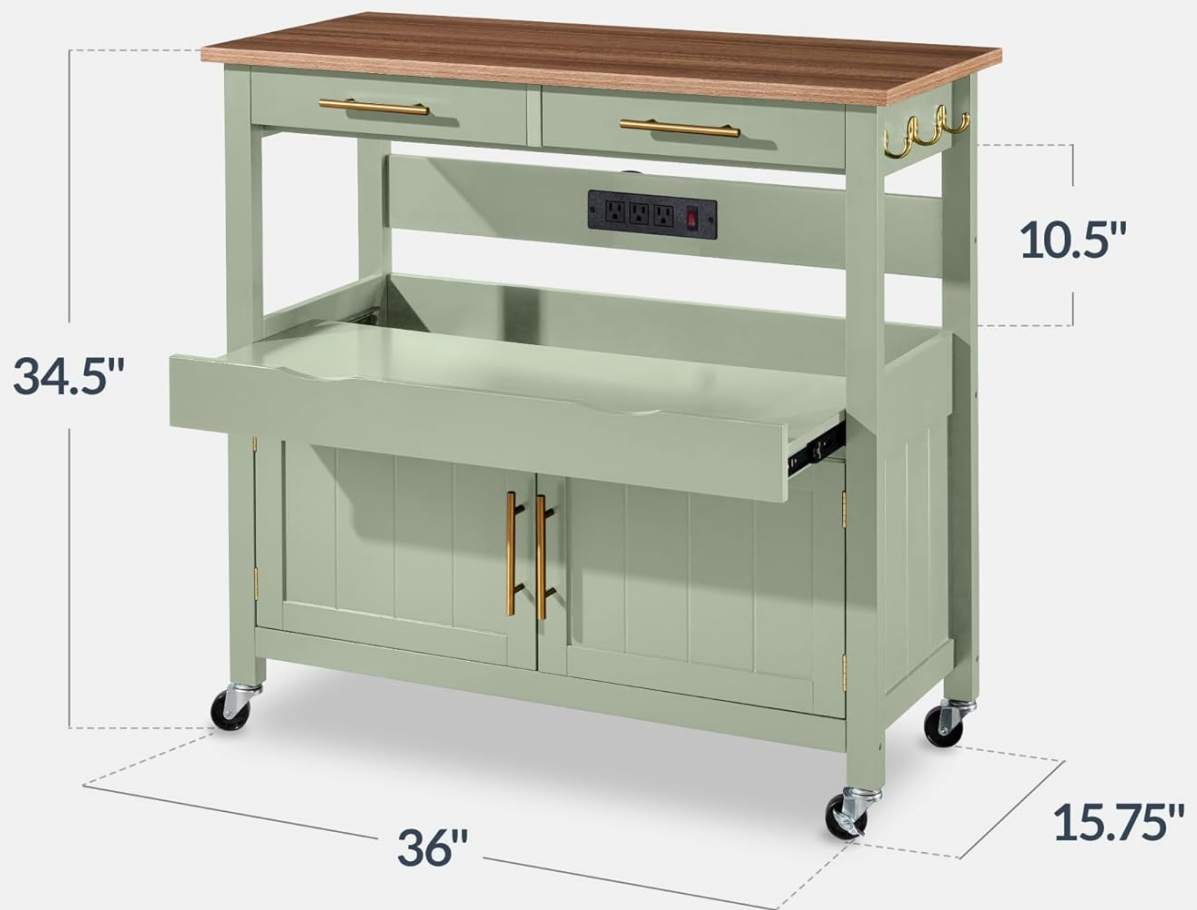

If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

SETUP AND ASSEMBLY

Assembly of the kitchen island cart is required. Please follow the included Assembly Guide carefully. It is recommended to have a second person assist with assembly to ensure stability and ease of construction.

Important Tips for Assembly:

- Lay out all parts and hardware before starting.
- Identify each component by referring to the parts list in the Assembly Guide.
- Do not overtighten screws during initial assembly; tighten fully once all components are aligned.
- If you encounter difficulty, refer to the detailed diagrams in the Assembly Guide.

OPERATING INSTRUCTIONS

Using the Pull-Out Shelf

The smooth-glide pull-out shelf provides convenient access to small appliances or serving dishes. Gently pull the shelf forward to extend it and push it back to retract. Ensure items placed on the shelf do not exceed the 13.2 lbs weight limit.

Utilizing Built-In Power Outlets

The cart features three integrated 3-prong power outlets. These outlets are designed to power kitchen appliances or charge devices. To use, plug your appliance into one of the outlets. Ensure the power switch on the outlet strip is in the "ON" position. Always unplug appliances when not in use.

Drawers and Cabinet Storage

The two drawers are suitable for storing utensils, linens, or small tools. The two-door cabinet provides larger storage space for pantry items, small appliances, or craft supplies. Open and close drawers and cabinet doors gently to prevent wear and tear.

Lockable Swivel Wheels

The cart is equipped with swivel casters for easy mobility. To move the cart, unlock all wheels. To secure the cart in a stationary position, press down on the locking mechanism on each wheel until it clicks into place. Ensure all wheels are locked before placing heavy items on the cart or using it as a stable workstation.

MAINTENANCE

To maintain the appearance and functionality of your kitchen island cart:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.

- Keep the cart dry and away from excessive moisture to prevent damage to the engineered wood and MDF components.

TROUBLESHOOTING

If you encounter issues with your kitchen island cart, consider the following:

Assembly Difficulties

- **Problem:** Parts do not align or screws do not fit.
- **Solution:** Double-check the Assembly Guide to ensure you are using the correct parts for each step and that they are oriented correctly. Loosen previously tightened screws slightly to allow for adjustment, then retighten once aligned.
- **Problem:** Missing or damaged parts.
- **Solution:** Do not attempt to force assembly with incorrect or damaged parts. Contact Best Choice Products customer support for replacement parts.

Stability Issues

- **Problem:** Cart feels wobbly or unstable.
- **Solution:** Ensure all fasteners are securely tightened. Verify that the cart is on a flat, level surface. If moving, ensure all wheels are unlocked; if stationary, ensure all wheels are locked.

Power Outlets Not Working

- **Problem:** Appliances plugged into the cart's outlets do not receive power.
- **Solution:** Check that the power switch on the outlet strip is in the "ON" position. Ensure the cart's main power cord is securely plugged into a functional wall outlet. If the outlets have a reset button, press it.
