

MEETION K9552

MEETION K9552 Bluetooth Foldable Keyboard User Manual

Model: K9552

1. INTRODUCTION

This manual provides detailed instructions for the MEETION K9552 Bluetooth Foldable Keyboard with integrated touchpad and numeric keypad. Designed for portability and multi-device compatibility, this keyboard offers a full-size typing experience across various operating systems.

2. PRODUCT OVERVIEW

The MEETION K9552 is a versatile, foldable Bluetooth keyboard designed for efficiency and convenience. It combines a full QWERTY layout with a numeric keypad and a multi-touch touchpad, eliminating the need for separate peripherals.

Key Features:

- **Integrated Trackpad & Numeric Keypad:** Control your device with multi-touch gestures and boost productivity with the dedicated numeric keypad.
- **Stable Flat Typing:** Metal support bars and secure latches ensure the keyboard remains rigid and flat, preventing accidental folding or wobbling during use.
- **Full-Size Scissor-Switch Keys:** Standard 96-key QWERTY layout with a full row of shortcut keys. The X-shaped scissor-switch mechanism provides a quiet, smooth, and precise typing experience.
- **Triple Device Connection:** Advanced Bluetooth 5.3 technology allows simultaneous pairing with up to three devices, with easy switching via dedicated buttons.
- **Long-Lasting USB-C Rechargeable Battery:** Built-in 280mAh battery offers up to 90 days standby time. Fast charging via USB-C (2-3 hours for full charge) and automatic sleep mode after 20 minutes of inactivity.
- **Durable Leather Protection:** High-quality leather backing provides resistance to wear, scratches, and stains, ensuring longevity and stability.

Product Components:

- 1x MEETION K9552 Keyboard
- 1x User Manual
- 1x USB-C Charging Cable
- 1x Velvet Bag

3. SETUP INSTRUCTIONS

3.1 Charging the Keyboard

1. Locate the USB-C charging port on the keyboard.
2. Connect the provided USB-C cable to the keyboard and a compatible USB power source.
3. The power indicator light will illuminate during charging. A full charge typically takes 2-3 hours.

Type-C Charging

Refilled and Ready to Go in

Just 3 Hours

Figure 3.1: The keyboard connected to a power source via its USB-C charging cable, indicating the charging process.

3.2 Powering On/Off

1. To power on, unfold the keyboard. The power indicator light will briefly illuminate.
2. To power off, fold the keyboard. It will automatically enter sleep mode after 20 minutes of inactivity.

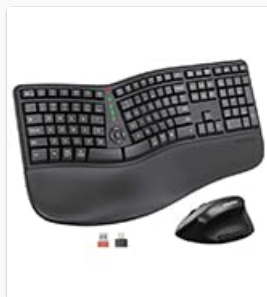

Figure 3.2: A close-up view of the power toggle switch on the side of the keyboard. Slide to Green for On, Red for Off.

3.3 Bluetooth Pairing

1. Ensure the keyboard is powered on and unfolded.
2. Press and hold the **Fn** key simultaneously with one of the Bluetooth channel keys (**BT1**, **BT2**, or **BT3**) for 3-5 seconds until the corresponding Bluetooth indicator light blinks rapidly. This indicates pairing mode.
3. On your device (laptop, tablet, smartphone), enable Bluetooth and search for available devices.
4. Select "MEETION K9552" from the list of available devices.
5. Follow any on-screen prompts to complete the pairing process. The indicator light will stop blinking once successfully paired.
6. To pair additional devices, repeat steps 2-5 using a different Bluetooth channel key.

Video 3.1: This video demonstrates the Bluetooth pairing process for the K9552 keyboard with a laptop, showing how to activate pairing mode and connect to a device.

3.4 System Compatibility

The keyboard is compatible with multiple operating systems. To optimize key functions for your specific system, press and hold the **Fn** key and the corresponding system key:

- **Fn + Q** for iOS
- **Fn + W** for Android
- **Fn + E** for Windows
- **Fn + R** for Mac

Figure 3.3: Illustration of the Fn key combinations used to switch keyboard layouts for iOS, Android, Windows, and Mac operating systems.

4. OPERATING INSTRUCTIONS

4.1 Using the Touchpad

The integrated multi-touch touchpad supports various gestures for navigation and control:

- **Single Finger Tap:** Left click.
- **Two Fingers Tap:** Right click.
- **Two Fingers Pinch:** Zoom in or out.
- **Three Fingers Tap (Windows 10/11):** Search.

To disable or enable the touchpad, press **Fn + Touchpad icon key**.

Multi - Device Connection

Your Workflow, Effortlessly United

4.2 Function Keys (F1-F12)

The top row of keys provides quick access to various functions. Some keys have secondary functions activated by pressing the **Fn** key simultaneously:

- **F1-F3**: Bluetooth Channel switching.
- **F4-F5**: Brightness adjustment.
- **F6**: Application switching.
- **F7**: Search.
- **F8**: Screenshot.
- **F9-F11**: Volume control (Mute, Volume Down, Volume Up).
- **F12**: Insert emoticon.

Figure 4.2: A visual guide to the keyboard's full row of shortcut keys and common multi-touch gestures for the touchpad.

5. MAINTENANCE

5.1 Cleaning

To clean the keyboard, use a soft, dry, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner. Avoid excessive moisture and do not spray cleaners directly onto the keyboard.

5.2 Battery Care

To prolong battery life, fully charge the keyboard before first use. When not in use, the keyboard will enter sleep mode to conserve power. To wake it up, simply press any key. Avoid exposing the keyboard to extreme temperatures.

6. TROUBLESHOOTING

6.1 Connection Issues

- **Keyboard not connecting:** Ensure Bluetooth is enabled on your device and the keyboard is in pairing mode (rapidly blinking indicator light). Try restarting both the keyboard and your device.
- **Intermittent connection:** Ensure the keyboard is within the 10-meter Bluetooth range of your device. Avoid obstacles that may interfere with the signal.

6.2 Typing or Touchpad Issues

- **Keys not responding:** Check if the keyboard is powered on and fully charged. Ensure it is correctly paired with your device.
- **Touchpad not responding:** Ensure the touchpad is enabled (Fn + Touchpad icon key). Clean the touchpad surface to remove any debris.
- **Incorrect characters typed:** Verify that the keyboard's system compatibility setting matches your device's operating system (Fn + Q/W/E/R).
