1. SAFETY INFORMATION

Always read and understand all safety warnings and instructions before operating this electric garden tiller. Failure to follow these instructions may result in electric shock, fire, and/or serious injury.

- **Avoid Dangerous Environment:** Do not use appliances in damp or wet locations. Do not use in rain.
- **Keep Children Away:** All visitors should be kept at a safe distance from the work area.
- **Dress Properly:** Do not wear loose clothing or jewelry. They can be caught in moving parts. Use of rubber gloves and substantial footwear is recommended when working outdoors.
- **Use Safety Glasses:** Always use safety glasses with side shields.
- **Avoid Unintentional Starting:** Ensure the switch is in the off-position before plugging in.
- **Do Not Force Appliance:** It will do the job better and with less likelihood of a risk of injury at the rate for which it was designed.
- **Store Idle Appliances:** When not in use, appliances should be stored indoors in a dry, high or locked-up place out of reach of children.
- **Maintain Appliance With Care:** Keep cutting tools sharp and clean for better and safer performance. Follow instructions for lubricating and changing accessories. Inspect appliance cord periodically and if damaged, have it repaired by an authorized service facility. Inspect extension cords periodically and replace if damaged. Keep handles dry, clean, and free from oil and grease.
- **Disconnect Appliance:** Disconnect the appliance from the power supply when not in use, before servicing, or when changing accessories.
- **Extension Cords:** Use only extension cords suitable for outdoor use and rated for the appliance's power requirements.
- **Overload Protection:** The tiller is equipped with an overload protection system that automatically stops the motor

if it becomes overloaded or the blades get jammed, helping to prevent motor damage, extend the machine's lifespan, and enhance operational safety.

2. PRODUCT OVERVIEW

The DOVAMAN T03 Electric Garden Tiller is a powerful and efficient tool designed for soil preparation in vegetable gardens and flower beds. Its robust design and user-friendly features make gardening tasks easier.

Key Features:

- **18-Inch Wide Tilling Coverage:** Covers more soil in fewer passes, ideal for efficient preparation.
- **Up to 9-Inch Tilling Depth:** Achieves optimal depth for thorough soil cultivation.
- **15 Amp Powerful Motor:** Delivers steady, high-torque performance with a 380 RPM operating speed.
- **4-Position Adjustable Wheels:** Allows adaptation to different heights and soil conditions for superior control and maneuverability.
- **Foldable Handle:** Enables compact storage in garages or sheds.
- **Lightweight Design:** Weighs only 24 lbs for effortless maneuvering and transport.
- **Overload Protection:** Automatically stops the motor if overloaded or blades jam, preventing damage and enhancing safety.

3. ASSEMBLY

The DOVAMAN T03 Electric Garden Tiller is designed for straightforward assembly. Follow these steps to get your tiller ready for use.

3.1. Wheel Installation

1. Slide the wheels onto the axle.
2. Secure each wheel with a nylon lock nut. Use the included wrench to tighten the nuts until secure.
3. Clip on the wheel center caps.

Video 1: This video demonstrates the assembly process of the DOVAMAN T03 Electric Garden Tiller, including attaching the wheels and handlebars.

3.2. Handlebar Assembly

1. Install the lower handlebar section between the motor assembly and the wheel frame.
2. Secure this section using the provided carriage bolts and wing nuts. Hand-tighten the wing nuts.
3. Attach the upper handlebar section to the lower section using another set of carriage bolts and wing nuts.
4. Clip the power wire securely to the handlebar.

4. OPERATING INSTRUCTIONS

Before operating, ensure all safety guidelines are followed and the tiller is properly assembled.

4.1. Starting the Tiller

1. Connect the tiller to a suitable outdoor extension cord, ensuring the cord is securely attached and routed away from the tilling area.
2. Press and hold the safety button located on the handle.
3. While holding the safety button, squeeze the trigger switch to start the motor. Release the safety button once the motor is running.
4. To stop the tiller, release the trigger switch.

Video 2: This video showcases the DOVAMAN T03 Electric Garden Tiller in action, demonstrating its performance in tilling soil.

4.2. Adjusting Tilling Depth and Width

- **Tilling Depth:** The 4-position adjustable wheels allow you to control the tilling depth up to 9 inches. Adjust the wheel height by pushing in the spring clip on the leg and moving the wheel to the desired position. Lowering the wheels increases the tilling depth.
- **Tilling Width:** The tiller provides an 18-inch tilling width. For narrower applications, you can remove some of the tines by undoing the securing pins.

4-HEIGHTS POSITIONS ADJUSTABLE

Figure 2: Illustration of the 4-position adjustable wheels on the DOVAMAN T03 Electric Garden Tiller, allowing users to customize tilling depth.

EFFICIENT TILLING

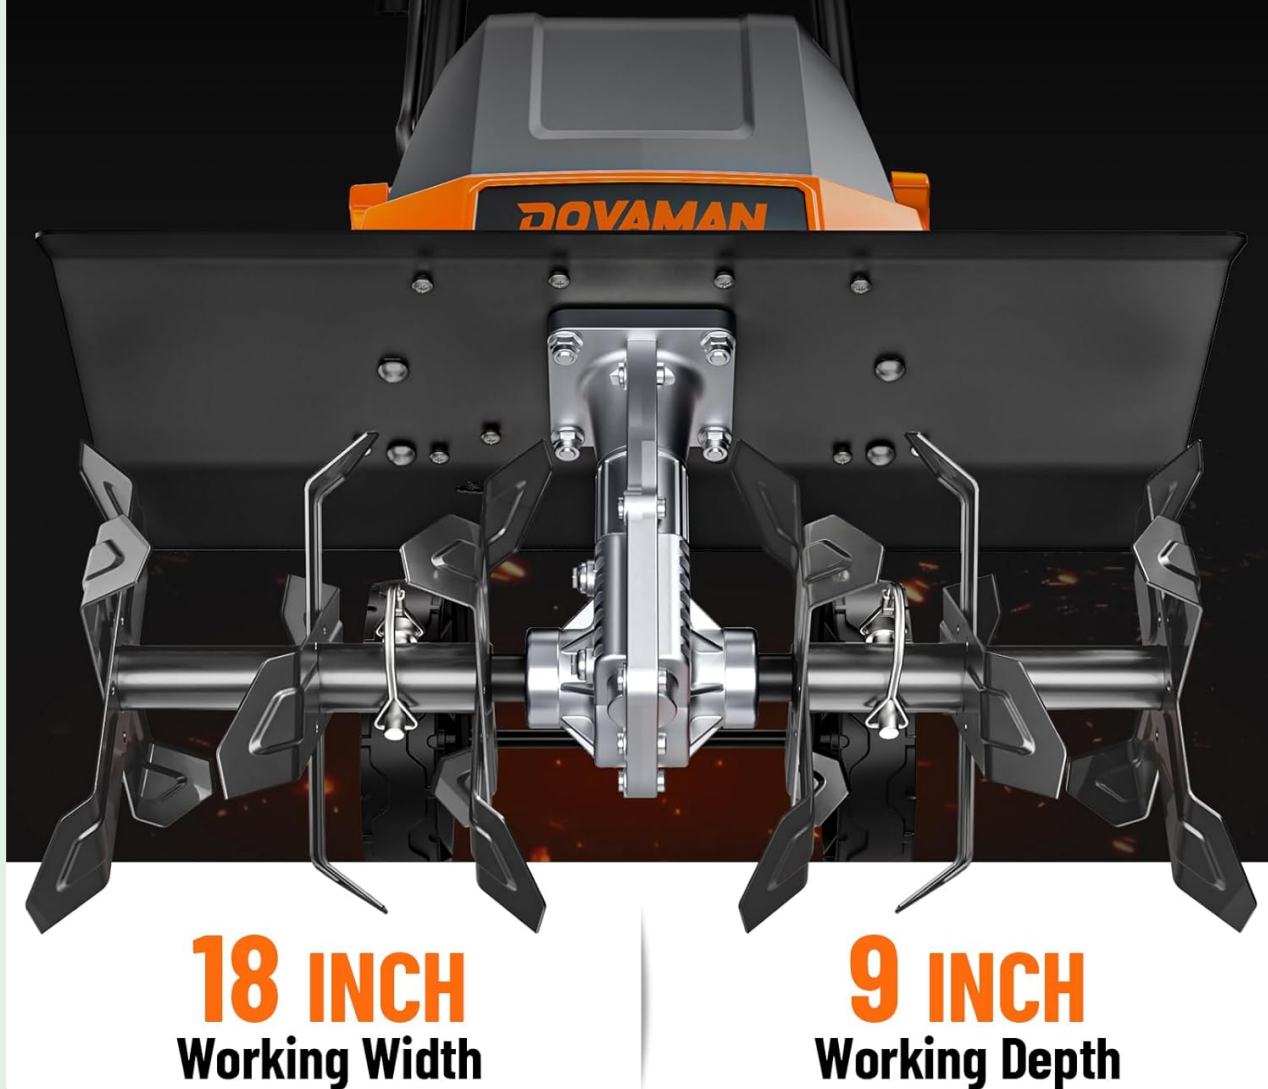

Figure 3: Visual representation of the DOVAMAN T03 Electric Garden Tiller's efficient tilling capabilities, highlighting its 18-inch working width and 9-inch working depth.

4.3. General Tilling Tips

- For best results, till when the soil is moist but not wet.
- Work in small sections, moving the tiller slowly and steadily.
- Overlap passes slightly to ensure even tilling.
- If the tiller encounters resistance, do not force it. Lift slightly and reposition.

5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your DOVAMAN T03 Electric Garden Tiller.

- **Cleaning:** After each use, disconnect the power and clean the tines and housing. Remove any accumulated soil, roots, or debris. Use a stiff brush or cloth. Do not use water directly on the motor housing.
- **Tine Inspection:** Periodically inspect the tines for wear, damage, or bending. Replace worn or damaged tines to

maintain tilling efficiency.

- **Lubrication:** Refer to the detailed instructions in the printed manual for specific lubrication points and frequency.
- **Cord Inspection:** Regularly check the power cord and extension cord for any signs of damage, cuts, or fraying. Replace damaged cords immediately.

6. STORAGE

The DOVAMAN T03 Electric Garden Tiller features a foldable handle for convenient, space-saving storage.

1. Ensure the tiller is clean and dry before storage.
2. Loosen the wing nuts on the handlebars to fold the handle down. This makes the unit compact.
3. Store the tiller in a dry, secure location, out of reach of children and away from extreme temperatures.

Figure 4: The DOVAMAN T03 Electric Garden Tiller shown with its handle folded, demonstrating its compact design for easy storage.

7. TROUBLESHOOTING

If you encounter issues with your DOVAMAN T03 Electric Garden Tiller, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Tiller does not start	Not plugged in; Safety button not pressed; Trigger not squeezed; Power outage; Damaged cord.	Ensure power cord is securely plugged into a working outlet and extension cord. Press safety button then squeeze trigger. Check circuit breaker. Inspect and replace damaged cords.
Tiller stops during operation	Overload protection activated; Blades jammed by debris.	Disconnect power. Clear any debris from the tines. Allow motor to cool if it was overloaded. Restart the tiller.
Ineffective tilling	Incorrect tilling depth; Worn or dull tines; Soil too hard or wet.	Adjust wheel height for deeper tilling. Inspect and replace tines if necessary. Wait for soil to dry slightly or pre-moisten very dry soil.

If the problem persists after attempting these solutions, please contact DOVAMAN customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	DOVAMAN
Model Number	T03
Power Source	Corded Electric (AC)
Motor Amperage	15 Amp
Operating Speed	380 RPM
Tilling Width	18 inches
Tilling Depth	Up to 9 inches (4-position adjustable)
Product Dimensions (D x W x H)	37"D x 18"W x 44.8"H
Item Weight	24 lbs
Material	Metal
UPC	726208986440

9. WARRANTY & SUPPORT

For warranty information and customer support, please refer to the documentation included with your product or visit the official DOVAMAN website. Keep your purchase receipt as proof of purchase.
