SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Device:** This dresser includes an anti-tipping device. It is crucial to install this device securely to a wall stud to prevent the dresser from tipping over, especially in households with children.
- **Weight Distribution:** Distribute weight evenly across drawers and on the top surface. Avoid placing heavy items on the edges of the dresser.
- **Drawer Safety:** Do not open all drawers simultaneously. This can cause the dresser to become unstable and tip. Always close one drawer before opening another.
- **Assembly:** Assemble the dresser on a soft, clean surface (e.g., a carpet or blanket) to prevent scratches. Ensure all fasteners are tightened securely before use.
- **Children:** Keep children away from the assembly area. Do not allow children to climb on or play with the dresser.
