Maintenance and Care

Proper care will extend the life and appearance of your Homall sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use bleach or abrasive cleaners, as these can damage the fabric.
- **Cushion Care:** Rotate and fluff cushions periodically to maintain their shape and even out wear. The cushions are foam-filled with high-resilience foam.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading of the fabric.
