1. INTRODUCTION

Thank you for choosing the Heybly Cat Tree, Model HCT062MJ-1. This multi-level cat tree is designed to provide a secure and engaging environment for your feline companions, offering various platforms for climbing, scratching, resting, and playing. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. SAFETY WARNINGS

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children and pets away during assembly.
- **Check All Parts:** Before assembly, ensure all parts are present and undamaged. Do not proceed with assembly if any parts are missing or broken.
- **Stable Placement:** Place the cat tree on a flat, level, and stable surface to prevent tipping.
- **Anti-Tipping Strap:** Always use the provided anti-tipping strap to secure the cat tree to a wall. This is crucial for stability, especially for active or multiple cats.
- **Weight Limit:** Do not exceed the maximum total load capacity of 54 kg (120 lbs). Individual platforms may have lower weight limits.
- **Regular Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Tighten as necessary.
- **Hazard Prevention:** Keep plastic bags and small packaging materials away from children and pets to prevent choking hazards.
- **Indoor Use Only:** This cat tree is designed for indoor use only. Exposure to outdoor elements can damage the product and compromise its safety.
- **Supervise Pets:** Monitor your pets during initial use to ensure they adapt safely to the cat tree.

### 3. PACKAGE CONTENTS

---

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Multi-level cat tree structure components
- Sisal scratching posts
- Two cat condos
- Top perch with removable cushion
- Three suspended resting areas (single basket, double basket, square hammock)
- Hanging ball toy
- Anti-tipping hardware kit
- Assembly hardware (screws, bolts, Allen wrench)
- Instruction manual

### 4. SETUP INSTRUCTIONS

---

Follow these steps carefully to assemble your Heybly Cat Tree. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included parts diagram (if available in physical manual) to identify each component.
3. **Assemble Base:** Begin by attaching the lowest scratching posts to the extra-large base plate. Ensure all connections are secure but do not overtighten initially.
4. **Build Upwards:** Continue assembling the structure layer by layer, attaching platforms, condos, and additional scratching posts as indicated in the assembly diagram.
5. **Install Condos and Perches:** Secure the two cat condos and the top perch. Place the removable cushion on the top perch.
6. **Attach Suspended Elements:** Install the single basket, double basket, and square hammock using their metal frames and attachment points.
7. **Attach Toys:** Secure the hanging ball toy to its designated location.
8. **Final Tightening:** Once the entire structure is assembled, go back and securely tighten all screws and bolts.
9. **Install Anti-Tipping Strap:** Attach the anti-tipping strap to the top of the cat tree and securely anchor it to a wall stud or appropriate wall anchor. This step is critical for safety.

### 5. OPERATING INSTRUCTIONS

---

The Heybly Cat Tree provides a rich environment for your cats. Here's how to maximize its use:

- **Encourage Exploration:** Place treats or toys on different levels to encourage your cat to explore the entire structure.
- **Scratching Posts:** The sisal-covered posts are designed for scratching. Encourage your cat to use them by gently guiding their paws or using catnip.
- **Condos and Hammocks:** These enclosed and suspended areas offer secure and cozy spots for napping and hiding.
- **Top Perch:** The spacious top perch provides an elevated vantage point, satisfying your cat's natural instinct to observe their surroundings from above.
- **Interactive Play:** The hanging ball toy provides an interactive element for play and exercise.

## 6. MAINTENANCE

---

- **Cleaning:**
  - **Removable Cushions:** The removable cushion on the top perch can be machine washed for easy cleaning. Follow care instructions on the label.
  - **Spot Cleaning:** For other fabric surfaces, use a damp cloth with mild soap to spot clean. Avoid excessive moisture.
  - **Vacuuming:** Regularly vacuum the cat tree to remove loose fur and dust.
- **Sisal Posts:** The sisal scratching posts are durable but will wear over time. Replace them if they become excessively frayed to maintain their effectiveness.
- **Structural Integrity:** Periodically inspect the entire structure for any signs of wear, damage, or loose connections. Tighten any loose screws or bolts immediately.
- **Relocation:** If relocating the cat tree, lift it from the base to avoid stressing the connections. Do not drag.

## 7. TROUBLESHOOTING

---

### Cat Tree Feels Unstable:

Ensure the cat tree is placed on a flat, level surface. Check all screws and bolts for tightness and re-tighten if necessary. Verify that the anti-tipping strap is correctly installed and securely anchored to a wall.

### Cat Not Using Scratching Posts:

Try sprinkling catnip on the sisal posts to attract your cat. Gently guide your cat's paws to the posts to demonstrate their purpose. Ensure the posts are stable and do not wobble when scratched.

### Missing or Damaged Parts:

Do not attempt to assemble with missing or damaged parts. Contact Heybly customer support immediately for replacement parts.
