KAER Black Locker 54-inch Metal Storage Cabinet User Manual

INTRODUCTION

Thank you for choosing the KAER Black Locker 54-inch Metal Storage Cabinet. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new storage locker. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

Always follow the assembly instructions carefully to avoid injury. Keep the cabinet away from heat sources and sharp objects to prevent damage. Do not overload the cabinet as it may tip over. Use caution when opening and closing the doors to avoid pinching fingers. Always use the appropriate safety gear when handling heavy objects.

PRODUCT FEATURES

- **Dimensions:** 54"H x 15"W x 15"D, providing ample storage capacity.
- **Material:** Constructed from heavy-duty metal for durability and wear resistance.
- **Ventilation:** Multiple ventilation holes ensure air circulation, keeping contents dry.
- **Security:** Features a lockable design with a push-in hidden handle for securing stored items.
- **Internal Organization:** Includes a locker shelf and hooks for hanging bags, umbrellas, and other items.

- **Identification:** Equipped with a nameplate for personalization.
- **Versatile Use:** Suitable for various environments including homes, schools, gyms, and offices.

SETUP AND ASSEMBLY

Assembly of the KAER Black Locker is designed to be straightforward. Detailed instructions are included in the product packaging. Please follow them step-by-step. A common point to note during assembly is ensuring all tabs are correctly aligned and slid into position before attempting to fully secure panels. This often involves sliding a tab around the front edge before dropping it into its final slot.

Required Tools (Not Included):

- Phillips head screwdriver
- Rubber mallet (optional, for gentle tapping)

Assembly Steps:

1. Unpack all components and verify against the parts list provided in your packaging.
2. Attach the base and feet to the bottom panel.
3. Connect the side panels to the back panel, ensuring all tabs are properly engaged.
4. Install the top panel.
5. Insert the adjustable shelf at your desired height.
6. Attach the door, ensuring the hinges are correctly aligned and the lock mechanism functions smoothly.
7. Install the anti-tip device to a wall for added stability, especially in areas with children.

OPERATING INSTRUCTIONS

Using the Lock:

The locker features a key-operated lock. Insert the key into the lock and turn to secure or unlock the door. Always ensure the door is fully closed before locking. Keep spare keys in a safe place.

Utilizing Internal Storage:

- **Shelf:** Use the internal shelf for books, stationery, or smaller items.
- **Hooks:** Hang bags, coats, or umbrellas on the integrated hooks.
- **Nameplate:** Write your name or contents on the nameplate for easy identification, especially in shared spaces.

MAINTENANCE

The metal construction of this locker makes it easy to clean and maintain. Regular cleaning will help preserve its appearance and functionality.

Cleaning:

- Wipe surfaces with a soft, damp cloth and mild detergent.
- Avoid abrasive cleaners or harsh chemicals, as these can damage the painted finish.
- Ensure the locker is dry after cleaning to prevent rust.

General Care:

- Periodically check all fasteners and tighten if necessary to maintain structural integrity.
- Do not exceed the maximum weight capacity of 36 pounds per shelf.

TROUBLESHOOTING

Locker feels flimsy after assembly:

Ensure all screws and fasteners are fully tightened. Double-check that all panels are correctly interlocked and seated. If the issue persists, disassemble and reassemble carefully, paying close attention to the alignment of all tabs and slots.

Door does not close or lock properly:

Check for any obstructions around the door frame or hinges. Verify that the locker is on a level surface. Inspect the lock mechanism for any damage or misalignment. If the lock is damaged, contact customer support.

SPECIFICATIONS

Attribute	Detail
Brand	KAER
Model Number	B0GN8CDL8P
Color	Black
Material	Metal (Alloy Steel Back, Metal Frame)
Product Dimensions (D x W x H)	15"D x 15"W x 54"H
