› VINGLI PE Rattan Outdoor Dining Chairs (Model B0GNF8RCJM) Instruction Manual

VINGLI B0GNF8RCJM

VINGLI PE Rattan Outdoor Dining Chairs

Model: B0GNF8RCJM

1. INTRODUCTION

Thank you for choosing VINGLI PE Rattan Outdoor Dining Chairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new chairs. Please read these instructions carefully before assembly and retain them for future reference.

Image 1.1: VINGLI PE Rattan Outdoor Dining Chairs in a balcony setting.

This image shows two VINGLI PE Rattan Outdoor Dining Chairs, along with a small round table, placed on a balcony. The chairs are white with a woven rattan-like texture on the seat and backrest, and have curved armrests. The background features a scenic view of the sea and distant buildings, indicating an outdoor, possibly coastal, environment. The chairs appear sturdy and suitable for outdoor use.

2. SAFETY INFORMATION

- Read all instructions before assembly and use.
- Keep all packaging materials away from children to prevent choking hazards.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the chairs.
- Do not exceed the maximum weight capacity (specific weight capacity not provided, use with reasonable care).
- Place chairs on a flat, stable surface to prevent tipping.

- Avoid exposing chairs to extreme temperatures or prolonged direct sunlight to prevent material degradation.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- Chair Backrest/Seat Unit (2 units for 2-pack)
- Chair Leg Frame (2 units for 2-pack)
- Assembly Hardware (screws, nuts, washers, Allen wrench)

Note: The chairs are designed for quick assembly, typically in 5 steps.

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your VINGLI PE Rattan Outdoor Dining Chairs. It is recommended to assemble on a soft, clean surface to prevent scratching.

1. **Prepare Components:** Unpack all components and hardware. Identify the chair backrest/seat unit and the leg frame.
2. **Attach Leg Frame to Seat:** Align the leg frame with the designated attachment points on the underside of the chair seat/backrest unit. Some force or a rubber mallet may be needed to ensure a snug fit for the initial connection points.
3. **Insert Bolts (Loosely):** Insert the appropriate bolts through the pre-drilled holes, securing them with nuts and washers. For easier alignment, insert all bolts loosely before tightening any of them. *Tip: For outdoor use, consider placing the bolt head on the inside and the nut on the outside to protect legs from potential scratches.*
4. **Align and Adjust:** Gently rock the chair to ensure all legs are evenly touching the ground. If the chair wobbles, loosen the bolts slightly, adjust the alignment, and then proceed to tighten.
5. **Tighten All Hardware:** Once the chair is stable and aligned, progressively tighten all bolts using the provided Allen wrench. Ensure all connections are secure but do not overtighten.

PRODUCT DIMENSIONS

Effortlessly Stackable for Compact Storage
When Not in Use

Image 4.1: Product dimensions and stackable design illustration.

This image displays the key dimensions of the VINGLI PE Rattan Outdoor Dining Chair, including height (29 inches), seat width (16.9 inches), seat depth (14 inches), and overall depth (22 inches). It also illustrates the stackable nature of the chairs, showing four chairs neatly stacked, highlighting their space-saving feature.

5. USAGE AND OPERATION

- **Indoor and Outdoor Use:** These chairs are designed for versatile use in various settings, including kitchens, balconies, gardens, porches, patios, and restaurants.
- **Comfort:** The chairs feature an ergonomic curved backrest and armrests for comfortable support during extended periods of sitting.
- **Stackable Design:** For convenient storage and space-saving, the chairs can be easily stacked when not in use.

Designed for Comfort

Spacious Seat
Ideal for extended sitting

Ergonomic Armrests
Naturally relax your arms

Rattan Design
Stylish and breathable

Image 5.1: Features highlighting comfort and design.

This image showcases three key design elements of the VINGLI chair: a spacious seat for extended sitting, ergonomic armrests designed for natural arm relaxation, and a stylish, breathable rattan design. A woman is shown relaxing in the chair on a balcony, emphasizing its comfort and suitability for leisure.

6. MAINTENANCE

- **Cleaning:** Clean the chairs with a soft cloth, mild soap, and water. Avoid abrasive cleaners or harsh chemicals that could damage the PE rattan material.
- **Weather Resistance:** The chairs are made from weather-resistant PE rattan, offering durability for outdoor use. However, for prolonged lifespan, it is recommended to store them indoors or cover them during extreme weather conditions.
- **Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten as needed.

Image 6.1: Material comparison: PP Plastic Wicker vs. Traditional Rattan.

This image compares the characteristics of PP Plastic Wicker (used in these chairs) with Traditional Rattan. PP Plastic Wicker is highlighted as easy to clean, waterproof, lightweight, and durable. In contrast, Traditional Rattan is described as prone to breakage, easily dampens, heavy, and hard to clean. This visual emphasizes the low-maintenance and robust nature of the chair's material.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair wobbles after assembly.	Bolts were tightened before all legs were evenly on the ground; uneven assembly.	Loosen all bolts slightly. Place the chair on a flat surface and apply gentle pressure to ensure all legs touch the ground. Then, progressively tighten all bolts.

Problem	Possible Cause	Solution
Difficulty aligning parts during assembly.	Manufacturing tolerances; parts require a snug fit.	Ensure all bolts are inserted loosely before attempting to tighten any. A rubber mallet can be used gently to tap components into place if needed. Do not force parts excessively.
Missing hardware.	Packaging error.	Do not proceed with assembly. Contact VINGLI customer support immediately for replacement parts.

8. SPECIFICATIONS

Feature	Detail
Brand	VINGLI
Model	PE Rattan Outdoor Dining Chairs (B0GNF8RCJM)
Color	White
